# CROSS HERE

## Alford community calling for safe street crossing

**Fin Hansen**  
REPORT BY

A PEDESTRIAN crossing has been proposed for the main street of Alford.

Barunga West Council asked the Department for Infrastructure and Transport to consider the installation of a crossing from the town's RV park to the opposite side of the Spencer Highway.

The crossing would be accompanied by signage reading "slow to 25 kilometres when children present".

However, DIT has initially responded by stating the volume of pedestrians would not be sufficient to warrant a crossing.

Councillor Brian Lockyer said the matter was brought to his attention whilst working at the Alford polling booth for the state election last month.

"The traffic that speeds through Alford have residents concerned (particularly with) the number of children catching the school bus in the morning and afternoon," Cr Lockyer said.

"(A crossing) would also slow down traffic entering Alford.

"Hopefully, this matter will be taken into consideration for the safety of our children, plus people crossing between the RV park and Karimi's Kitchen."

Karimi's Kitchen owner Karimi Manners said she suggested the crossing to

Cr Lockyer following safety concerns.

"We have a growing population in Alford with a couple young families moving to the area," Mrs Manners said.

"There's more than 10 children who catch the school bus now so there's always kids at the bus stop.

"Speeding vehicles have become quite regular through Alford and we need something to slow the traffic.

"When motorists see a pedestrian crossing, they would be more likely to slow down – I think this could make a big difference."

Council is awaiting written confirmation regarding DIT's advice.

**SLOW DOWN...** An increasingly young Alford population has residents concerned about the safety of its roadside school bus stop. Pictured are Alford parents Kim Sleep, Bridget Johns, Ashley Rowan and Karimi Manners with children (in no particular order) Isabelle, William, Mitchell and Wren Higgins, Eloise and Blake Johns, and Jack and Liam Rowan.

## Smith Family Back to School Appeal thanks

I'M writing to express my deep appreciation to everyone across South Australia who supported The Smith Family's 2022 Back to School Appeal.

Our vision is to help young Australians experiencing disadvantage to create better futures for themselves.

We launched our appeal calling for extra support to help students re-engage with their education, after another tough year due to Covid-19.

For families and their children, this year's return to school may have been the toughest yet.

Not only are we concerned the pandemic has exacerbated the gap in learning outcomes between children living in poverty and their more advantaged peers, we're also worried families are facing more hardships, including rising living costs, a housing affordability crisis, and ongoing impacts of the digital divide.

When any family faces ongoing financial difficulties, it makes it harder for them to support their children's education.

We know there are still thousands of young Australians who don't have access to the education essentials they need to learn, and we're concerned it'll be those who can least afford it, who'll continue to struggle.

Our Learning for Life education program provides emotional, practical and financial support to children and young people.

And thanks to the wonderfully generous response to our sponsorship appeal, we'll be able to provide around 3000 more students with evidence-based and life-changing support for the duration of their education.

To learn more about Learning for Life, and how you can be part of a growing community of sponsors tackling the effects of poverty on the education of young Australians, visit [thesmithfamily.com.au](https://thesmithfamily.com.au).

For 100 years, The Smith Family has been working to improve the lives of children in need.

Our goal is to have a lasting and positive impact on students and families, and generations to come. So, to everyone who generously contributed to our appeal — thank you very much.

## Lack of numbers

I WAS extremely disappointed and saddened to see a posting on the YPFL Facebook page of the junior colts scores for round one.

The scores in no way, shape or form encourage us to embrace an activity our families have loved and enjoyed for many years.

Unfortunately, however, the scores do tell the truth about the growing lack of numbers in both players and support.

Unless clubs band together to find amicable solutions, these results will continue and not help our junior football be where it should — a great breeding ground for future Senior footballers and AFL stars.

I know there are rules currently in place to even these sides out on game day, but these results show further changes may be needed, pooling all players together on game day and picking two even sides as close as possible in talent and numbers may help.

Best players, goal scorers and medal vote could also continue to apply as these are individual not team awards.

At the completion of the minor round series, a lightning carnival could be introduced to determine the premiership club for the year, a system that is currently successfully run with the under 11 competition at Minlaton.

## OUR VIEW

### Election field

THERE are officially nine candidates vying for your vote in the May federal election.

The major parties are represented and there are two independent candidates as well as representation from the Greens, United Australia Party, Liberal Democratic Party, One Nation and the Australian Federation Party.

It is quite the mix. The candidates come from varied backgrounds — farming, health, engineering, retail, accountancy and social work.

Already, we've introduced you to several of the candidates and we will continue to do so in the coming weeks.

There are some faces who are familiar with an election — incumbent Rowan Ramsey of course, as well as unsuccessful state candidates Liz Habermann and Kerry Ann White, and Richard Carmody who ran for Grey in 2019.

Next week will also be our first opportunity to pose questions to the candidates about important issues.

This question and answer series will be shorter than our state election coverage, due to timing and other factors.

But it is equally as important in giving readers a chance to learn more about their potential representative.

Almost 97 per cent of eligible Australians are enrolled to vote in this federal election — a huge number.

I've already said it several times this year, but it is so important to take the opportunity to research and find the candidate that aligns with your beliefs.

I'm definitely not ruling it out saying it again.

Read what you can, ask questions. Start getting informed.

# Considering a sister town for Moonta

**Jess Liddy**  
JOURNALIST

COPPER Coast Council is considering a twinning/sister town arrangement between Moonta and the Camborne Town Council in Cornwall, England.

At its March meeting, Copper Coast elected members voted in favour of the proposal to explore the possibility of and interest in the arrangement.

Cornish Association SA Yorke Peninsula branch president Liz Coole said it would be an important connection for Moonta, also known as “Australia’s Little Cornwall”.

“To have a partnership/ friendship with Cornwall would be great,” she said.

“We would hope some benefits could come from it such as people holidaying between the two towns, we could help each other with family history and ultimately we would love for it to contribute to Moonta Mines being World Heritage Listed.”

Elected member Brent Walker said the arrangement made sense because of the heritage and background of Moonta Mines and Camborne.

“There is tourism potential and it could benefit both councils and how they both operate — but

people need to get behind this proposal and provide feedback for it to be able to work.”

CEO Russell Peate said council was keen to progress the various steps towards World Heritage Listing of the Moonta Mines.

“Councillor Walker was approached by the president of the local Cornish association in late 2021 about the feasibility of a twinning proposal with Cornwall,” he said.

“Cr Walker has explored the possibility of a twinning/sister town relationship with Camborne Town Council in Cornwall, England.

“I understand Camborne has a significant Cornish mining history and sister city affiliations are quite common throughout Australia.

“Given the progression of World Heritage Listing for the Moonta Mines and Burra application, it is considered prudent to explore the possibility of a sister town arrangement with Camborne.

“Schools, Moonta National Trust and tourism bodies would be contacted to ascertain their interest in such a sister town arrangement.

“As a result of Zoom video conferencing, one example could be educational content and development between, for example, the Moonta Area School and a school in Camborne.”

# Coobowie CP the people's choice

Jess Liddy  
JOURNALIST

COOBOWIE Caravan Park was awarded silver for the 2022 ReviewPro People's Choice Caravan Park of the Year recently.

Park managers Kristy and Steven Evans said receiving a silver national award had exceeded their expectations in their first 12 months as park managers.

"We have always wanted to provide people with a fun, friendly place where they feel comfortable and can enjoy their stay," they said.

"Most people have never even heard of Coobowie so winning this award not only puts this park on the map but also all of the surrounding towns and businesses."

Mr and Mrs Evans said they had no idea they had been nominated.

"We were notified by email and couldn't believe our eyes," they said.

"We could never have dreamed a caravan park in a small town on Yorke Peninsula would compete against the big chain parks nationally.

"We are still in awe a park of our calibre could win such an award.

"We pride ourselves on our customer service and guest satisfaction, providing our guests with high standards of cleanliness in our cabins and amenities."

Caravan Industry Association of Australia CEO Stuart Lamont said the awards were judged by the hardest taskmasters – the consumers who stayed at individual properties.

"This allows all caravan parks irrespective of size or location to equally participate, whether you are a destination park with all the bells and whistles, or a traditional park offering clean sites and personalised service, and every type of park in between," he said.

"There are no submissions to be made and so the award genuinely rewards those parks which are well regarded by the guests who stay."

Mr Lamont said the award was representative of the strong relationship Coobowie Caravan Park had built up with its guests.

"The fact Coobowie has been recognised as the second-best park (in Australia) in the eyes of the travelling public is a real coup for the park, and hopefully this is something those looking for a great place to stay will investigate in the future," he said.

## ROBERT ST CONCEPT DESIGN

COMMUNITY FEEDBACK SOUGHT

Over several months, the Yorke Peninsula Council has been working with WAX Design on the concept report for Robert Street, Maitland. Currently, Robert Street is impacted by a number of challenges and has many social, economic, and environmental opportunities.

What is apparent is the community's desire for Robert Street to develop as a vibrant main street located at the centre of the Peninsula filled with public space and community assets.

The Robert Street Draft provides a planning framework for the main street of Maitland, ensuring that future actions, proposed developments proposals, public and private investment, as well as capital works contribute to achieving the vision for Robert Street.

The masterplanning, projects, and materials palette illustrate a progressive framework of actions for Robert Street. The recommendations contained within this document will require an ongoing commitment from the community, Council, key stakeholders, investors and State Government.

The Robert Street Draft Concept Report reinforces the character of Maitland and encourages engagement and collaboration to create a vibrant and active main street that integrates future public realm upgrades and development opportunities while ensuring the town's sense of place and intrinsic character remain intact.

Council has released the Robert Street Draft Concept Report for public consultation for five weeks, starting on the 14th of April. Community members are encouraged to complete the below short survey on the report by the 20th of May 2022. Please consider which elements you agree or disagree with, and prioritise as you complete questions 1 - 6

You can access the survey via the Yorke Peninsula Council website under 'Robert Street, Maitland, Concept Design' or via the QR code & link provided below:

## SA to keep masks in schools... for now

SOUTH Australian students will continue to wear face masks for another month once school resumes.

Premier Peter Malinauskas announced the decision after the state's Emergency Management Council met yesterday morning (Tuesday, April 26).

All adults, including visitors, are required to wear masks, as well as high school students, with mask wearing strongly recommended for students in years 3 to 6.

"We all want to ensure we are doing everything we can to ensure we have a Covid-safe return to school next week," Mr Malinauskas said.

"Unfortunately, South Australian schools faced greater disruption than other states during term 1.

"We want to reduce this risk in term 2, ensuring more students can go to school and more parents can stay at work.

"We are taking the prudent step of retaining current mask settings for the first four weeks, while we rollout other actions to help make our schools safer."

Mask settings in schools will stay for at least the first four weeks of term 2, to be reviewed closer to the end of week 4.

Mr Malinauskas also suggested the government would install 1000 air purifiers in schools across the state, and would undertake more work to improve ventilation.

"That work will now be accelerated over the course of the coming weeks to get our classrooms in a position where

there is adequate ventilation that then mitigates the need for mask wearing," he said.

The move comes as the premier announced the end of close contact quarantining as of Saturday, April 30.

People deemed close contacts will be prohibited from high-risk settings and required to undertake five rapid antigen tests during a seven-day period, wear a mask when leaving the house and notify their employer or educational facility of their status.

"This change is recognition of a continuing improvement in the Covid situation in South Australia and a well-earned reward for the hundreds of South Australians who have made significant sacrifices during the past two years," Mr Malinauskas said.

# Upgrades fit for a Queen

Jess Liddy  
JOURNALIST

UPGRADES to Queen Square, Moonta, are well underway.

Works began at the start of April with the stripping of the public toilets.

Power was isolated and all the fixtures, fittings, floors and ceiling, concrete paths and external brick wing walls were removed.

Copper Coast Council director infrastructure services Tim Neumann said the focus was now on rendering the existing internal and external walls to allow for an alternate clean and modern finish.

"New timber fascias and Colorbond gutters and roofing are in progress," Mr Neumann said.

"To complete the upgrade of the building a new epoxy floor covering is to be laid, finished off with new partitions and fixtures.

"The toilet upgrade is expected to be complete by the end of June, there are new shared paths to be installed throughout the park and around the toilet

that will follow the completion of the toilet block."

Mayor Roslyn Talbot said the upgrades to Queen Square were coming along nicely.

"The toilets were in desperate need of an upgrade to meet health and safety requirements, to make them inclusive and more clean in general," Mrs Talbot said.

"It is also really important that we made the park accessible to everyone.

"I think as able-bodied people we forget or take for granted how easily we can wander through parks, so I'm very pleased upgrades to the paths will enable everyone of all abilities to enjoy Queen Square."

Council received funding for the upgrades through the state government's Open Spaces and Places for People program.

POLICE are searching for three bicycles, stolen from a Wallaroo home last Thursday, April 21.

The resident of a John Terrace property noticed the bikes were absent from the rear of their yard.

Police believe they were stolen between midnight and 6am.

Anyone who sees the stolen bikes or has information on their whereabouts should call 131 444.

### Man caught riding uninsured pit bike

A man has lost his licence after being caught riding an unregistered motorbike in Moonta Bay.

Copper Coast police saw the man riding a small pit bike along Highview Grove at about 4.10pm on Monday, April 25.

The rider was stopped and issued a blood alcohol test, to which he returned a positive reading of 0.093.

Further checks revealed the bike was unregistered and uninsured.

The 29-year-old Moonta Bay man was reported for exceeding the prescribed concentration of alcohol,

driving unlicensed, failing to wear a helmet, as well as driving an unregistered and uninsured motor vehicle.

He was issued a six-month immediate loss of licence and had his bike impounded for 28 days.

The man will be summonsed to appear in court at a later date.

### Men caught after trying to escape drug test

Yorketown police stopped a vehicle which tried to avoid a driver testing station at Minlaton last month.

A search of the car led police to locate cannabis paraphernalia linked to a passenger of the vehicle.

The driver was also submitted to a roadside drug test, to which he returned a positive result for cannabis.

The 28-year-old male passenger from Kadina was issued a cannabis expiation notice worth \$342.

The 39-year-old male driver, also of Kadina, was also issued a cannabis expiation notice worth \$863 and four demerit points.

### Drink driver caught at SYP

A southern Yorke Peninsula man was stopped for a random breath test at about 8pm on Thursday, April 14.

Minlaton police subjected the driver to a blood alcohol test, to which he returned a low-range positive result.

The man was issued with an expiation notice.

**BIKE THIEVES...** Copper Coast police are searching for three pushbikes, similar to pictured, which were stolen from a Wallaroo residence in the early hours of Thursday morning, April 21.

## Cocaine washes up at Marion Bay

A BAG of cocaine was found on the beach at Marion Bay on Easter Sunday, April 17.

Police and Ausgtralian Border Force have since searched the local coastline for similar articles.

The Marion Bay discovery

has been linked to the 416 kilograms of cocaine, worth more than \$166 million, which was dropped from a cargo ship by four Filipino men between Yorke Peninsula and Kangaroo Island in late March.

An empty boat connected with the seizure was also found last month.

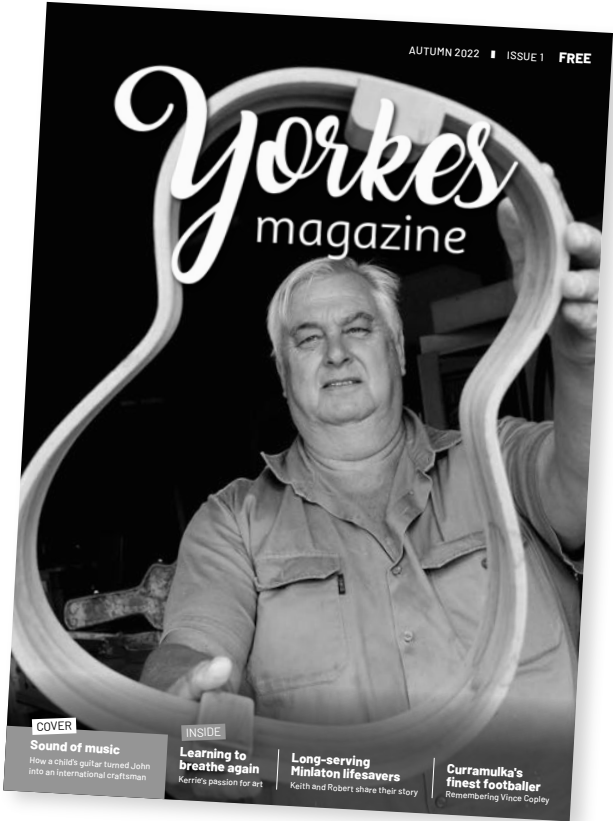

The AFP is conducting forensic tests to determine if the drugs found at Marion Bay are connected to the haul.

# Wallaroo among top tourist towns

Jess Liddy  
JOURNALIST

WALLAROO is vying for the Small Tourism Town Award and the People's Choice Award at this year's SA Top Tourism Town Awards.

The SA Top Tourism Town Awards recognise South Australian towns which offer amazing visitor experiences and are committed to increasing tourism in their region.

Copper Coast Council mayor Roslyn Talbot said Wallaroo had so much to offer.

"It is a beautiful holiday destination and a worthy town of this award," Mrs Talbot said.

"Moonta was voted the inaugural Top Tourist Town last year and Wallaroo was highly thought of by the judges.

"It would be wonderful to have a second town (on the Copper Coast) named as a top tourist town and is a great reflection on the whole of the Copper Coast.

"Twenty-five per cent of the votes

are based on public votes so if you want to see Wallaroo win you have to get voting."

TiCSA CEO Shaun de Bruyn said he's excited to see SA towns participating in the program this year.

"Our regions are incredibly valuable to the state's tourism industry, with more than 40 per cent of visitor expenditure in South Australia coming from our wonderful regions," he said.

"Not only are the Top Tourism Town Awards excellent for celebrating our regions but they also give them the opportunity to improve their tourism marketing and visitor experiences."

Vote for your favourite town and go into the running to win a two-night weekend getaway at a SA council caravan park, valued at over \$500.

People's Choice Award voting closes on Monday, May 9.

All category winners will be announced on Wednesday, May 18.

To place your vote, visit [ticsa.com.au/industry-programs/sa-top-tourism-town/](https://ticsa.com.au/industry-programs/sa-top-tourism-town/).

**TOURISM AWARDS...** Copper Coast Council mayor Roslyn Talbot and councillor Cathy Vluggen encourage the community to vote for Wallaroo in the Small Tourism Town and People's Choice Awards categories for this year's SA Top Tourism Town Awards.

## Key works progress for Fisherman Bay

CONSTRUCTION of the new Port Broughton Community Wastewater Treatment System is nearing completion.

Earthworks have been finalised and the installation of a liner for the new lagoon is underway.

The rising water main, set to benefit new property freeholders at Fisherman Bay, has also been installed and is being tested for pressure.

Rocks excavated to make way for the new lagoon are set to be used for a range of Barunga West Council landscaping projects.

Council also approved a tripartite Preservation Deed between BWC, Fisherman's Bay Management and Fisherman Bay contractor Bardavcol Pty Ltd, at its monthly meeting on Tuesday, April 12.

CEO Maree Wauchope said the agreement has been intended to give council step-in rights in the unlikely event FBM defaults in its obligations under the construction contract with Bardavcol.

"This should facilitate a seamless transition from FBM to council, in the unlikely event of a default by FBM, to enable

construction continues without unnecessary delay and cost," Ms Wauchope said.

"The deed is a measure to ensure Fisherman Bay ratepayers get the infrastructure they have been promised under the freehold arrangement."

Essential construction works have been estimated to commence in late May.

Stage six of the freeholding process has started and will involve the settlement of 23 freehold titles, all under contract for purchase.

Twelve stages of the project are yet to be completed.

**ON TRACK...** A new lagoon has been installed as part of the Port Broughton Community Wastewater Treatment System, which will provide crucial infrastructure to Fisherman Bay ratepayers.

# Independent sets sights on federal seat

LIZ Habermann will take a run at the federal seat of Grey in next month's election, bolstered by her recent performance at state level.

Ms Habermann ran for the safe Liberal seat of Flinders in the recent South Australian poll and caused a 23 per cent swing away from the incumbent party.

She and husband Brett run the bakery in Wudinna and she first became involved in politics when advocating for voluntary assisted dying laws after losing their son Rhys to a terminal illness in 2017.

Ms Habermann said she brings "keen eye, open ears, strong community connection and a business brain to delivering solutions to regional South Australia."

"My heart is set on working for the communities across Grey," Ms Habermann said.

"In the recent state election I was encouraged to run for Flinders, so gave it my best shot and I heard so many people with issues that need a solution."

"I am running as an independent to give the people of Grey a choice that benefits people in the region," she said.

"As an independent, I am accountable only to you, I will work hard and fight for what is needed to deliver the people of Grey a better future."

"With change, imagine the possibilities for the future of our health system, aged and child care, education, farming, seafood and aquaculture, hospitality and tourism."

"I am focused on our economy, small business, and investment in roads and regional infrastructure and I bring a vision and a voice."

"(My purpose is) to give the people and communities in Grey a choice to vote differently this election so we can make the future better together."

**"As an independent, I am accountable only to you, I will work hard and fight for what is needed to deliver the people of Grey a better future."**

## CCC draft annual business plan

COPPER Coast Council's Draft Annual Business Plan is out for consultation.

The 2022-23 plan will be discussed at a public meeting in the Kadina Town Hall from 6pm on Wednesday, May 18.

"The annual business plan will result in the total revenue raised through general rates increasing by two per cent plus revenue from newly developed properties," director corporate and community services Katrina Borlace said.

"Total operating expenses are to be held where possible, within levels of the previous financial years and adjusted by the Local Government Price Index allowing above indexation increases to be allocated directly to maintaining community assets, such as stormwater infrastructure, roads and footpaths."

"The plan is to complete the upgrade to Bay Road, work through planned stormwater priorities, Moonta masterplan works, road seals, rural roads and re-sheeting as outlined in the five-year roads plan, footpaths and our wide range of services and facilities."

Community members are invited to make a presentation in support of their submissions.

Submissions must be received by 4pm Tuesday, May 17.

To read the plan and find out how to submit comments, visit [www.coppercoast.sa.gov.au/noticeboard/latest-news/public-consultation-draft-annual-business-plan-202223?fbclid=IwARIUDU5uljFxSPy0A4YuaYj43BXdat1hv6kpOZiYkraI4aRPOC-9cCDVz54](http://www.coppercoast.sa.gov.au/noticeboard/latest-news/public-consultation-draft-annual-business-plan-202223?fbclid=IwARIUDU5uljFxSPy0A4YuaYj43BXdat1hv6kpOZiYkraI4aRPOC-9cCDVz54).

# What's-on in Grey

THE Australian Labor Party has nominated Julie Watson as its candidate for Grey at the May Federal election.

Ms Watson grew up in Port Lincoln but now lives in Port Augusta, working at the local prison as a respected team member and elected union official.

She said she's passionate about creating skilled regional employment opportunities so young people have the option to stay and raise their families in the community.

"I want to see the upper Spencer Gulf take the lead in providing Australia's energy future and, if elected, will work to ensure communities receive the long-term benefits of the renewables boom," Ms Watson said.

"This includes more secure job opportunities, more community building and less reliance on fly-in-fly-out workforces."

Grey was last held by Labor from 1969 to 1993, but the party has since struggled to gain a foothold in the electorate.

Ms Watson said her party's proposed promise of extra TAFE student openings would bolster the region.

"Labor's proposed investment in 465,000 fee-free TAFE places will help to kick start the region in the wake of the pandemic," she said.

"By rebuilding TAFE, school leavers, workers wanting to retrain and unpaid carers, the majority of whom are women, will be able to get back into the workforce."

"If I have the honour of being elected, I will help to address the lack of doctors and other essential health services in Grey."

LABOR... Julie Watson, of Port Augusta, has been announced as Labor's candidate for Grey.

## Highway sealing nearly complete

A SECTION of the Copper Coast Highway in Kadina has been resealed as part of a rectification agreement between Copper Coast Council and the Department for Infrastructure and Transport.

A new 40-millimetre AC10 Asphalt seal was placed in the trafficable areas, with 80mm being placed on the roundabout areas.

CEO Russell Peate said the rework and reseat was needed to be done.

"The Department for Infrastructure and Transport organised their contractors and the works were done with the least amount of inconvenience for road users," Mr Peate said.

"Council covered 50 per cent of the cost."

The line marking is to be completed this month.

Following sign off of these works, the road will be handed back to DIT.

## Residents seek a truck stop

BARUNGA West Council has considered a potential truck parking area at Kulpara.

Residents raised concerns about the impact of trucks parking in the centre of the town at a recent council information workshop.

BWC manager for assets and infrastructure Steve Davey said trucks can come and go at all hours.

"At times these trucks have refrigerated trailers with noisy compressors which affect the ability of nearby residents to sleep," Mr Davey said.

"Council was asked by some of the residents to contact the Department for Infrastructure and Transport to request a new truck parking area be created on the side of the road at the western edge of the town."

Council has written to DIT, with the enquiry being investigated by the regional north road assets team.

# Liddle, Stock run for Senate

Patrick Goldsmith  
REPORT BY

TANIA Stock has been named on the Liberal Party's Senate ticket for the upcoming election.

Mrs Stock will be number four on the ticket and will run alongside Finance Minister and Leader of the Government in the Senate Simon Birmingham, Senator Andrew McLachlan and candidate Kerryne Liddle.

Earlier this year, Mrs Stock ran for a position in the state Legislative Council.

Mrs Stock said she was looking forward to the opportunity to do her bit for the team.

"I think I'll be able to assist the Senate team with having regional connections, particularly here on Yorke Peninsula but also down the South East and up north," she said.

"My position on the Senate ticket at number four is challenging, but certainly Kerryne's position at number three is very winnable.

"If I can use some connections to support the Liberal Senate campaign and for people to understand we have close connections with the regions, that's even better."

Mrs Stock said she learned a lot from her recent state election campaign and looked forward to further

developing that.

"I enjoyed working with the Liberal Legislative Council team and that experience will also be valuable for the Senate campaign," she said.

Ms Liddle, originally from Alice Springs, has a 20-year association with the peninsula and said she understands what it means to live rurally, in a way others might not.

"People talk about regional representation, but I think unless you were born and raised there, it's really hard to know what that means," she said.

"I understand the importance of roads and the need for quality health care, which are things best championed by those who know it."

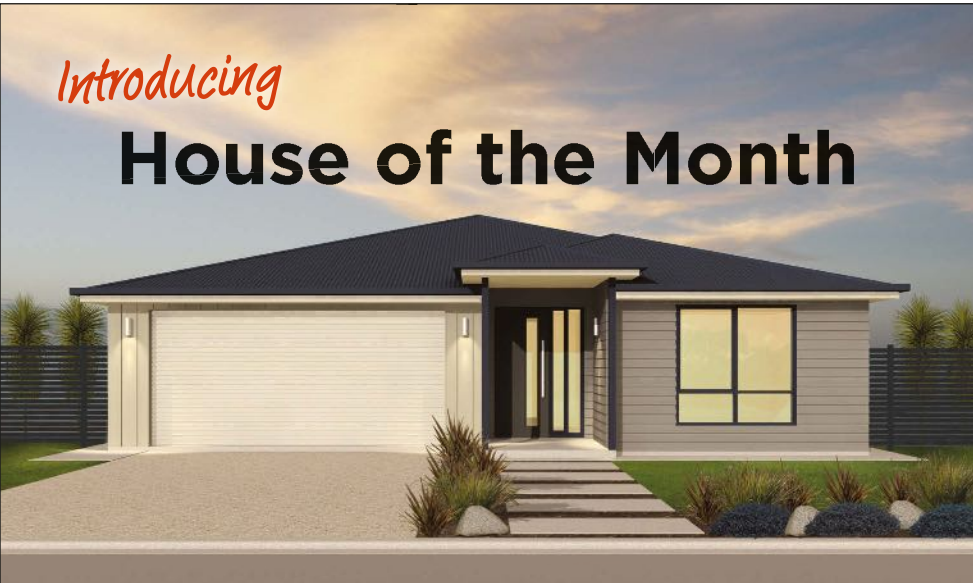

Ms Liddle said, although running for the Senate makes it difficult to reach everyone voting, it had been a thoroughly enjoyable experience so far.

"We go to a place like Moonta or Kadina and people are willing to have a chat and if you let them know your background it opens up even more opportunities for conversation," she said.

"All you can do is talk to people and if you can assure them that you'll do your best to stand up for them, which of course you will, then you're doing the best you can at sharing what you're all about."

LOCAL CONNECTION... Yorke Peninsula Council deputy mayor Tania Stock is joining Kerryne Liddle on the Liberal Party's Senate ticket.

# Trust locals with advertising

YORKE Peninsula Country Times' is holding free, no-obligation seminars across the peninsula to help local businesses.

Marketing consultant and expert Damian Morgan will host the seminars, part of the YP Country Times's annual Advertising Advantage program.

This is the first time in two years Mr Morgan will be presenting to Yorke Peninsula businesses, after Covid-19 restrictions caused last year's seminars to be cancelled.

Trusted locals and buying local is the theme of Mr Morgan's presentation this year.

Mr Morgan is a respected speaker and advisor on branding, advertising and business development strategies.

The sessions will feature his expert tips, including information about creating high-impact campaigns.

Mr Morgan said there had never been a more important time for businesses to get their marketing strategies right.

"Throughout history when transformational shocks to the economy occur, they always create opportunity too," Mr Morgan said.

"In times of crisis, we need to make calm, clear-headed decisions and look for opportunities.

"Many small businesses have adapted and innovated with their products and services but they now have to adapt and innovate with their marketing."

Consumer surveys and sales data show consumers prefer to shop locally when possible.

"There is plenty of opportunity and the most proactive businesses will seize it," he said.

"There has never been a better or more important time to work on your next marketing move.

"We can usually improve the rate of return on advertising when we take a planned strategic approach.

"I look forward to coming back to the leg to work with small business owners and the YP Country Times."

Bookings are essential — to secure your spot email [sales@ypct.com.au](mailto:sales@ypct.com.au) or call 8821 1155.

# Wartime friendship remembered

**Nigel Parsons**  
JOURNALIST

THE lead up to Anzac Day always revives memories for Elaine Hoyle about her late dad Norman Sparrow.

Elaine, of Minlaton, describes her relationship with her dad, who served as a cook in the army, as very close.

"I worshipped the ground he walked on," Elaine said.

It was only a few short months after Elaine's birth in November 1941 that Norman joined the army and was soon aboard a ship preparing meals in rough seas travelling to Balikpapan in Borneo.

It was largely by accident Norman found himself in the kitchen.

During training, the endless marching caused Norman acute ankle and shin pain.

Offered a job as a cook, as it meant no more marching, he quickly accepted.

It wasn't long before Norman's culinary efforts were noticed and he was recommended for promotion, as well as being asked to cater for an officer's wedding.

Stories of camaraderie and mateship go hand in hand with many wartime stories, and Sergeant Norman Sparrow was no different.

Sgt Sparrow formed a bond with a 16-year-old Javanese boy named Baimin who had escaped the Japanese after being brutally tortured and left

for dead.

"He was tied to a tree, not fed for days and bayoneted repeatedly in the back of the legs but somehow he got away," Elaine said.

Baimin found his way to the Australian forces where he helped out in working groups.

"Dad noticed this young lad struggling to operate a pick so he went over and showed him how to use it properly," she said.

Norman managed to arrange for Baimin to become a kitchen hand working under his guidance until the end of the war.

"Dad taught Baimin to read and write and they formed an amazing bond," Elaine said.

"Dad never talked much about the war but always spoke fondly of his friend Baimin.

"Dad wanted to bring him back to Australia after the war and Baimin desperately wanted to as well but it was impossible in 1945."

Elaine still wears a ring on her right hand Baimin sent with a letter to the Sparrow family during his time with the Australian Army.

Numerous attempts were made by the Sparrow and Hoyle families to track him down after the war without success.

"The trouble was Dad only ever knew him as Baimin and didn't know his surname so it was futile," Elaine said.

AN ANZAC TALE... Elaine Hoyle, Minlaton, takes the time to remember her late father Norman Sparrow who served in Borneo during World War II.

## YorKON a pop-culture hit

YORKON returned as a hit following a two-year hiatus due to Covid-19, on Saturday and Sunday, April 23-24.

"Yorke Peninsula Council was excited to hold its first YorKON Games Convention since the Covid-19 pandemic hit in 2020," Yorke Peninsula Council mayor Darren Braund said.

"The convention was a hit with young people and their families and included free play computer and retro games, arcade games, workshops, tournaments, table top games and a costume-making competition.

"Maitland Markets also got involved this year and offered attendees a range of local art,

delicious food, produce, jewellery, crafts and more.

"Council thanks its partners including Team AvCon, Copper Coast Table Top Gamers, Retrospekt, Maitland and District Progress Association, Little Adventurer, Southern Dewback Garrison - 501st Legion, Rebel Legion Ryloth Base, Cold Creature Art, Ben's IT Communications, Nankivell IT and Yorke Solar."

Glen Fordham of Retrospekt Gaming, Adelaide, said it was always a thrill to be involved in an event like this.

Retrospekt had the opportunity to supply retro game consoles such as Nintendo 64 to be

used at the event.

"Last time (2019) Retrospekt had a much smaller area for our gear so it always felt busy, but this year's set up is even better and allows for an overall enjoyable experience," Mr Fordham said.

"It's brilliant to be involved in something like this because obviously there are the big conventions held in Adelaide but there are almost never smaller versions in regional areas.

"It means people who may not be able to access something like this can."

Plans are already gaining momentum for next year's event.

# New mural honours town story

Patrick Goldsmith  
REPORT BY

EDITHBURGH RSL and Bowls Club has honoured both sides of its story with a striking new mural.

Adorning the western and southern sides of the building, the mural is a homage to the stories of those who have made an impact both in military service and bowls.

The clubroom walls and roof tiles were badly affected after the 2019 Yorketown bushfire which encouraged the club to apply for a grant from the Black Summer Bushfire Recovery grants program.

The club received \$40,000 and was able to install the new artwork by artist Dylan Butler, who also worked on many of southern Yorke Peninsula's water towers.

One side features a soldier and a fighter jet while the other has a large club bowl and depiction of late club stalwart Effie Bartram in the clouds.

Effie was featured on the wall prior to its damage and son Peter Bartram said it filled him with personal pride to see her on the wall.

"She was a foundation member of the club and I think over her time involved she won the hearts of a lot of people," he said.

"She was the club's first patroness and I'm pretty sure if you asked most people who were at the club at the same time as her, they'd say she'd been here forever.

"It's nice to know they thought of her."

Mr Bartram is the current SYP Bowling Association secretary as well as club manager and believes the entire mural helps bring the town to life.

"It has a wow factor, in my opinion," he said.

"You drive into the town and the first thing you clearly see is the RSL, but you go around the corner and you'll think 'oh it's the bowls club as well'.

"Everyone involved has done a fantastic job."

With money left over from the grant, as well as some of its own, the club will now investigate installing a rooftop solar system.

PROUD... Peter Bartram with the new mural on the Edithburgh RSL and Bowls Club which depicts his mother Effie in the clouds.

# Local pub supports Friends of WCH

MELVILLE HOTEL, Yorktown, owners Tracey Coppins and Eddie Dankiewicz have been recognised by the Friends of Women's and Children's Hospital.

The pub gives all proceeds from its Friday meat tray raffle, donated by Warooka Country Meats, to the Warooka and District, and Yorktown WCH Auxiliaries.

So far \$640 has been contributed.

"The auxiliaries have raised

funds for the Women's and Children's Hospital since 1957, raising a total of \$58,529 and are part of Region 12 of the auxiliary division," region chairperson Julie Tonkin said.

"This division comprises auxiliary groups in Yorktown, Warooka, Kadina, Maitland/Arthurton, Moonta and Wallaroo and has collectively raised an incredible \$807,252 during the past 60 years.

"Funds are primarily allocated towards medical equip-

ment at the hospital and in regional areas.

"An example of this support are the 52 hearing audiometers recently purchased at a cost of \$130,000 and allocated to CaFHS sites throughout South Australia.

"The audiometers have ensured 18,000 newborn babies and 40,000 preschool children have had their hearing screened since 2017.

"Support from local businesses such as the Melville Hotel and Warooka butchers

not only helps to raise funds but also increases the awareness of the Friends organisation and the contribution it makes to South Australian families, in both regional and metropolitan areas."

New members are always welcome, and anyone interested in joining can call the Friends office on 8161 8445.

For more information about the Friends, or to make a donation, visit <https://wch.friends.com.au/> or contact the office.

SUPPORTERS... Melville Hotel's Eddie Dankiewicz, Emma Coppins and Tracey Coppins with Friends of Women's and Children's Hospital Region 12 chairperson Julie Tonkin recently.

# Kleinig awarded Southwood Medal

KADINA Memorial School's 2021 year 12 dux Taj Kleinig was recently presented the school's highest academic awards, the Southwood Medal.

Mr Kleinig achieved a raw Australian Tertiary Admission Ranking of 95.5 and was also awarded a University of Adelaide Principals' scholarship.

He has accepted an offer to study for a Bachelor of Physiotherapy (Honours) degree at the University of Adelaide.

Eliza Monger was awarded runner-up dux with an ATAR of 94.8.

Steve Southwood presented the prestigious prize on behalf of the Southwood family, with the award now in its 98th year.

His grandfather Dr Albert Southwood first donated the medal in 1924.

Other achievements recognised by the school include Ryley Hansen receiving a merit for general mathematics under the tutelage of teacher Geoff Rees, while Darcy Snodgrass achieved a

merit for wood technology under the guidance of teachers Andrew McDonald and Hamish Price.

Current year 12 student Molly Faithfull was awarded a merit for her SACE Stage 2 research project which asked "To what extent are recent advances in MOXIE's technology important for moving towards the goal of colonising Mars?"

Subjects merits will be presented at the annual SACE Merit Ceremony at Government House, Adelaide, in May.

**HIGHEST HONOUR...** Steve Southwood with Kadina Memorial School year 12 dux and Southwood Medallist Taj Kleinig.

**EXCELLENCE...** SACE subject merit winners Darcy Snodgrass (wood technology) and Ryley Hansen (general mathematics) with Taj Kleinig (KMS year 12 dux Southwood Medallist) and Eliza Monger (year 12 runner-up Dux). (Absent: merit winner Molly Faithfull.)

**HIGH ACHIEVERS...** Kadina Memorial School head of senior school Verity Williams, Steve Southwood and principal Alistair Williams (right) congratulate high achieving students Darcy Snodgrass, Taj Kleinig, Ryley Hansen and Eliza Monger. (Absent: Molly Faithfull.)

**UNDER 19 CHAMPIONSHIPS...** James Reuther, Coobowie, played an integral role for South Australia at the Cricket Australia Under 19 National Championships — Male in Queensland earlier this month.

## Reuther performs for Redbacks U19s

**Peter Argent**  
REPORT BY

Coobowie fast bowler James Reuther had a strong performance in the Cricket Australia Under 19 National Championships — Male, held in Mackay, Queensland, April 7 to 14.

Reuther's successful summer also included SACA Men's First Grade premierships with West Torrens in the two-day and 50-over competitions.

The national championships returned to the calendar after a year's hiatus.

"The trip was an unreal experience, learning to play in new conditions along with playing with and against some of the best talents in our age group was awesome," Reuther said.

"I've now played in every junior age group since SAPSASA U12s through to state U19s, playing at

state underage level for the past seven summers.

"While there wasn't a national carnival last year, the state lads went to Hamilton and played a couple of games.

"Our schedule for this tournament was changed a bit across the week because of the inclement weather, and we lost a couple of days due to persistent rain."

Reuther started strongly with three wickets at a cost of 50 runs from eight overs in SA's opening win against the New South Wales U17s, SA chasing down NSW's 153-run total with just two wickets down.

SA's round 2 match was against ACT-NSW Country, which produced a handsome 9/259.

Reuther took 1/50 from eight overs and effected a run out; he also displayed plenty of application with willow in hand in SA's unsuccessful run chase, not out on 22 when SA was dismissed for 186.

He faced 27 deliveries in 23 minutes, smashing a couple of boundaries and a six.

The round 3 twenty20 against the Northern Territory was a game to forget for SA, which managed 9/94 batting first.

Coming in at number nine, Reuther top scored with 25, facing 23 balls and hitting a pair of fours in 24 minutes.

NT hit the winning runs off Reuther's bowling; he finished with 0/19 from 1.2 overs.

He was rested for the high-scoring round 4 match, in which SA (8/265) fell 16 runs short of VIC Metro's 4/281.

SA's final game was another T20 fixture against NT.

Reuther was outstanding with the ball in this contest, collecting 1/16 from four overs in NT's competitive 5/127.

SA won the game with the second ball of the 19th over, being three wickets down.

## Bute medals for Anzac Day

Bute RSL sub-branch presented medals to the players judged best team person on ground in the A and B grade netball and football matches on Saturday, April 23.

"This medal is presented annually and has recently been re-named to honour a true gentleman, who was the last of our South Australian Kokoda diggers to pass away," an RSL sub-branch spokesperson said.

"Ed Ebsary was born on October 15, 1919 and died January 13, 2022, at the age

of 102 after a remarkable life."

The netball medals were presented by sub-branch president Anthea Martin to Charlotte Rose (A grade) and Lahni Smith (B grade) while treasurer Andrew Pridham presented medals to Sam Davis (A grade) and Harvey Pohlner (B grade).

The sub-branch also presents a Diggers Cup to the winner of the day at Bute Golf Club, with Sam Wapper winning this year for a second time.

**ANZAC MEDAL...** Bute Golf Club captain Randall Cock, Bute RSL sub-branch treasurer Andrew Pridham and Diggers Cup winner Sam Wapper.

**ANZAC MEDAL...** Bute Netball Club B grade coach Nadene Wehr (wearing Lahni Smith's Anzac Medal), A grade coach Jane McCauley, Bute RSL sub-branch president Anthea Martin and A grade winner Charlotte Rose.

**ANZAC MEDAL...** Bute Football Club B grade coach Gary Wehr, B grade winner Harvey Pohlner, Bute RSL sub-branch treasurer Andrew Pridham, A grade winner Sam Davis and A grade coach Matthew Rose.

# Goody wins state MVP at national championships

**Peter Argent**  
REPORT BY

Edithburgh footballer Shineah Goody put in yet another elite performance in South Australia's final game of the 2022 Under 18 Girls AFLW National Championships, to be named the side's most valuable player for the carnival.

SA defeated Victoria Metro by three points at Avalon Airport (Werribee) Oval on Friday, April 22, giving SA three wins from its three championship games.

Goody kicked two critical third-quarter majors before SA survived a last-quarter charge and a couple of dubious umpiring decisions to win a thriller by three points, 5.3 (33) to 4.6 (30).

"It was a dour game of football, as the Victorians tend to play," SANFL head of talent Brenton Phillips said.

"Shineah was outstanding across the game, and her two goals in the third quarter were critical to the side's victory.

"She is a quiet girl who lets her football do the talking."

Announced as SA's MVP across

the championships in the post-game ceremony, Goody finished this last match with a game-high 27 disposals, 18 handballs, three marks, seven tackles and six clearances.

"The Prespakis sisters, 2020 AFLW best and fairest Madison and her younger sister Georgie, had a chat to our AFL Academy group about their footy journeys and life inside and outside the

"Playing in my own age group, I found the game a lot faster than SANFL Women's footy," Goody said.

"The skillset is stronger and the games were competitive.

"Winning (the) MVP award is my highest honour in football so far."

After the titles, along with the best teenage female footballers in the land, Goody spent the weekend at the AFL Academy.

game.

"After getting all our apparel, we went to the St Kilda Football Club on Saturday morning and to the Danny "Spud" Frawley Centre for a light training and recovery session.

"The SA Academy girls flew back to Adelaide on Saturday afternoon."

Goody is in her second season with the Woodville-West Torrens; she has been a part of the Port Adelaide Football Club Women's Academy and said she hoped to be collected in the 2023 AFLW Draft.

# Crows cruise to win

“C Rowscribe”  
REPORT BY

A substantial and congenial crowd assembled at Curramulka Oval for the traditional Southern Derby, keen to measure their teams against one another. Captain Angus Glazbrook's winning coin toss put the CMS Crows toward the town end to commence the game, kicking with the aid of the building Sheoak Flat Doctor.

Plenty of early possession was squandered somewhat by the home side and the Eagles battled valiantly to gain important metreage into the breeze.

Crows' goals came after clumsy free kicks to Lachlan Pointon and a downfield free to Glazbrook.

Crows controlled much of the game thanks to a dominant mid-field led by Ryley Newbold, consistently giving his on-ball brigade first look.

Eagles remained in touch at the first change thanks to the true kicking Brendon Moon following a rare Eagles midfield clearance.

The remainder of the match was arguably defined by the Crows' performance throughout the second term.

The Crows' midfield ascendency, coupled with a stingy, steadfast defensive unit, took control of the match.

James Reuther presented well for the Eagles but couldn't get his teammates to match their opponents' skills, teamwork and clinical approach.

Despite pushing into the pesky, swirling gusts, goals came for

Glazbrook, Harry Litster and Adam Jolly, disheartening their rivals.

A clutch snap from a stoppage allowed Dylan Gutsche to get on the scoresheet, but unfortunately for the Eagles, it would be their last major for the day.

Murphy Short's tackling and silky delivery were unstoppable through the midfield and his work, along with that of his fellow runners, kept the ball in the Crows half.

The half rounded out with Glazbrook assuming the role of a purveyor of fine confectionery, to run into an open goal to seal his fourth major.

A valiant Eagles contingent threw everything they had against their foes after the long break and, despite several forays forward, couldn't impact the scoreboard.

The Eagles' defence, led by Josh Phippen-Edwards, was under siege but couldn't stop the heavily and cleverly rotated Crows midfielders and key forwards from doing damage.

Jake Cook, Ben Edwards and Tom Babidge capitalised on a once again dominant Newbold/Short combination to score at will and sap the remaining spirit from the southerners.

Crows kicked into an increasingly gusty and frigid breeze which made accurate kicking increasingly challenging in the final term.

Any Eagles offensive manoeuvres were now sufficiently subjugated by Bodi Warwick and Jos Builder, while a developing Mavrik Harper-Zerna, Lachlan Pointon and Jarryn Male joined Short in setting up Edwards for his third and Glazbrook for his fifth goal respectively.

The Eagles showed grit in the face of a relentless and in-form Crows outfit, but ultimately could not match the skill and composure of the home side.

Crows coach Brett Baillie should be rightfully confident his team has what it takes to feature strongly at the pointy end of the season.

# Cougars emphatic winners again

Patrick Goldsmith  
REPORT BY

Central Yorke Cougars continued their winning start to the season with a 61-point victory against Ardrossan in the Anzac Round match.

Strong stoppage work and a potent forward line propelled the visitors to their third successive 60-plus-points victory and a dream start to their 25th year in the competition.

Ardrossan's defence was no match to the Cougars' tall forwards, such as eventual Private Bruce Plane RSL Memorial Medallist Alex Greenslade, who bagged six goals on return.

Kicking with a strong breeze in the first quarter, Ardrossan could not stop the goals coming for their opposition, as Charlie Hay and Jacob Davies made sure of a quarter time lead with two late goals.

Cougars playing coach Luke Trenorden said it was good to know the side could have such a positive start against a heavy breeze.

"I think the really good thing from our end was the positive start, kicking five goals to three in the first quarter was a brilliant initial set up to the game," he said.

"Running in numbers and getting the ball inside 50 as often as possible gave us more scoring opportunities and created more goals.

"And going with the wind in the second and last quarters meant we came home with a good belief knowing we had it in the last quarter, being up by a few goals, just to know to keep a cool head and stick to the game plan."

The visitors were relentless in the second quarter, opening up a seven-goal lead thanks to goals from Zac Bates, Trenorden (two) and Greenslade (two).

When Trenorden nailed his second within a minute, it appeared the dam wall may be opening.

The Kangaroo resistance came in the third quarter with goals to Sam Pfeiffer, Sam Roads and Will Lynch who was the beneficiary of good forward pressure, turning the ball over and kicking truly.

Trenorden said he thought his side was well served by Jackson Bruce and Bates in the midfield.

Having played Paskeville, Bute and Ardrossan so far in 2022, he's realistic about what games will look like against the teams which surround them at the top of the table.

"It's a difficult one because you never really know what teams are going to be where, but we understand we probably haven't played the strongest teams yet," he said.

"We have a bye this week and then Moonta (third) and Crows (first) are our next two games so

that'll be a really good test for us to see where we actually sit at the moment."

With their coach Marc Cooney unable to attend the game due to Covid-19 regulations, Sam Pfeiffer took the reigns as playing-coach for Ardrossan.

Cooney said it made for a Saturday stuck at home feeling helpless.

"There's pretty much nothing

you can do and you've almost got no idea what's going on in real time," he said.

"The boys were left in Sam's capable hands and, to be fair, it was a reasonably difficult day out.

"They're (Cougars) a stellar side with firepower and are probably going to go far this year."

Still without a win after three games, Ardrossan will face Bute this week, also yet to register a win.

Bute hosts battle of the birds

“Roxby Bob”  
REPORT BY

It was a perfect day for foot-  
ball, with junior and senior  
colts getting up for Bute  
but the reserves never recov-  
ered from Paskeville’s good  
start.

The main game began with-  
out any mention of the Anzac  
Round, though many from

this area have served in the  
defence force.

The game was full of tough  
stuff from the beginning, with  
the Roosters kicking south to  
commence the game.

Bute showed early bursts of  
form by opening the scoring  
but the Magpies were not to be  
outdone and scored their own  
goal.

I could see a repeat of the

B grade game looming.

Bute did show some good  
signs and there was a pause in  
play while an injured player  
was carried off on a stretcher.

Ball handling was not clean  
and fumbles cost games.

I had a tick by the name of  
Sam Davis and Isaac Hampel  
for Bute while Patrick Keane  
was doing justice to the num-  
ber one guernsey for

Paskeville.

Both teams displayed a will  
to win in the second quarter.

Paskeville’s Tyson Wait had  
a good term and for the home  
side I noted Cameron Harris  
and Brad Daniel.

So in fact it was a good half  
of football which was reflected  
on the scoreboard.

The Magpies made good  
use of the wind and gave Bute

a total to chase at the third  
break.

They did not have it all their  
own way as Bute scored  
against the wind and kept up  
the pressure knowing it had  
the wind behind them in the  
final term.

Pasky got the best start to  
the final term but Bute’s inac-  
curacy, kicking 1.8 to 2.2 to the  
term, was detrimental.

# Tight margins mean great matches

“Jeremy Binlayson”  
REPORT BY

Some tighter margins in round 3 of the Yorke Peninsula Football League season made for some great viewing around the grounds.

Bute looked ultra-competitive against Paskeville on its home deck but poor kicking and a bag of four goals from Magpies co-playing coach Patrick Keane dropped the Roosters to 0-3.

Also, much tighter than expected was Kadina's first night game of the season against its rival Bulldogs. The Bloods dominated play through most of the game but kept a new-look energetic Wallaroo midfield in the game by kicking 9.18 to win by only four goals.

## Round 4 tips Southern Eagles v Kadina

The Bloods will be looking to maintain their heat around stoppages, led by a firing engine room in Angus Poole and Jayson Manners. However, their forward entries and conversion rate are the glaring areas in need of improvement. The Eagles may lack the same grunt as its opposition this week, but expect their forward line to be a big highlight and make the most of opportunities. Similar to last week, this will be decided by Kadina's extra on-ball options and depth around the ground.

At the final siren... Kadina by six goals.

## Moonta v Wallaroo

Taking control of the match early will be a key for the Demons this week. Wallaroo seems to be a side that will hang around if it's given a sniff. Speedy new midfielder Tyrell Hocking and the returning silk of Riley Westlake have given Bulldog forwards some great looks already this year, so expect this to continue if

they're given a chance. Sources tell me Moonta is still awaiting more players to come into its starting side, a scary proposition. If its stacked midfield is firing and their damaging half-back line is at its best, the Dees will have no issues here.

At the final siren... Moonta by 11 goals.

## Paskeville v CMS Crows

Pasky has showed incredible resolve in its past couple of clashes which it'll need every bit of against the reigning premier this week. The Pies were pleased to welcome back the ever-reliable Tyson Wait, who'll need to be at his rebounding best if he hopes to limit the Crows' star forwards, including Ben Edwards who has not missed a beat and sits atop of the league's goal kicking. This has mostly been thanks to some added silk in Henry Olsson and Jake Cook who have slotted into the Crows' midfield seamlessly. It all seems to be coming together for CMS and don't expect this hot form to stop anytime soon.

At the final siren... CMS Crows by 14 goals.

## Ardrossan v Bute

This contest should be much more interesting than the rest of the round's games. Both sides are yet to register a win so it'll be a crucial clash down at Ardrossan this Saturday. Both seem to be relying on their top-end talent quite heavily which may prove costly at stages this season. Ardrossan's Michael Hobbs and Sam Roads, plus its trio of Rigney brothers, have been key inclusions but will need more helpers again. On the other side, lots of weight lies on the shoulders of ruckman Jack Trenorden and on-baller Luke McCauley. This duo has become incredibly dangerous and could be what lands Bute its first win.

At the final siren... Bute by four points.

# Inaccurate Kadina scores win

“The Young Bloodhound”  
REPORT BY

It was a fierce start under lights with Wallaroo beginning strongly, but unable to capitalise early.

Kadina gained some momentum and was able to score first through a set shot from Willie Serle.

Wallaroo’s midfield worked hard to ensure the ball stayed in its forward lines, with Chase Martin kicking two early goals.

Kadina found a purple patch, managing a goal through the elusive Giles Ellis and another from a Taj Kleinig set shot.

Wallaroo fought hard to stay in the contest and managed a late goal to Steve Evans as a result of a down-field free kick.

Kadina came out of the blocks quickly to start the second quarter with an early crumbing goal to Jake Von Bertouch.

Wallaroo continued to work hard in the midfield but struggled up forward.

Kadina’s class began to show as Von Bertouch scored a second goal from a set shot.

Tyrell Hocking was in most of the play for Wallaroo with multiple clearances from defence leading to a Martin goal from a rundown tackle in Wallaroo’s forward line.

Kadina had several opportuni-

ties to build a sizeable lead but missed shots resulted in more behinds, keeping Wallaroo in the game.

Wallaroo’s tackling pressure was good but the side fell down when moving the ball forward.

A fast start from Kadina in the first minute of the third quarter led to a set shot goal to James McDowell.

Wallaroo hit back with a down-field free kick resulting in a goal to Riley Westlake.

McDowell saw more of the ball up forward for Kadina and kicked his second.

Kadina looked the stronger team, but Wallaroo remained in the contest, managing a late goal after a strong contested mark to

Evans.

However, Von Bertouch continued to prove to be a handful up forward, kicking the last goal of the quarter.

The final quarter began with a quick goal to Kadina through Willy Serle.

After that the game was played mostly between the arcs as both teams battled hard without troubling the scoreboard.

A set shot goal to Dylan Westlake was Wallaroo’s highlight of the quarter.

Wallaroo’s midfield battled hard all game, keeping it in the contest.

However, Kadina could have turned this game in to a percentage booster with greater accuracy at goal.

# Eagles land early blow on reigning premiers

Broughton-Mundoora has gotten its season off to a flyer after beating reigning premier Orroroo by 96 points.

In its first opportunity to use their newly installed change-room facilities, the 2021 grand finalist was out for revenge on Saturday, April 23.

Playing coach Nick Hewett said his first win was a strong result after a long preseason.

"Everyone was keen to get started after a bit of player turnover," Hewett said.

"We had a few older lads who retired and lost a couple of guns in (Thomas) Wheelan and Maddy (Hayes), but there's been a good vibe around the place with a handful returning from long-term injuries and a few new faces.

"We've had a heap of volunteers put in a lot of hours on the oval as the sprinklers hadn't been working, so credit to them for making the oval come up a treat."

The Eagles got out of the blocks quickly by kicking three unanswered goals in the opening quarter before slotting another three to Orroroo's two in the second.

"Orroroo have lost a couple players, plus they had a couple close contacts and injuries on the weekend," Hewett said.

"It was a bit of a slog early, but we were just able to convert and they missed a couple of opportunities."

A six-goal-to-two third term, followed by eight majors in the last, handed Broughton a comfortable victory.

"Eventually we wore the Roos down, got on top in the contest and used our speed on the outside," Hewett said.

The return of premiership captain Tom Button bolstered BM's midfield brigade significantly, while former Yorke Peninsula Football League forwards Sam Dyer and Strato Agorastos combined for 10 goals.

"Early signs are promising — a few more avenues to goal will be nice, but it's still early and there's plenty to work on," Hewett said.

"We hope to get another two back in the next month as well."

NAFA A GRADE... A pack crashes in front of new Eagles recruit Sam Dyer, who marked the ball to kick one of his four goals for the game.

NAFA A GRADE... Eagle Will Hewett gets wrapped up by Orroroo's Damian Ellery.

NAFA B GRADE... Tim Edwards, Broughton-Mundoora, latches onto Orroroo's Charlie Luckraft who attempts to evade the tackle.

NAFA B GRADE... Eagle Blake Burt kicks around his body for a goal in his side's 84-point win.

**A grade**  
**Ardrossan v CY Cougars**  
Both sides looked smart in their new Anzac Day bibs. After attending the Anzac formalities on the oval with the footballers it was game on!  
Cougars had the first centre pass and scored the first two goals via great movement and accurate shooting by Sarah Luke and captain Lana Bagshaw. Ardrossan goalies Maddie Raymond and captain Chelsea Hogarth had to work hard and move quickly to beat experienced Cougar defender Jo Davey, who was well supported by young gun, 14 year old Sadie Polkinghorne. Raymond scored consecutive goals for Ardrossan. Cougar midcourters Chloe Linke and Alex Hillebrand fed their shooters with quick, accurate passes, resulting in several Cougar goals, Cougars winning the first quarter 20-5.  
Ardrossan brought on experienced Meg Rowntree at WA. Ardrossan GK Georgia Kuhndt worked hard but tall Cougars GS Luke was too strong. Ardrossan C Ebony Wheare and Rowntree worked the ball into their attacking end. Cougar defender Polkinghorne rebounded well. Cougars won the second quarter by four goals; halftime scores were Cougars 36, Ardrossan 17.  
Kenney went into GD for

Ardrossan and Belinda Wouters went to GK to try to stop the dominance of Cougar goalies Bagshaw and Luke, who moved well and shot accurately. Kuhndt moved out to WD for Ardrossan against talented Cougar WA Linke. Laura Cassidy and the other Cougar defenders turned the ball over twice in as many minutes resulting in Cougar goals. Kenney spent several short bursts on the ground trying to defend Cougars' slick passes into their goalies, smiling as she returned to her feet. Cougars won the third quarter by seven; three-quarter time scores were 49-20 Cougars' way.  
Rowntree into C for Ardrossan and Kenney into WA; Cougars were unchanged throughout the match. Cougar WD Cassidy turned the ball over immediately, resulting in a goal. Ardrossan battled hard but Cougars were too strong, running away from the Roos. Bagshaw played a magnificent captain's game, shooting well whilst always positively encouraging her team. Cougars won the final quarter 27 goals to four; final scores 77- 26.  
Lana Bagshaw deservedly received the Annie Merle Trenerry RSL Memorial Medal. Both sides are congratulated for playing the game in true Anzac spirit.

**CMS Crows v Southern Eagles**  
Crows had the first centre pass and secured the first goal after moving the ball smoothly down the court. Eagles worked hard defensively in the goal circle, with Alice Hickman and Emma Goldsmith providing intense pressure. Crows' accurate shooting and valiant efforts from Sasha McSkimming and Bronwyn Farrow allowed a strong lead for the Crows in the first quarter 14-4.  
Crows maintained their advantage in the second quarter. Maddy Saundry helped Eagles reclaim turnovers with strong defensive pressure but Crows' well-drilled and fit contests resulted in goals. Strong defensive pressure and accurate ball movement midcourt from Crows Tegan Young and Felicity Kemp made it increasingly hard for Eagles to get the ball into their goal circle and Crows led 26-11 at halftime.  
Eagles had strong positioning and leads in the goal circle by Taneesha Fleming and Sarah Ramsay in the third quarter. Crows continued with swift ball movement and accurate shooting, maintaining a strong lead 43-17 at three-quarter time.  
Both teams worked hard defensively in the fourth quarter. Lauren McSkimming and Georgina Farrow continued to make their mark on the game

resulting in goals for the Crows. Quality midcourt service from Eagles' midcourt Elle Will and Indilee Pedler made the midcourt defence work hard. Crows continued to ramp up the pressure until the final whistle with the final scores 55-24.  
**Bute v Paskeville**  
With Paskeville missing three of its usual line up, it was great to see veteran defender Leanne Pridham take to the court in GK to help her old side.  
Bute had the first centre pass and scored quickly. In a reshuffled line-up, Paskeville had Fiona Bussenschutt in GS having a great tussle with Bute GK Marissa Hewett. Both midcourts worked hard, making it a low-scoring first quarter.  
Bute made the only change for both sides at quarter time, bringing Dani Richardson on at WA.  
Bute took a couple of intercepts early in the second quarter but failed to make the most of the opportunity. A strong intercept from Paskeville GA Lauren Maxwell helped to lift her side with great work by Paskeville C Jade Daniel, who fed her goalies well. It was hard work for both teams in an evenly matched mid-court, Paskeville was patient in attack, working the ball until a goalie could be found. Paskeville's tight defence was rewarded with a great intercept by GD Amie Price. Both teams missed opportunities to capitalise during this quarter.  
Bute made further changes at halftime with Maddy Simpson replacing Breanna Taylor at GS, Montana Briggs going to GA and Brooke Russell taking the C bib.  
Paskeville's defences worked well together, getting touches and making it tough on the Bute attack end. With all circle defenders playing tight and combining well, it was hard work for both teams to get the ball into their goal circles. Paskeville worked the ball a lot better this quarter and had closed the gap at three-quarter time.  
Alex Wehr returned to the court at WD for Bute. Turnovers by both teams made for a messy start. Bussenschutt and Hewett were still having a great tussle with both rebounding well. The injection of Briggs into the game at halftime for Bute proved to be a good move, giving the home team more aggression in the goal circle and finishing well with some great shooting. Another Paskeville veteran Leanne Wait took to the court late in the fourth quarter replacing an unwell Bussenschutt at GS, contributing two goals in the final minutes; scores, Bute 47 d Paskeville 35.  
**Kadina v Wallaroo**  
After two weeks off and shaded from the sun indoors, Wallaroo started with the centre pass. The ball was quick to enter the goal circle where GS Isabelle Glasgow finished off nicely. Kadina responded just as quickly with GS Carrie Ramsey being a tall target. Scoring was goal for goal for a while until Wallaroo was unfortunate on rebounding, giving Kadina a five-goal lead at quarter time, 15-10  
Feeling ill, Wallaroo GD Adele Biancardi had a spell, bringing on Ruth Keen to GK and Sheridan Bonney went to GD. Bonney did well to stay with the pace of Kadina GA Sophie Driver. Driver and with C Cerys Kirkwood were fast through the midcourt and their passing around the circle proved a challenge for Wallaroo's defence. Wallaroo's Talia Nadich and Glasgow worked hard for front position in the circle. Their long range in goals helped the score but a couple of passing mistakes helped Kadina grow its lead a little more, scores 30-18 at halftime.  
Biancardi returned to the court at GK. Scoring was goal for goal in the early stages of the quarter. Both sides had some intercepts in the midcourt. Wallaroo C Jess Dickinson and WA Shaye Marshall continued to work well in the goal third using Glasgow as an outside option to free up under the ring for Nadich. Kadina defenders Teesha Angus and Louise Faulkner did well to keep the pressure on at their end and forced a couple of turnovers. Three-quarter time: Kadina 44, Wallaroo 27.  
Kadina continued to play consistently through the midcourt and was accurate with goals. Wallaroo settled a little, steadying its game to be only two goals down for the quarter. Final scores: Kadina 56, Wallaroo 37.  
**C grade**  
**Ardrossan v CY Cougars**  
It was a warm day with a slight breeze at Ardrossan. For the home team it was a strong start in the first quarter with two effortless goals within the first few minutes.

Ardrossan was up three goals at quarter time.  
Ardrossan WA Kylie Thompson had a strong second quarter with accurate passes into the attacking third. Despite Ardrossan maintaining much of the possession in the second quarter, Cougars kept up the fight with precise circle work. Cougar GA Brianna Schwartz made her presence on the court well known towards the end of the second quarter.  
At halftime, Ardrossan had established a comfortable nine-goal lead.  
There were strong hands in the circle from Ardrossan GS Ezra Glazbrook at the beginning of the third quarter. Cougars made some ground in the third quarter, coming within four goals of Ardrossan at three-quarter time.  
Ardrossan GA Tiffany Clarke led excellently into the circle in the fourth quarter. Both teams played with intensity as the margin tightened. Despite strong defence from Cougars GD Annabel Whittaker and GK Lily Dyett, Ardrossan's accurate passes kept getting through.  
Final scores 39-33.  
**F grade**  
**CMS Crows v Southern Eagles**  
What great weather for the Anzac round in Curramulka. As expected, the game was well attended and supported by both clubs.  
Play started strongly off the whistle with circle defence proving to be key. Crows defender Maggie Walsh read the ball, intercepting feed-ins to the circle and challenging attackers.  
Height and strong rebounding from Eagles' Charlyze Bunney resulted with both teams relatively close in score after the first half.  
Crows players held strong, applying pressure with Annabelle Cook in the midcourt picking up on minor errors. After settling in positions and gaining possession of play, Eagles showed strong teamwork in their defence, intercepting and picking up loose balls. Goalies Holly Bryan and Tara Easter connected long bomb shots from all areas in the circle, proving too strong for Crows' defenders.  
Eagles held strong in the last quarter, resulting in a seven-goal win.

YPNA C GRADE... At the line ready for the centre pass are Wallaroo WA Mel Angus, Kadina WD Mia Schmidt, Kadina GD Karmela Kleinig and Wallaroo GA Kailee Trott.

YPNA C GRADE... Kadina's Mia Schmidt, WD, gets hands to the ball and knocks it away from Wallaroo's WA Dana Cavenett.

# A moment to remember

“First Aid Kit”  
REPORT BY

While there is one sanctioned YPNA Anzac Round match, it was great to see other clubs getting on board and paying their respects last weekend.

As predicted, there were winners and there were losers. Bute was my only surprise win of the week, but it was a tough match and Pasky did have some outs.

Crows continue to sit firmly atop the ladder — their huge percentage is sure to be helpful at the pointy end of the season

### Ardrossan v CY Cougars

Lana Bagshaw was an incredibly worthy Annie Merle Trenerry RSL Memorial Medal winner and Cougars are continuing to show their form and depth. Several early goals and incredible accuracy meant Cougars had a fairly unsailable lead in the first quarter. Ardrossan's side has huge upside though and if they can continue to grow, will scare some sides.

### Kadina v Wallaroo

Wallaroo has huge potential and this game was a great example. The visitors were only five goals down at quarter time and were only outscored by two in the final term. They can be up and about but consistency continues to be a stumbling block. Kadina too should be commended on its

quick passing and accuracy, which helped cement its win.

### Bute v Paskeville

Pasky was without three of its starting seven, which can't have been helpful, but it did give us one of the best match ups of the day — Fi Bussenschutt on Marissa Hewett. Two finer netballers and leaders are hard to find. It was a really tight game and although the scores weren't as tight as one would imagine, it was a ripper contest and a brilliant game by Bute to get ascendancy this time.

### CMS Crows v Southern Eagles

The Crows will be hard to beat, it's hard to see any flaws. And it's also hard to see how I'm going to come up with something new to say each week until August. That is not to say the Eagles didn't have some excellent passages of play. But the Crows were just too fast and accurate.

### Tips

#### Moonta v Wallaroo

Moonta is coming off a three-week break, much like Wallaroo the round before. It's a great test for both teams — for Wallaroo to come up against a similar side (in experience and youth) and prove to itself it can get a win, and for Moonta to prove it's a step above the rest.

At the final whistle... Moonta by 10 goals.

#### Ardrossan v Bute

Clubs were right to pick Bute as a dark horse this season. The side is consistently amongst it and should give supporters something to be excited for. Ardrossan hasn't had the easiest draw, coming up against CMS Crows and CY Cougars, and you wonder if they'd played a couple of teams around them on ladder first, they'd have had a win or two. I'm not sure this is the game that will break their drought though.

At the final whistle... Bute by 15 goals.

### Southern Eagles v Kadina

The Eagles will be looking to bounce back strongly against Kadina, which could mean we're in for a close contest or it will be a blowout. Eagles had moments against the Crows and Kadina was in control against Wallaroo. It will be a battle of the midcourt players to see who comes out on top.

At the final whistle... Kadina by 18 goals.

### Paskeville v CMS Crows

Paskeville may fancy its chances against Crows this week, in the past some of these matches have been sensational displays of netball. But I don't think they've found the chink in Crows' armour just yet. This could be the match of the round, but it's hard to call it anyway other than another comprehensive Crows win.

At the final whistle... Crows by 28

# Kadina hosts BMX State Series

Copper Coast BMX Club, Kadina, hosted the fourth round of the 2022 Hutsix BMX State Series on Sunday, April 24.

The event had 289 rider nominations, including about 20 professionals, who all competed to increase their points and improve their series ranking.

Local riders included Avalon Moore in the Mini Wheelers competition and Tyler Styles who rode in the 11-12 Boys, both of whom were highly competitive.

Club chairperson Andrew Semmens said the club's limited volunteers were kept extremely busy across the weekend.

"Everyone worked hard to make for a successful day and it turned out really well," he said.

"Most people had very positive feedback and said they can't wait to come back (for the 2023 State Series) next year.

"I thank all our volunteers, sponsors and participants for coming out on Sunday.

"Age is no barrier for BMX — our youngest rider is aged 3 and I'm turning 60 this year and still riding."

To join the club as a rider or volunteer, contact Andrew Semmens on 0419 800 399.

BMX STATE SERIES... South Australia's number one 12 Boys BMX rider Charlie Daff leads Jake Verpoorten out of the berm.

BMX STATE SERIES... SA's 13 Girls number four Layla Armstrong eyes the inside line in a battle with Cali McNamara.

BMX STATE SERIES... Kayzley Height leads her race in the Mini Wheelers competition.

BMX STATE SERIES... Tyler Wood launches over the tabletop alongside Axyl Hillebrand.

BMX STATE SERIES... Lachlan Rouvray pushes his front wheel down ahead of Lachlan Kirk in the 12 Boys competition.

BMX STATE SERIES... Riley Spencer, 13 Boys, flies over a jump.

BMX STATE SERIES... Samuel Rae pushes forward in the 40-44 Men's race.

**Results 23-4-22**  
**WOMEN**  
**Moonta Flames 3 d Blue Devils**  
**1.** *Best:* Ashlee Frost, Kerriane Hage, Stefanie Treloar; Chloe Whittaker, Tamara Gates, Joylene Button. *Goals:* Ashlee Frost 2, Kerriane Hage; Tamara Gates. *Report:* This was the first game of the season for the association. Both teams ran onto the field with 11 players and it was great to see a number of young players on both teams, which could be a great sign for the future of hockey on Yorke Peninsula. Moonta also had Sarah Andrews playing her first game as goalie. The ball was well contested by both teams in the opening quarter as they gradually got used to the demands of a new season, as well as coming to grips with a heavy grass field. Both teams worked the ball into their scoring Ds during this quarter but were unable to score, with many attacks floundering inside the D. Isobel Meyer and Kiala Andrews were both prominent for Flames during the first half while Felicity Hoyle and Kailah Gates tried hard for Devils. Flames probably had more of the play during this half but were unable to score. The second half opened with some of the Flames' experienced players coming to the fore. Kerriane Hage began to take control at centre half-back while Ashlee Frost, after a couple of years out of the game, began to show she hasn't lost any of her attacking skills. Chelsea Redding, the Devils' goalkeeper, did a great job with veteran Joylene Button rebounding lots of Flames attacks. The longer the quarter went the better Frost became and eventually she scored to put the Flames up by one goal at three-quarter time. Both teams started to feel the strain of the heavy ground in the last quarter. The Devils attacked early in the quarter and Chloe Whittaker scored to even the game. The Devils had several opportunities to score and, with Tamara Gates playing well, it appeared as though the Devils might even the scores, or perhaps take the lead. Several times during this period Stef Treloar and K Hage took control of the ball and cleared it out of the D to thwart the Devils' scoring chances. Lesley Dutschke who had been solid all game, was able to grab some of these clearances and run the ball into the Flames' forward line giving Frost the opportunity to run onto the ball. Frost and K Hage scored to put the game out of the Devils' reach in an entertaining and good standard first game of the season.

**Kadina Bears 4 d Kadina 2.**  
*Best:* Amelia Pedler, Mackenzie McCauley, Jami Weinle, Rachel

Mattschoss, Rebecca Smith, Lucy Daniel. *Goals:* Amelia Pedler, Nissa Westbrook, Jami Weinle, Nikki Crickmay; Lucy Daniel 2.  
**MEN**  
**Kadina Spartans d Yorke Valley (forfeit).**  
**Moonta Lions 10 d Moonta Demons 3.** *Best:* Alex Oakley, Paul Williams, Tim Linke; Jordan Harvey, Josh Badenoch, Rhys Flowers. *Goals:* Alex Oakley 4, Mark Boakes 3, Tim Linke 2, Kevin Dyson; Jordan Harvey 3. *Report:* Saturday's showdown was a good game despite what appears to be a one-sided score line. The Demons were off the mark early in the game with Jordan "Striker" Harvey getting off the leash twice to score in the first 10 minutes. The Lions were a little dazed after Harvey's excellent strikes but were able to steady the ship. The back-lines tightened their defensive game with half-backs Brianna Stewart and Austin Wendes leading the way, while full-back Nathan Roach also started to rebound the ball more strongly from the Lions' defence. Alex Oakley, playing on the wing, flashed into the game and scored twice with a couple of nicely timed, balanced, precision hits. The Lions were back in the game. Demons' midfield, headed by Rhys Flowers and supported by Braden Frost, was unable to score in the second quarter, while the Lions managed another two to go to halftime 5-3. Lions' more experienced players started to get the upper hand on the less experienced Demons who were trying their hardest. Lachlan Mill, Blake Bowden, Max Ward and Ben McLauchlan are all young players who will improve as the season progresses. The Lions' midfield, with Mark Boakes and Paul Williams dominant, and Tim Linke roving around the forward lines, started to put huge pressure on the Demons' defence. Demons goalie Josh Badenoch faced an avalanche of shots on goal from a hot Lions attack, and the more times the Lions hit the ball at him, the better he got. The game ended with a convincing win to Lions, but Demons showed great fight and resilience and, providing they keep working on their fast-flowing, open play, they can expect to be competitive. At the end of the game Lions coach Boakes thanked all the players for getting the season off to a good start. He also thanked Sarah Andrews, Stef Treloar and Kerriane Hage for playing for the Demons. Stewart is also going to play for the Lions this season and the Moonta Hockey Club thanks the women for supporting the men's teams.

# Norwood honours for Neil

Peter Argent  
REPORT BY

Neil Craig was one of four new inductees to the Norwood Football Club Hall of Fame earlier this month.

Craig, who started playing with Maitland Football Club as a junior, was joined by Tom Woodroffe (circa 1930-39), Mervyn Roberts (1946-56) and James Gallagher (1999 to 2012) in receiving recognition.

Craig grew up on his family farm at Sandilands and said he remembers his first game of junior colts vividly.

"I can remember it like it was yesterday," he said.

"I was on bench for Maitland at Port Victoria, who wore maroon and white jumpers.

"At three-quarter time my coach said I would get an opportunity in the forward pocket.

"I had to come back to the coach to find out where the forward pocket was.

"I have some good memories of those early times.

"It was a full day out.

"After my game, I'd run the boundary in the senior colts and B grade, then attend to the scoreboard in the A grade game ... and maybe get a pasty as my day's pay."

Craig was the youngest of five siblings, Leslie, John, Gavin and Ian, who all went to Adelaide for secondary schooling.

"Norwood had a visionary called Bert Baulderstone," Craig said.

"You need to remember that back in those days that while suburban Adelaide was zoned, country SA was open slather.

"He built a great social club and also a boarding house for young footballers from the country called Carmel Court.

"I lived at the boarding house for a

period with my brother Ian, and they were some of the best times of my life."

Craig won the 1971 McCallum Medal for the fairest and most brilliant player in the SANFL Colts (under 17s) at age 15.

Playing as a centreman, he was believed to be the youngest winner of the medal at that time.

The following season he was awarded the Tomkins Medal, for the best player in the SANFL Under 19s competition.

Craig made his league debut early in 1973, aged just 17 and he played seven senior games for the year.

Showing great enthusiasm and professionalism beyond his years, Craig further developed his skills and fitness and played 20 games in 1974, winning Norwood's most improved player award.

In 1975 he made another 21 league appearances and was an important contributor to the side which broke the club's 25-year premiership drought by defeating Glenelg in the grand final.

Craig played 124 games for Norwood between 1973 and 1979, including the one-point grand final victory against Sturt in 1978 and the 1977 Ardath Cup win.

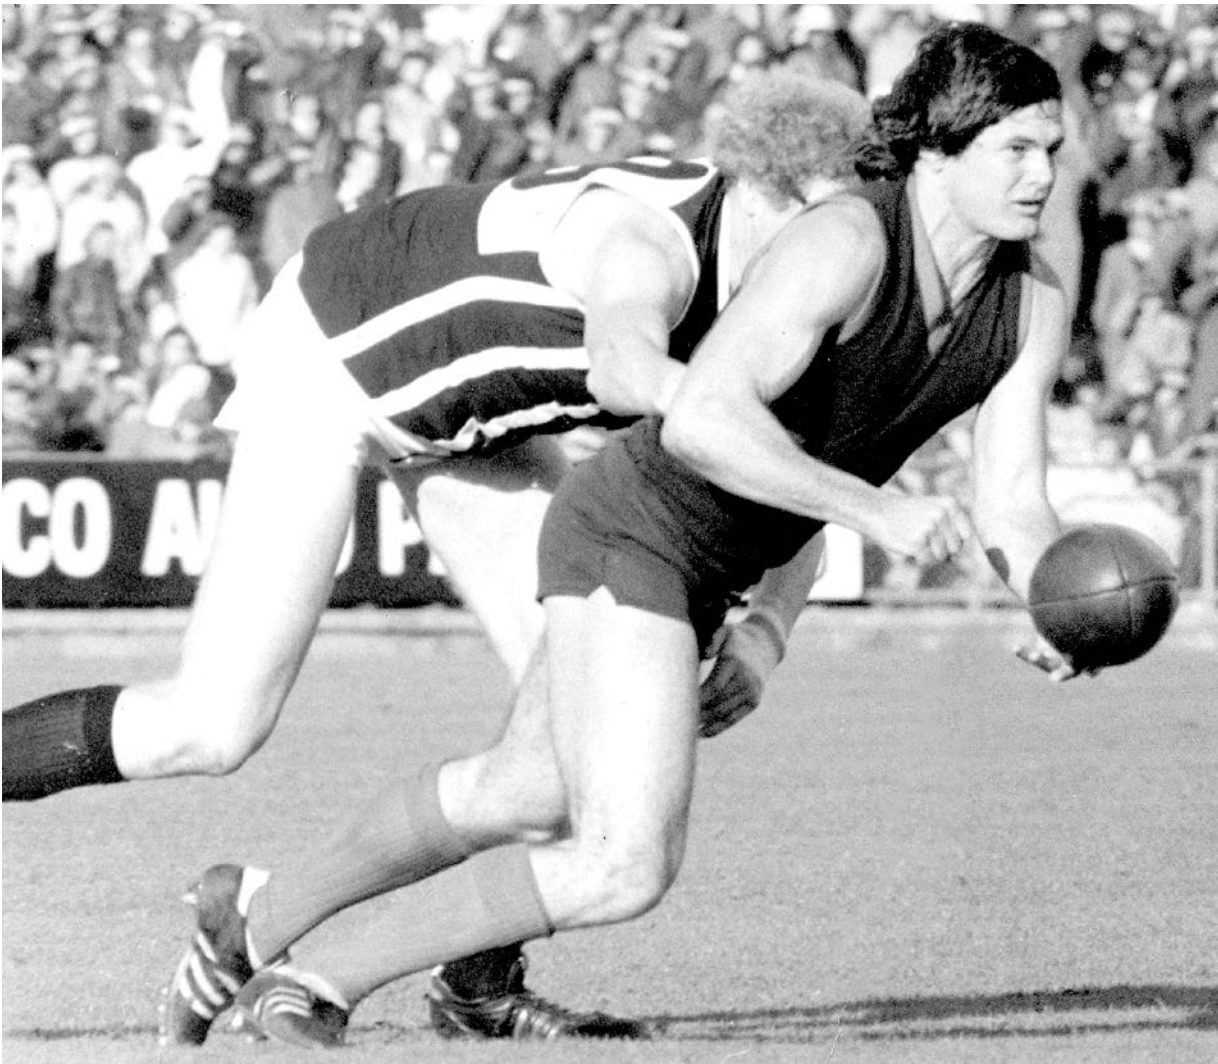

He claimed a club best and fairest in 1977 and then played a further 134 games for Sturt, where he captained the side for two seasons.

Craig moved to North Adelaide in 1987 and played 61 games for the club, as well as representing South Australia on 11 occasions and was named captain in 1984.

He played a further 134 games for Sturt and captained them for two seasons, before moving to North in 1987 and playing 61 games.

"I always had an unbelievable passion to play league football," Craig said.

"Over the journey it's the people you

HALL OF FAME... Sandilands' Neil Craig in action for Norwood against Port Adelaide in the 1970s.

meet along the way.

"There is a connection to Oatey from the local district, as Jack's son Robert was my first league coach at Norwood.

"I went across to Sturt and played under Jack Oatey and alongside Port Victoria footballer Rick Davies and Paul Bagshaw, two greats of SA football.

"Rick's grandfather and my grandmother Irene are brother and sister."

Craig returned to Norwood in 1991 as senior coach and spent five years at the club before using his sports science qualifications as fitness guru for the Adelaide Football Club under Malcolm Blight.

He became the Crows' senior coach from 2004-2010, and also served as caretaker coach at Melbourne, general manager of performance at Essendon and director of coaching at Carlton.

# Cross Roads indoor cush bowls report

## Results 22-4-22

With 10 members away last week, the majority of teams played with fill-in players.

Well done to junior players Reef Mackereth and Bella Osborn who filled two of the gaps. One is new to the game and the other played pre-Covid; both bowled extremely well.

Four of the six games were even.

Opals had their first win for the season defeating Miners 14-13.

Minties and Rubies played without their captains, Minties narrowly defeating Rubies

13-11.

Emeralds and Ring-Ins also had a close game, Ring-Ins the victors 13-12.

On the other side, Roulettes had a convincing win from Cobalts 18-10.

A competitive game between Wombats and Cousin Jacks finished with just one point the difference, 14-15.

Goannas showed no compassion for Eagles finishing with the biggest margin for the night, 17-5.

# GOLF

**Alford Sunday: Results 24-4-22** — The course is still dry but 10 players still enjoyed a round of golf. Winners were Wayne Johns, David Hollands and Richard Bettess with the help of Strath Roberts who I’m sure helped them over the line! The meat tray went home with Daryl Bussenschutt. The pond has started collecting for the RFDS with two players making donations this week. Thank you sponsor of the week Copper Coast Funerals for your continued support. Good hitting. *ER*

who had a good day. A big thanks to all who helped in last week’s fundraising efforts. President Eyvonne Price expressed her gratitude to all who contributed. It was a massive effort and your efforts are appreciated. *“Hit ‘n’ Hope”*

**Yorketown Saturday: Results 23-4-22** — There was a good field and fine but windy weather for the annual DA Huston Par Competition. Winner Henry Johnson 2 up c/b r-up Cody Barlow; Ian Hoile, Mort Giles, Kevin Tubb 2 dn; Klaus Eisner 3 dn; Ed Johnson, Will Murdoch 4 dn. NTP: 7/16, Steph Bajcarz; 14, Peter Bajcarz; second shot 3/12, Henry Johnson. Dollar hole: 5, Ed Johnson and Cody Barlow. Most fairways: Kevin Tubb, Colin Hincks 15. Thank you to Dennis for sponsoring the day. The course is in lush green condition and we look forward to seeing a few more faces out soon as we prepare for a busy month in May. The men’s open is on Sunday 15th, Seven Roads Challenge Saturday 21st, and YPGGA Foursomes Saturday 28th. This Saturday will be the first club championships qualifying round. We will also be holding our first family tea for 2022 and extend a warm welcome for anyone interested to join us from 6pm. All welcome for an enjoyable round. *TFM*

**Wallaroo Rifle Club: Results 23-4-22** — An unusual fish tail wind prevailed as the final of the McLean Family Trophy was shot at 500 metres. Twelve enthused members turned up ready to put their claim on the trophy but conditions prevailed and Jeff Dayman carved his name on it. Only one possible was scored this week by Rhyder Atkinson, a few dropped their last shots with despair, and also one in the extra rounds by John Shobbrook. Top off-rifle for target rifle was Rhyder Atkinson who also grabbed the handicap from Jeff Dayman. FO top off-rifle was Alan Murray with Keven Hadden securing top FS and also the FC handicap. Results, target rifle: R Atkinson 49.3, 50.6, 99.9, 0, 99.9; J Dayman 49.4, 48.2, 97.6, 2, 99.6; M Dayman 48.6, 47.2, 95.8, 2, 97.8; A Dayman 45.2, 45.2, 90.4, 7, 97.4. # Moonta Dirt Bike Club

Moonta Dirt Bike Club held its second meeting for the season on Sunday, April 24.

The day's race card consisted of scratch races, handicaps and a pony express.

The enduro track was incorporated throughout the day with riders facing different challenges each race.

Although dust was a problem, again the riders still enjoyed the day. Several visitors competed and gave positive feedback.

In the sub-juniors, Kye Smith battled hard all day and took first place honours.

Brothers Connor and Reece Osborn tied for first place in juniors and could not be split.

Sister Bella Osborn gained first place in the intermediate class with Dale Leicester hot on her trail in second, and Peter Formosa and Isaac Chamberlain tied for third.

Seniors had two scratches, a handicap and a pony express. Top riders were Brody Chamberlain first, Daniel Baker second and John Osborn third.

Thanks to all our helpers who made the day run smoothly.

REPORT BY

**AFL**

After an extremely sloppy first quarter by both clubs, Port Adelaide ran away with the game against West Coast at Adelaide Oval on Saturday afternoon, April 23.

Port kicked seven unanswered goals in the second term to set up a one-sided 84-point win.

Lachie Jones, Bute, was the medical sub after missing the previous week due to health and safety protocols.

He replaced Robbie Gray during the third quarter, and ran hard for the remainder of the contest. Jones finished with four disposals, including three handballs, one which set up a brilliant goal and laid a couple of tackles.

Carlton faced off against Fremantle under lights at Optus Stadium, Perth, on Saturday, April 23.

The slick Dockers won by 35 points, despite the Blues making an early last-quarter charge.

Port Broughton's George Hewett had another high-possession game.

He collected 30 disposals (15 kicks and 15 handballs), along with four marks, eight tackles and six clearances.

In an ultra-consistent start to the season, Hewett has averaged 30 disposals per game across six rounds.

**SANFL league**

South Adelaide was goalless until halftime against North Adelaide on Saturday afternoon.

While South kicked 6.7 to 2.7 after halftime, North still won by 11 points.

In a game where the defence was generally on top, Wallaroo's Jake Summerton was a strong contributor again.

He finished with 13 possessions, including 10 kicks, five marks and a tackle.

Port Adelaide played Sturt at Alberton Oval on Sunday, April 24.

The Double Blues defeated the Magpies by 13 points, 9.9 (63) to 7.8 (50).

Bute's Lachie Jones came back and played his second game in two days, finishing with a respectable 14 disposals, five marks and a

tackle.

The Anzac Day grand final rematch between Glenelg and Woodville-West Torrens at Maughan Thiem Kia (Woodville) Oval proved to be a heart stopper.

A goal at the 27-minute mark of the final term by Bays youngster Reid Kuller helped his side get up 13.6 (84) to 12.7 (79).

Veteran Matthew Goldsworthy (Curramulka) was solid with 11 possessions and Max Litster (Minlaton), in his first league game for the season, secured 12 touches.

**SANFLW**

North Adelaide snatched a one-point win against Central District at Prospect on Saturday.

Moonta Bay's Jaimi Tabb scored the winning minor score in the 21st minute of the final quarter.

The Bulldogs, after being the better side in the first half, held a 10-point lead at the long interval but, despite being highly inaccurate, the Roosters held on to win 4.10 (34) to 5.3 (33).

Tabb, who was playing her first game since round 5 due to work commitments in the army, finished with 12 possessions, including 10 kicks, three marks, five tackles, three clearances, a goal and two behinds.

Sturt played South Adelaide at Wigan Oval in a clash which was important to the Panthers' finals hopes.

In a low-scoring affair, the Double Blues collected a 15-point triumph, 4.4 (28) to 2.1 (13).

Now 34 years old, Nari Wright (Curramulka) continued her strong season.

Wright finished with 12 disposals, a couple of marks, a tackle and a clearance.

South is one game behind fourth-placed Norwood, and has Glenelg then the Redlegs to come before the end of the 2022 minor rounds.

**SANFL reserves**

Woodville-West Torrens won in a low scoring contest against Glenelg by 13 points, 8.10 (58) to 6.9 (45).

Left-footer Will Pearce (Paskeville) snaffled an impressive 3.1 up forward from limited opportunities, while Lachlan Hoile (Stansbury) was constructive around the ball with 27 possessions, four tackles and a quartet of clearances.

Kadina's Will Neumann (16 touches), Zac Phillips (11 touches and 19 hit-outs) and Charlie Adams (one goal) also had an impact.

**SANFL under 18**

Woodville-West Torrens' tough start to the season continued against Glenelg on Saturday.

This time the Bays inflicted an 80-point defeat on the Eagles, 18.10 (118) to 5.8 (38).

Jonte Hunter-Price (Wallaroo) was the leading ruckman in the game with 33 hit-outs and 12 touches.

Will McKay (Bute) secured 12 possessions across half back.

"Connor Knight from Paskeville played his first game of under 18s with us and did a few good things," Eagles u18s coach Shane Reardon said.

"He was under the pump in our defence and held up well with a strong attack on the ball.

"Jedd Thomson (Paskeville), Jordan Tilbrook (Southern Eagles) and Riley Davey (CY Cougars) are still sidelined with Covid protocols."

**SANFL under 16**

Glenelg had a 58-point win against Woodville-West Torrens, 16.13 (109) to 8.3 (51).

Tom Luck (CY Cougars) was the pick of the YP lads, with 18 hit-outs and three clearances to go with 16 disposals and a goal.

**VFL**

Boyd Woodcock's stunning start to the 2022 season continued in the Southport Sharks' round 5 clash with the Western Bulldogs.

The Sharks came from behind to snatch a five-point victory deep in the game, 13.11 (89) to 12.12 (84).

Woodcock, along with Jacob Dawson, was simply dominant in the win.

The Bute/Paskeville junior finished with 28 disposals, nine tackles and nine clearances.

**Suncorp Super Netball**

Sydney Swifts were defeated by the Sunshine Coast Lightning in Sydney by seven goals on Saturday.

Sarah Klau and her Swifts lost 62-69 after being four goals down at the end of the first quarter.

Klau (Yorketown) was credited with an intercept and conceded 13 penalties in this contest.

AFL... George Hewett has continued his ultra-consistent start to the season, averaging 30 possessions per game.

SANFL UNDER 16... Tom Luck wins a ruck tap for Woodville-West Torrens against Glenelg.

## Hardwicke home soars to \$1.36m

A HARDWICKE Bay beachfront home has sold for double its opening bid of \$650,000.

The Foreshore Road property attracted 11 registered bidders topping the expected sale price of \$650,000.

Two parties placed 27 competitive bids which resulted in the final sale price soaring to \$1,360,000.

The listing also received 78 email enquiries from potential interstate and overseas buyers.

Harris Real Estate property consultant Lana Bennett said she encouraged the owner to take their home to auction.

"I was confident the property

would generate strong buyer enquiry and achieve a great result for the owners," she said.

"Auction hasn't traditionally been a preferred method of sale on southern Yorke Peninsula; however, with the huge demand for beachfront homes, auctions have been producing great results in the current market conditions.

"This sale was an outstanding result for the area with numerous educated and active buyers missing out.

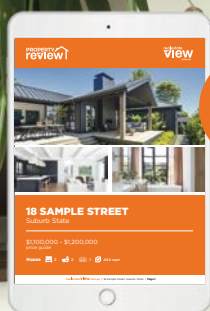

"We were hoping the home would achieve a record result and to say the outcome exceeded expectations is an understatement."

**RECORD BREAKERS...** Harris Real Estate auctioneers Jarred Stamoulis and Naomi Perrett, as well as property consultant Lana Bennett, happy to see this Hardwicke Bay beachfront home snapped up for an outstanding price.

## Wallaroo T-Ports site closer to completion

**Jess Liddy**  
JOURNALIST

T-PORTS' new Wallaroo bunker and port facility is edging closer to completion.

One steel silo has been fully erected at the site, on the corner of Chatfield Terrace and Cresco Road, with the second one on its way up — storage capacity will be 20,500 tonnes of grain.

Construction on the nearby bunker site will begin in early May and be completed by October just in time for the 2022-23 crop intake. The six bunkers will have a total capacity of 240,000 tonnes of grain.

The 500-metre rock causeway is progressing well with the build predicted to be done by the end of the year/early January.

Overall, the first ship is expected to reach the site from March 2023.

T-Ports CEO Kieran Carvill said there had been a huge amount of support from growers.

"The site will be ready to receive grain for harvest 2022-23 and the company is looking for-

ward to offering competition in the grain supply chain for Yorke Peninsula and Mid North growers," Mr Carvill said.

"Grain will be carried via an enclosed conveyor along the causeway, loaded onto the transshipment vessel, then transported to bulk carriers anchored offshore.

"We have a construction licence in place and are working with the government and

Narungga Nations to extend through the appropriate portion of land.

"We have a partnership approach and will continue to coexist with the stakeholders because it is important we get it right.

"For now there is restricted access on the causeway side for safety and security reasons but we can assure the community when the work is done there will be

**UPDATE... Crane rigger Tyler McRae, Allied Grain Systems project engineer Rodney Howell, crane operator Matt Meyers and T-Ports site manager John Stevenson in front of one of two steel silos being erected to store up to 20,500 tonnes of grain capacity at the T-Ports Wallaroo site, along with 240,000T bunker capacity.**

public access on each side to enter the beach.

"Australian company, Allied Grain Systems, is leading the port construction and we will look to utilise South Australian expertise and contractors as we have done at Lucky Bay, with up to 150 jobs to be created during the construction phase."

The project is estimated to cost \$80 million and be fully operational by March 2023.

### Establishing an agri-freight task group

A GROUP of locals has been working toward creating an agri-freight taskforce for the Copper Coast.

The group includes Regional Development Australia Yorke and Mid North's Jo-anne Buchanan, Copper Coast Council CEO Russell Peate and local farmers.

A need for a plan for regional roads was highlighted as there will be a significant increase in freight movements to Wallaroo with the new T-Port facility.

"We need to identify a medium to long-term strategic approach to freight route infrastructure improvements," Ms Buchanan said.

"We want to minimise, where possible, the interface between truck movements in townships, in particular where issues of safety are of concern and to consider domestic and tourism traffic interface issues.

"Port Road, Kadina, and Blanche Terrace, Moonta, are two key roads of concern regarding truck movements and interaction with traffic activity, businesses, schools and tourism."

A report on the agri-freight taskforce, whether it be established, and who would be involved, will be presented at Copper Coast Council's May meeting for consideration.

PREPARATION... Curramulka farmer Craig Hickman prepares for the seeding of his 2022 crop.

## Seeding begins across the leg

**Nigel Parsons**  
JOURNALIST

FARMERS across Yorke Peninsula will capitalise on good sub-soil moisture and begin seeding this week.

While some will wait a little longer in the hope of early winter rain, most will be underway by the first week of May.

Curramulka farmer Craig Hickman, who runs a mixed farming operation with wife Abigail, will begin seeding this week.

The Hickmans are bucking a trend across the industry which shows more and more farmers going totally into cropping and getting out of sheep.

"We run 700 breeding merinos in conjunction with our cropping program so as to not have all our eggs in one basket," Mr Hickman said.

"Being able to control weeds, giving paddocks a bit of a spell from chemical is something I quite like and we enjoy running sheep as well.

"We're putting in around 800 hectares of crop this year made up of 60 per cent cereal and 40 per cent legumes with some winter pastures in that mix."

Mr Hickman said he is much happier with the subsoil moisture this year compared with last season and thinks conditions for germination are excellent.

"The soil moisture probe is showing good soil moisture so I'd be pretty confident about germination," he said.

Mr Hickman said the price increases in inputs have been scary but it's (the inputs) something he has to have.

"Urea prices have doubled and that hurts so the big question this year is going to be how much we throw at it," he said.

"We'll be doing some urea spreading but it's going to be managed a lot harder than it ever has been because of the price.

"We'll be watching things closely and doing some deep end tests to see what's there and what is available to the plant before we just throw more money at it."

## GRDC seeks industry input

GRAINS Research and Development Corporation is asking growers where they think the industry should be in the future.

The organisation is asking stakeholders including growers, advisers and researchers to have input into its new five-year plan which will guide research, development and extension funding from 2023 to 2028.

"This brain-storming stage will be the first opportunity for growers to contribute their insights and perspective on the drivers, threats and opportunities for the grains industry," GRDC chairperson John Woods said.

"Recognising people are busy, GRDC will provide multiple opportunities for consultation and feedback between now and February.

"It is critical industry has an opportunity to be involved and engaged in the development of the plan, which would guide targeted and strategic RD&E investment into the future.

"Grain growers manage about four per cent of the Australian continent covering an estimated

22.4 million hectares, and this year growers will contribute more than \$20 billion to the national economy, so they play an important part in delivering economic and environmental outcomes on behalf of the broader community.

"It is important we understand growers' needs and priorities, so research dollars are invested in RD&E that yields results; for this we need industry input, guidance and support during the consultation phase."

Mr Woods said the current RD&E plan had prioritised investments designed to improve growers' bottom lines.

"GRDC is looking forward to exploring growers' insight and appetite for a longer-term focus on transformation research that comes with higher risk, higher reward ratio," he said.

"When we launched the current RD&E plan in 2018, feedback from growers showed they wanted us to achieve more in our portfolio and be less conservative with a clear focus on the future, including more agile and respon-

sive to immediate needs.

"The current RD&E plan continues to deliver impactful research outcomes for industry with gains in varietal development, agronomic, crop protection and the climate challenge space to name a few areas, but there is still more to be done."

The next plan will determine where GRDC invests as well as its priorities.

"Australian grain growers are recognised globally as innovative, resilient and highly efficient, with proven abilities to adapt," GRDC managing director Nigel Hart said.

"Through this plan we want to deliver ambitious, diverse RD&E that supports and improves their production and profitability.

"This means identifying and maximising the opportunities and looking at a five-year RD&E plan that discovers and deploys new solutions and innovations to set the sector up for 2030 and beyond."

## Fine tune your fertiliser decisions

GROWERS looking to refine their fertiliser strategy are encouraged to use test strips this season.

Grains Research and Development Corporation has published a new fact sheet outlining how to set up fertiliser test strips and use the data to make decisions.

"Fertiliser test strips are sections of a paddock which are set up to compare the impact of different rates of nutrient on crop growth and yield," Agronomy Solutions director and GRDC leader Sean Mason said.

"Application rates can be estimated using pre-season soil testing results from within paddock zones and then test strips can verify the effectiveness of those rates and whether in-season applications of fertiliser are warranted.

"Often the fertiliser rate used by the grower in the paddock is compared a strip where fertiliser is applied at a higher rate or a strip with low-to-no levels of nutrient applied."

Dr Mason said test strips can be used for any nutrient; however, nitrogen test strips are the most common and can help growers to decide on top-up rates during the season.

"For nutrients only applied at sowing, such as phosphorus and zinc, test strips can gauge the effectiveness of the seeding application and whether any adjustments to fertiliser use need to occur for future crops," he said.

Comparing responses in fertiliser strips between different zones in the paddock can help growers and advisers understand what is limiting crop growth and yield.

"If the crop in the high rate of fertiliser strip looks better than grower rate, then increasing the application rate of that nutrient may boost crop performance, provided soil moisture is sufficient," Dr Mason said.

"If plants in the high or low-rate strips are responding the same as those in the grower rate strip, decreasing rates may save money.

"It is important to remember other factors such as soil constraints like acidity or compaction need to be considered, as they may be limiting growth and the response to fertiliser."

## Trials confirm new cereal herbicide benefits

### Advertising Promotion

RECENT trials have revealed Bayer's Mateno Complete herbicide has achieved better weed control and grain yields than existing benchmarks.

Mateno Complete is a triple mode of action grass and broadleaf weed herbicide which can be applied as a pre-emergent in wheat (not durum wheat) and barley or early post-emergent in wheat (not durum wheat).

It contains a new herbicide mode of action, aclonifen (Group 32), in a complementary co-formulation with pyrooxasulfone (Group 15) and diflufenican (Group 12) herbicides.

Incorporated by sowing (IBS) applications of Mateno Complete in wheat and barley are expected to provide powerful and reliable control of grass weeds, while early post-emergent (EPE) applications in wheat will offer the benefit of weed control across the complete soil surface, including in the furrow, on

the furrow shoulder and in the inter-row.

"Multiple trials were conducted in every major winter grain growing state last season, putting Mateno Complete to the test across a broad range of soil types, environmental conditions and with different seeding systems," a Bayer spokesperson said.

"The new herbicide can be used with disc seeders in wheat, which is expected to please growers with these systems who have had limited herbicide control options available to them previously."

Bayer SA market development agronomist Tim Murphy said two replicated wheat trials were held in SA to test the product.

"The IBS application of Mateno Complete at 1 L/ha achieved a 44 per cent increase in yield when compared with the untreated plots, surpassing yields delivered by Overwatch applied at 1.25 L/ha and Luximax applied at 500 mL/ha by 12 to 22 per cent," he said.

"In the EPE timing, Mateno Complete was applied at 1 L/ha following an IBS application of Boxer Gold applied at 2.5 L/ha and it resulted in a further five per cent yield increase when compared with the untreated plots.

"In wheat, when a grower uses Mateno Complete as an early post emergent application, they can achieve control or suppression of key grass and broadleaf weeds, as well as extend the window of activity to control later germinating annual ryegrass.

"IBS applications of Mateno Complete offer a high level of control of annual ryegrass, barley grass, annual phalaris, silver grass and toad rush, and suppression of wild oats, great brome and capeweed.

"Used EPE in wheat, it provides control of small silver grass, toad rush, wild radish, capeweed and prickly lettuce and suppression of annual ryegrass, barley grass and doublegee/spiny emex."

**GRASS SUPPRESSION...** Bayer SA market development agronomist Tim Murphy said the new Mateno Complete herbicide can give growers control or suppression of key grass and broadleaf weeds.

## Starscopes

**♈ ARIES—March 21-April 20**

More obligations are cramping your style and some of the many entertainments scheduled will have to be shifted. Ideas are bright now, but absentmindedness can strike on the weekend.

**♉ TAURUS—April 21-May 22**

You are a shrewd Taurus this week, pulling the strings at the very right moment. Still, an ambitious financial plan may need an additional review before you put it into action.

**♊ GEMINI—May 23-June 21**

Watch out that you are not becoming a nag. Loved ones need more breathing space than ever now. Mentally, this is a bright time for you right now. There may be some public speaking later in the week.

**♋ CANCER—June 22-July 22**

You tend to be unrealistic until the weekend and yet you still manage to get results. Relatives may be claiming more time than you are prepared to give. Speak up promptly.

**♌ LEO—July 23-August 22**

When it comes to practical matters, you are shining now. But emotions on the other hand, can easily run out of control. Unconventional decorating ideas around the home can be too offbeat - even for you.

**♍ VIRGO—August 23-September 22**

It's easy to become so involved in domestic problems that you forget your need for more outdoor relaxation. Let loved ones pamper you. Postponements later in the week are for the best.

**♎ LIBRA—September 23-October 22**

Add some elegance to your appearance. In fact, more panache in your general style will win you admiration and affection. Earlier in the week focuses on romance and the weekend on work.

**♏ SCORPIO—October 23-November 21**

Sports activities do a great deal to perk up your general attitude - and your outlook right now. The weekend includes an encounter with someone you may be politely avoiding.

**♐ SAGITTARIUS—November 22-December 22**

It looks like a big battle is brewing, but it fizzles out and hostilities turn to a renewed friendship. Money making opportunities open up. Be sure you know what kind of investment is required.

**♑ CAPRICORN—December 23-January 20**

The week's keyword is diversify. Take on new interests and hobbies and look for new responsibilities, especially at work. Minor shifts in financial affairs and domestic obligations take place now.

**♒ AQUARIUS—January 21-February 19**

If you are travelling now, there can be lots of surprise benefits - especially the ones that are romantic in nature. A new person in your life may shock you after the weekend.

**♓ PISCES—February 20-March 20**

A shift in roles can take place with your romance or business partner. Evenings are quieter than they have been lately. A recent financial query is answered - and to your satisfaction.

### BIRTHDAY THIS WEEK

You are modest, tidy, analytical, good natured, calm and with a definite air of mystery - but you are also seen as a loner. Mingling is essential in the coming months. There is an abundance of possibilities, financial, romantic and social, but you have to be around to be appreciated.

## The Voice blind auditions a hit

THE Voice is back on our televisions for another year.

The show always starts with the blind auditions (probably my favourite part) where contestants sing on a stage in front of an audience; however, celebrity judges including - Keith Urban, Guy Sebastian, Rita Ora and Jessica Mauboy - have their backs to the contestant.

The person on stage then has to sing their heart out in order to make a judge, or all the judges, turn their chairs.

If one judge turns the contestant is placed on their team for the next stage of the show, but if more than one turns, the contestant gets the opportunity to choose.

I have been absolutely blown away by the talent gracing our screens this season, and so many of the contestants are so young which is even more impressive.

The contestants who successfully pass the blind auditions proceed to the battle rounds, where the coaches put two or sometimes three of their own team members against each other to sing the same song together in front of a studio audience.

THE VOICE... The Voice judges include Keith Urban, Guy Sebastian, Rita Ora and Jessica Mauboy.

After the vocal face-off, the coach must choose only one to advance.

The Voice is also hitting a high note for Channel 7 bringing in some of the top ratings and finishing as the top entertainment program for consecutive nights in a row.

And I understand why - the emotion, the stories and the voices are worth it!

## #Throwback

This day in history

**April 27, 1810:** Ludwig van Beethoven composes his famous piano piece Für Elise.

**April 27, 1904:** The Australian Labor Party under Prime Minister Chris Watson becomes the first Labor government in the world.

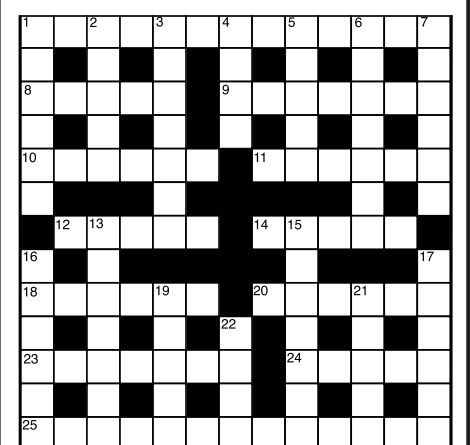

**April 27, 1989:** Protesting students take over Tiananmen Square in Beijing, China.

## What's been Trending

**Phillips goes home:** Olympic legend and AFLW premiership player Erin Phillips has been announced as Port Adelaide Football Club's inaugural signing ahead of its debut AFLW season. Phillips won three premierships with cross-town rival Adelaide, a league best and fairest, and has been named in the All Australian side three times.

**Wimbledon welcome Djokovic:** The All England Club has announced Novak Djokovic will be allowed to defend his Wimbledon title, despite his vaccination status. While it is encouraged, club chief executive Sally Bolton said proof of vaccination against Covid-19 will not be a condition of entry.

COMMUNITY LAND  
MANAGEMENT PLAN

Public Consultation Notice

Barunga West Council proposes to make amendments to the Community Land Management Plan (CLMP) for the parcel of land identified as Section 525, Hundred of Mundoorra, West Terrace, Port Broughton.

- The Land has a total area of 1.4 hectares.
- The Assessment number is A15930
- Certificate of Title CR5755/693 (Crown Record)
- Valuer General number 9406512605

The proposed amendment will allow the construction of a Tourist and Events Centre in the future. The amended CLMP has also been updated in accordance with the requirements of Section 196 of the Local Government Act 1999 to include Objectives, Performance Targets and Performance Measures for the management of the land.

Pursuant to Section 197(1) of the Local Government Act 1999, before a council adopts a management plan for community land it must:  
(a) Make copies of the proposed plan available for inspection or purchase at the council's principal office; and  
(b) Follow the relevant steps set out in its public consultation policy.

The draft amended CLMP can either be downloaded from Council's website [www.barungawest.sa.gov.au](http://www.barungawest.sa.gov.au) or you can obtain a hard copy from Council's principal office located at 11 Bay Street in Port Broughton.

In accordance with Council's Public Consultation policy, the public consultation will commence on Tuesday, 27th April, 2022 and conclude 21 days later on Wednesday, 18th May, 2022 at 5pm.

Council welcomes your comments on the Amended Plan.

DEFENCE PROOF & EXPERIMENTAL  
ESTABLISHMENT PORT WAKEFIELD:  
LIVE FIRING RANGE WARNING NOTICE

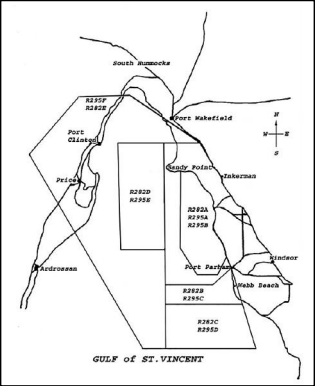

Test and evaluation activities involving static firings and/or firings of naval and artillery weapons are conducted at the Proof and Experimental Establishment Port Wakefield throughout the year. The Proof and Experimental Establishment Port Wakefield is a vital Defence test and evaluation capability that has supported Defence since 1929.

These firings may require specific tidal or weather conditions, and are critical for the safety of current and new Defence capabilities. Members of the public may notice noise, vibration, flashes and/or smoke during the testing. There is no risk to the public outside of the gazetted Defence Practice Areas.

For reasons of public safety, there is a permanent exclusion zone covering land, sea and air around the Port Wakefield Establishment. Specific details on the Port Wakefield Prohibited Area can be obtained from Commonwealth of Australia Gazette No GN 26, 4 July 1990, and is shown on the diagram below. Trespassing in this Area is strictly prohibited and very dangerous due to the presence of unexploded bombs. Any person found within the Prohibited Area or on Defence land will be subject to prosecution.

Specific test and evaluation activities may also require restricting public access to the Port Wakefield Defence Practice Areas over specific periods with these areas articulated in the Commonwealth of Australia Gazette No. GN 40, 7 October 1992, and also identified on the diagram below. This may affect access to the Gulf of St Vincent at Port Wakefield and Port Parham.

If any member of the public has inquiries in relation to these activities, please contact Proof & Experimental Establishment Port Wakefield - Range Control on (08) 8867 0270 between 8.00am and 4.30pm weekdays or the Proof & Experimental Establishment Port Wakefield - Security Office on (08) 8867 0299 outside these hours.

Mail Delivery Contracts

Australia Post is seeking tenders from companies, or persons willing to form companies, to deliver mail under contract arrangements in the delivery area listed below. Australia Post has a commitment to providing a consistent and personal service to its customers. Therefore, as far as practicable the successful tenderer should be able to supply the same commitment to deliver the articles each day in the delivery area.

The successful tenderer will have sufficient time to make arrangements to comply with the conditions of the contract, including the procurement of a suitable vehicle. Training will initially be provided to the successful tenderer, who is then required to train its own personnel.

All genuine tenders and enquiries are welcome. However, Australia Post is not obliged to accept the lowest or indeed any tender and reserves the right to accept or reject any or all tenders if it considers that it is in the interests of Australia Post to do so.

**INVITATIONS TO TENDER FOR DELIVERY SERVICES**  
Tenders are invited for the delivery of mail from **1st July, 2022** for the following delivery area.

**LAMSHED, Murray Samuel.**

Dad,  
I'd go out with you when you went to feed the sheep, sitting on the back of the ute and tipping out the grain. I'd jump off the back of the ute to open the gates. Sometimes you'd let me drive the ute home. I was a girl who wanted to be out with her dad. I miss you so much and I always will.  
Love Jenny. xxxxx

Murray,  
I remember your words following each game, The look of pride when your daughter took my name. The simple joy of sharing a meal at our table, And the telling of many a farming fable.

There were stories of old, of schools, ponies and traps, Of bikes, bags, lions and sheep.  
These are the memories of you I will forever keep.  
David.

Pa,  
Your labour is done, your time now with Nana. No more you must wait. Your legacy lives on, and your love of the land. Elizabeth, Nick and great-grandbaby.

Pa,  
When I look back, I remember your big heart with many stories told, In agriculture you were an innovator, wise and bold. Your passion and knowledge have left big boots to fill, And I will always try to live up to this still.  
James.

Deaths

**LAMSHED, Murray Samuel.**

Dear Dad,  
You were my mentor, my role model,  
You encouraged and inspired me,  
You listened,  
you guided me,  
You instilled values.

Most of all you loved me and made me proud.

A special, kind, loving, wise, caring, and generous dad with a golden heart devoted to his family and then farm.

Your achievements were many.

You filled my life with so many beautiful memories to treasure.

I am eternally grateful for the gift of you in my life. My love for you will forever shine bright.

Close in my heart you will always stay.  
Loved and remembered every day.

Reunited with our beautiful Mum.

Lots of love, Sue. xxxxx

In Memoriam

**PLATT, Russell (Platty).**  
2nd May, 2009.  
Dear Russ,  
I still remember the little things, the shared smiles, the warm hugs, the laughter and the treasured love.  
I am thankful our life shared was just so special!  
Love you, Vicki.

**PROUSE, Alan Clive.**  
9-3-1929 - 1-5-1982  
**PROUSE, Dorothy Phyllis.**  
3-2-1929 - 21-2-2017  
Years fly by like autumn leaves, but heartache and tears remain.  
All we have left are precious memories of you,  
For today, for tomorrow and until our lives are through.  
Always in our thoughts and hearts...  
Love Andrew, Erica and families.

**SMITH, Trevor John (Joe).**  
It's been 20 years since you passed away on 25th April, 2002, Anzac Day.  
We hope you know how much you meant to us all.  
We still think of you and talk about you every day.  
Such wonderful memories of a caring and loving person who never saw anything bad in anybody.  
We all just love and miss you in our own special way.  
Such wonderful memories.  
Loved by Barb, Shane, Paul, Janine and families.

Return Thanks

**HEWETT, Michael Keith.**

THANK YOU.  
Whether you kept us in your thoughts and prayers, sent a lovely arrangement, gave a memorial donation, or helped out in any way, your love and kindness brought us great comfort and will always be remembered.

The family of  
Michael Keith Hewett  
1-3-1972 - 25-3-2022

HOT FISHING TIPS

with Greg James www.gregjamesfishing.com.au

Welcome to the column with all the hot tips for fishing around Yorke Peninsula; contact Greg by email at [greg@gregjamesfishing.com.au](mailto:greg@gregjamesfishing.com.au).

**Wallaroo:** Reasonable fishing weather was pretty much the order of the day for the week between Easter and Anzac Day. A grain ship was at the jetty and another moored well offshore as jetty-based fishers tried for blue crabs, squid, tommy ruff (Australian herring) and garfish. Boat crews fished south of Bird Reef for King George whiting, blueys and squid.

**Moonta Bay/Port Hughes:** Many holiday-makers fished local sandy beaches for small mullet, tommyies and an occasional yellowfin whiting. Offshore, Cape Elizabeth has salmon trout, garfish and squid.

**Port Victoria:** Large KG whiting came from the Moorara wreck and Wardang Island north-east grounds last week, while blueys, gar and squid are around the Songvaar wreck and the jetty.

**Point Turton:** I sighted good catches of KG whiting to 38cm from here last week, from Port Rickaby grounds, The Banks and The Pines. A few large blue crabs were caught from the Port Rickaby jetty late on Saturday.

**Marion Bay/Stenhouse Bay:** Scattered showers swept through here late on Sunday afternoon as boat crews returned from Hillocky's, The Althorpes and Penguin Point with mixed bags of sweep, flathead, red nannygai, squid and whiting. Both jetties have tommy ruff, squid and salmon trout. Local shore-based fishing produced mullet and salmon trout at Browns Beach and the Dust Hole.

**Edithburgh/Stansbury:** Scattered mullet schools are at Wattle Point then along the coast to Klein Point and in past Port Vincent town wharf. Jetty-based fishing has an occasional bluey, tommyies and mullet. Boat crews have fished far and wide for whiting from the Tapley Shoals, gar and squid off Coobowie and snook from Marion Reef.

**Ardrossan:** There are still reports of night-time mulloway from the jetty, along with blueys and small ruff. Rakers have been at most local beaches over the Anzac Day weekend - from Billy Goat Flat to Tiddy Widdy and Port Clinton. KG whiting are generally small, but crews managed a legal feed from Gus Shoal and gar from Windara Reef on the drift.

*Tight lines and see you next week!*
