REPORT BY

SIX retired seafarers and their spouses could soon be evicted from their units on Jetty Road, Wallaroo.

The tenants were informed The Moorings Retired Seafarers Units, owned by the Sailors' Society, United Kingdom, had been advertised for sale late last month.

Pending the new purchaser's intention, the retirees, all aged 65 and

older, could be forced to find somewhere new to live.

Pat Nicholson, 88, has lived in one of the five units since they were built 19 years ago.

"When we first moved in, our contract had no expiry date and we were told this was our home for life," Ms Nicholson said.

"We paid our rent to the Sailors' Society committee in Port Adelaide before it dissolved in 2012.

"Then, the remaining tenancies

were transferred to fixed leases through the estate agent.

"It was not understood this (transfer) took place through a verbal agreement and, consequently, we are not here for life."

Ms Nicholson said her late husband Fred served in the merchant navy throughout World War II as a veteran of the Arctic convoys.

"He was sunk four times during his service and died thinking I was safe in my home for the rest of my life.

"His service is being dishonoured by the actions of the society which (may be) legal but (are) morally reprehensible.

"As we are a long way from England, perhaps there is no understanding of the impact of making six elderly people homeless.

"A way of solving the problem would be to sign the tenants on a lifetime lease prior to the sale and make honouring the leases a condition of sale.

"This would uphold the spirit of

the agreement my husband and I entered into."

If the tenants were evicted, Ms Nicholson said there was little possibility each would obtain rentals.

"We will be homeless unless the sale is abandoned... the impact for myself and the other tenants is terrifying," she said.

"This is not the time to be putting people, especially the elderly, out on the street."

The Dunes

IT was most pleasing to see the Copperclub Golf Club, Port Hughes, edging closer to its new development by purchasing Section 1G of The Dunes as an asset towards building its new clubhouse and associated facilities (YPCT 29-11-22).

As a long-term visitor, now permanent resident of Port Hughes, one has witnessed the history and design of the proposed development of The Dunes golf course involving legendary Australian golfer Greg Norman and developers.

My wife and myself were at the inaugural launch of The Dunes development, where investors and many interested people attended.

Plans/model of the proposed development and sale of land within and surrounding the proposed golf area were shown. It was extremely impressive and the launch well presented.

We like many purchased land and built our then holiday home there. Unfortunately, The Dunes went into receivership due to a debt of \$13 million.

But in fairness the global economic crisis hit during the sales period and sales significantly reduced.

In my opinion, a major poor decision was not building the 18-hole golf course first where it would have attracted many people throughout South Australia and interstate to play it, and possibly become golf members.

The houses planned within and around The Dunes would still have been built.

It would have provided the return on investment the investors were initially seeking although it was removed they received \$40m with the initial first sales.

Being an extremely optimistic person, I believe an 18-hole golf course is still a reality to be developed.

There are investors around, including the government, who, if pursued with a detailed business plan indicating an attractive return on investment, could negotiate for the development of the remaining nine holes.

If it occurred, I have no doubt The Dunes could become one of the best golf courses in Australia, attracting professional golfers from all over the world to play in financially lucrative ProAms with thousands of fans.

A substantial financial injection all over Yorke Peninsula would happen through tourism, travel, accommodation and hospitality facility requirements requiring many jobs to be created to meet demands.

Membership of the Copperclub would significantly increase on a regular basis providing the financial revenue required to make the it economically viable into the future.

For your information, if you play golf, or want to learn to play, the Copperclub has an excellent professional golfer working there part-time who, for a small fee, will teach you how to play or improve your game.

Hospital care

RECENTLY hospitals have been getting bad publicity.

On Tuesday, December 6, I had a medical episode while near Wallaroo.

My wife drove me straight to Wallaroo Hospital, where upon arrival, ambulance staff just outside emergency noticed me and quickly escorted me on their trolley to emergency where I was attended straight away.

It appeared to be a heart attack. I could not have asked for better treatment by Dr John and the nursing staff.

All necessary steps were taken to ensure my wellbeing, although it did not turn out to be a heart attack, I was so pleased all possible diagnoses were covered before being sent home.

While there, nurses from Balaklava had been called in to assist other patients to help ease the burden on local staff, so let's not forget what a great job these people do every day under incredible circumstances.

Thank you to all staff at Wallaroo Hospital.

Lives could be lost in Wallaroo

THE story Swift action saves man (YPCT 29-11-22) highlights the need for Wallaroo to have a swimming jetty, to enable such lifesaving skills to be taught and learned as had been done so for many years, prior to the loss of the jetty.

This is one of the many reasons we all need to keep pushing for a new swimming jetty to be built in Wallaroo.

OUR VIEW

Christmas cheer

WITH just over two weeks until Christmas, my tree is finally up.

It might just be a tiny eraser I got from an advent calendar, and up might be a stretch because it's just sitting on my desk.

But I am now officially ready for Christmas, physically.

Mentally, I still feel like we're in July, and this cool weather isn't really helping with that mindset.

As much as it might sound I don't care about Christmas, it's actually one of my favourite times of the year.

It gives me a genuine reason to listen to The Tin Lids, watch Christmas movies, look at Christmas lights and spend time with and celebrate the people in my life who are the most special to me.

It's also a wonderful time for reflection on the year we've had.

It has been a busy year in terms of news on Yorke Peninsula, as you'll see by our 24-page Year that Was and Christmas Greetings in today's paper.

We have had three elections, several large events, sporting finals, Covid restrictions, changes to restrictions, fundraising efforts, the commencement and completion of huge infrastructure projects and so much more.

Key to all of these things are our communities and the volunteers who power them.

They are particularly busy at this time of year with Christmas pageants, carols and Santa's trails across the peninsula.

We've got more photos in this week's paper of all the events we can get to, and will do again next week, in our last paper for the year.

I hope these volunteers get a good break because next year is set to be even bigger with some pretty big events coming up, like the YP Field Days, SA Masters Games and Kernewek Lowender.

UPSET... Malcolm Ward, Pat Nicholson, Ian Miller and Michael Dare were shocked to learn they could soon be evicted from their rental units, built especially to house retired seafarers.

Tenants left to scramble for homes

RESIDENT Pat Nicholson said each of the tenants had been looked after on a cheap rental rate since moving in.

“Even if they decide to keep the units, the new owner will be able to put the rental price up to an amount we can’t afford,” she said.

Michael Dare, 65, moved into one of the units less than 18 months ago after retiring from the navy.

“I lived in Queensland for most of my life,” Mr Dare said.

“I’m worn out from shifting so much and it’s felt incredible to think I’ve had this place to live for the rest of my life — we all love living here.

“You hear about local homelessness and evictions, but when it’s happening to you, you think ‘how has it come to this?’”

The group of tenants has approached multiple levels of government and suggested the SA Housing Authority could purchase the property, which includes additional land yet to

be developed.

“The homelessness problem not only locally but across the whole country is ridiculous,” Mr Dare said.

Sale a tough decision

A Sailors’ Society spokesperson said the decision to sell the units had not been taken lightly.

“The charity sector has been hit hard over recent times and Sailors’ Society is not unique in

having to make hard decisions to ensure we can sustain ourselves moving forwards,” the spokesperson said.

“Our trustees discussed all options and made the hard decision to sell some of our fixed assets in order to continue funding our core work and support to seafarers worldwide; this has included properties in the UK and also units in South Australia.

“We are deeply sorry for the upset and anxiety caused to our

tenants and we will do all we can to support residents through this difficult time, working with them and our agents in Australia.”

Assisting with the sale, Blights Real Estate Yorke Peninsula, property consultant Neville Hibbard said he believed these were the last Retired Seafarers Units to be sold in Australia.

“The property will likely be used for holiday rentals, and there is enough room to build four more units,” Mr

Hibbard said.

“Rental prices could increase by \$200 per week if the new purchaser hopes to keep the tenants.

“Depending on the purchaser, the tenants could have until the end of June (2023) to vacate.”

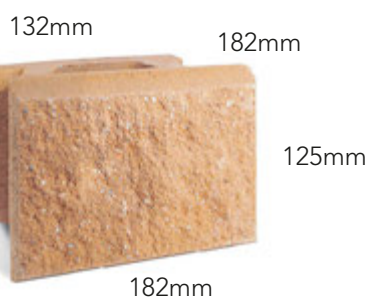

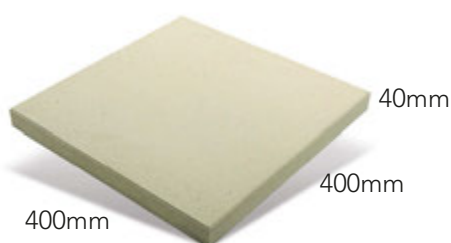

Mr Hibbard said the tenants would be prioritised as soon as local rentals became available.

“We are close to having a rental for one (tenant), and are trying our best to find homes for the others during this unfortunate situation,” he said.

Heart-stopping support compulsory

Patrick Goldsmith
REPORT BY

SOUTH Australia became the first state in the country to legislate defibrillators as compulsory in public buildings on Tuesday, November 29.

Under laws introduced by SA-Best MLC Frank Pangallo, buildings including sporting facilities, shopping centres, schools, prisons and libraries are now required to install automated external defibrillators.

Minister for Health Chis Picton said there's substantial evidence widespread access to AEDs can prevent deaths by cardiac arrest.

"We know time is crucial during a

cardiac arrest and every minute counts," he said.

"They (AEDs) are incredibly user-friendly, guiding users every step of the way to help someone in a life-threatening situation.

"With an AED, an electric shock is only distributed if it is required.

"We are pleased to support the passage of this legislation before the end of the sitting calendar, recognising its importance in supporting good, and potentially life-saving, health outcomes for our community."

Mr Pangallo said many lives would be saved because of the new laws.

"The statistics not only speak for themselves but also paint a very dis-

turbing, deadly picture," he said.

"More than 30,000 people suffer cardiac arrest in Australia each year.

"Worse still, the survival rate for a person who suffers a cardiac arrest out of a hospital environment is only about 10 per cent."

Mr Pangallo said it's an undisputable fact the availability of an AED dramatically improves a person's chance of survival.

"For every minute defibrillation is delayed, the chance of survival decreases by 10 per cent," he said.

"It has been proven around the world that AED save lives — these nation-leading laws will ensure more lives are saved as more defibrillators

will now be available throughout the community."

Service already nearby

There are already a large number of defibrillators available for public use across Yorke Peninsula, with community groups aware of their need.

Port Vincent Progress Association received a \$2693 grant through the federal government's volunteer grants program to purchase and install a defibrillator at the town institute earlier this year.

PVPA committee member Sue Hall said, although the defibrillator hasn't been installed yet, it should provide those in the town with extra

security should something occur.

"Our volunteer first responders will be greatly assisted by the addition of it and having it at the institute close to the main beach will ensure if a child or adult is in need of resuscitation, the correct equipment is available," she said.

"The more support we can give to our volunteers with carrying out their duties, the more they will feel valued and respected.

"A defibrillator will provide our volunteers with the security if a medical event should occur whilst they are performing their volunteer duties, medical equipment is close by."

Fire wipes out lentils, wheat

ABOUT 150 hectares of lentils and wheat crops were destroyed by a fire last Wednesday, December 7.

The blaze broke out near Port Victoria Road, Maitland just before 3.30pm.

CFS issued a watch and act notice for residents in Maitland, with the north easterly winds pushing the blaze towards the town.

Crews from Maitland, Port Victoria, Balgowan, Weetulla, Kadina and Ardrossan, as well as farm firefighting units, took just over an hour to contain the fire, with the blaze being officially contained at 4.34pm.

Yorke Valley CFS group officer Andrew Cadd said two helicopters were called in for water drops but, due to the swift response, they were not required.

Mr Cadd encouraged locals to have their fire action plans in place.

"By putting these plans in place, it makes it easier for CFS crews and strike teams to quickly contain and control possible outbreaks," he said.

Copper Coast readies for supplementary election

HAVE A VOICE... Copper Coast Council mayor Roslyn Talbot is calling on members of the community to nominate for the upcoming supplementary election.

Fin Hansen
REPORT BY

A SUPPLEMENTARY election is set to be held by Copper Coast Council next year.

Eight people nominated for the new council term, which began last month, one short of the nine required councillors.

Mayor Roslyn Talbot said the Electoral Commission of South Australia advised council of the need for a supplementary election.

"Council would usually be able to run with just eight (elected members), but we're not able to do this from the start of a term," Mrs Talbot said.

"This last seat could be a hotly contested position, as I think some people may have regretted not nominating in the recent election.

"The successful nominee will have a good opportunity to help mould the Copper Coast and enable it to grow into an even better community.

"This is a great chance for you to

have a voice."

For information about how to vote in the supplementary election, contact the council office on 8828 1200.

Council calls for public nominations

Council is also planning to lobby the Local Government Association for the reinstatement of public election nominations.

CEO Russell Peate said nominations were strongly encouraged to be submitted via an online portal and there was no legal requirement for the display of nominations.

"The reinstatement for councils to display all nominations received for councillor and mayoral vacancies should be done as part of the election review by the Local Government Association and state government," Mr Peate said.

Mrs Talbot said she thought the absence of public nominations could again discourage people from nominating.

"If nominations are drawing to a close and people can see the last council position hasn't been filled, I think more people would put up their hands," she said.

"Council could've at least had all nine positions filled if nominations were public (in the recent election).

"We also would've saved having to pay for two elections.

"I fully expected the cost for the supplementary election as people will be using the ballot materials and other charged services this time."

Member for Narungga Fraser Ellis said he was disappointed there weren't enough candidates for the Copper Coast during the recent state-wide elections.

"We need to encourage people to serve on local government to ensure the bureaucracy is reflecting the will of the ratepayers," Mr Ellis said.

"I will happily consider any proposal from councils to improve the election process and ensure we have a full field of candidates put their

hands up next time."

An Electoral Commission spokesperson said the local government nomination process was brought into line with federal and state elections to improve election integrity, following a 2018 Council Election Report.

"Under the Local Governments (Elections) Act, it is an offence to exercise violence, intimidation or offers or give a bribe inducing a person to submit or withdraw candidature for election," the spokesperson said.

"Unlike previous elections, the 2022 Council Election saw no evidence of this type of behaviour prior to the close of nominations.

"The integrity measures in the Electoral Act are the gold standard for election integrity in Australia.

"As a result of adopting these measures, there were no complaints or accusations of violence and intimidation resulting in candidates withdrawing their nominations."

The spokesperson said ECSA was not responsible for promoting or

DETECTION... South Australia Police Assistant Commissioner Ian Parrott is hopeful new mobile phone detection cameras will help to influence people who use mobile phones while driving.

STATE parliament has approved mobile phone detection cameras for South Australian roads.

The Statutes Amendment (Use of Devices in Vehicles) Bill 2022 will amend the Road Traffic Act 1961 to include an enabling provision allowing for the use of MPDCs.

Driver distraction is one of the leading causes of fatalities and serious injury crashes on South Australian roads, with it accounting for 247 lives lost and 1330 serious injuries between 2017 and 2021.

This equates to 51 per cent of all lives lost and 34 per cent of serious injuries.

Data provided by South Australia Police showed 30,354 expiation notices had been issued for mobile phone offences, equating to about 7600 offences per year in the past four years.

The introduction of mobile phone detection cameras is aimed to detect and deter distracted drivers who illegally use mobile phones while driving.

The cameras are expected to be operational from late 2023, with a three-month education period.

Fines raised from the illegal use of mobile phones will be invested in the Community Road Safety Fund.

Minister for Police, Emergency Services and Correctional Services Joe Szakacs said

he was relieved to see this important legislation pass before the end of the year.

"Inattention is the leading cause of death and serious injury on South Australian roads, a stark fact that demonstrates the importance of legislation such as the introduction of MPDCs," Mr Szakacs said.

"It is my hope, through driver education, these cameras become redundant as drivers realise the dangers of using their phones while driving."

SAPOL Assistant Commissioner Ian Parrott said SAPOL would work with the Department for Infrastructure and Transport to administer a tender process with the aim of having mobile phone detection cameras installed by the end of 2023.

"The use of a mobile phone whilst driving is a dangerous and potentially fatal act," Assistant Commissioner Parrott said.

"Both education and enforcement play important roles in reducing the incidence of dangerous driving behaviours.

"If we can increase the likelihood of detecting someone using their phone, we have a higher chance of influencing this dangerous behaviour."

"The prevention of one death or serious injury through detecting illegal mobile phone use will make the introduction of this technology worthwhile."

New firebug tracking law

SOUTH Australians are set for better protection from firebugs this fire danger season.

New monitoring laws have passed through state parliament which will allow South Australia Police to apply to the Adelaide Magistrates Court for an order to monitor the movements of bushfire offenders, by use of an electronic monitoring device.

Attorney General Kyam Maher said South Australians can rest assured the government is doing everything in its power to combat the scourge of deliberately lit bushfires.

"These laws will give SAPOL the power to seek a court order to monitor people convicted of bushfire offences who could pose a risk," Mr Maher said.

Minister for Police, Emergency Services and Correctional Services Joe Szakacs said these were laws the community and firefighters deserved.

"Now SAPOL can keep track of individuals who may seek to put others' lives at risk, they have an invaluable tool to minimise the risk of bushfires," he said.

Registrations open for Masters Games

COPPER Coast Council has thrown open registrations for the 2023 Copper Coast SA Masters Games, to be held Thursday to Sunday, April 20 to 23.

An unprecedented 30 sports will be on offer next year, with organisers hoping to bust records set last year.

Copper Coast hosted 1651 participants across 29 sports in 2021.

Masters Games ambassador and 208 game AFL superstar Sam Jacobs is excited to see the fun and games return to his homeland on the 20th-23rd April.

"I have a lot of fond memories growing up on Yorke Peninsula, and the one thing that unites us, like many rural communities, is sport," he said.

"Our community takes a lot of pride in their sports offerings and with the state-of-the-art facilities which have been developed over the years, I know our locals will band together to make next year's event the best yet.

"While the sporting arenas are great, it's also all the sights and activities on offer once you're finished playing for the day — not just in the Copper Coast, but all over YP."

The Masters Games is a multi-sport event designed to allow mature-aged sports people opportunities to participate in the sports of their choice and to compete with their age peers.

"While sports are competitive by nature and we

take pride in our club's success, community sport is an opportunity to have a bit of fun, stay active, catch up with friends, meet new people and have chance encounters with faces you haven't seen in a while — but it does feel good to win as well," Jacobs said.

"The SA Masters Games is a great concept — testing yourself against those of similar age and capability."

Mayor Roslyn Talbot said the games committee and volunteers want to provide the best experience for participants and their families.

"The entire community is excited by the challenge to topple our 2021 efforts with more sports, more participants and more economic benefit to the Copper Coast community," she said.

"We want everyone to walk away from these games and think what we already know — the Copper Coast is the Lifestyle Location of Choice."

Sport SA CEO Leah Cassidy also shared confidence in Copper Coast's hosting abilities for 2023.

"Following the success of the 2021 Masters Games which were held on YP, Sport SA has every confidence in the Copper Coast Council to exceed expectations again in 2023," Ms Cassidy said.

"We are proud the Games have such a positive economic and social impact on regional towns across South Australia."

REGISTER NOW... Copper Coast Council mayor Roslyn Talbot and 2023 Masters Games ambassador Sam Jacobs at the Copper Coast Sport and Leisure Centre, Kadina, are encouraging people to start nominating for next year's event.

George Street stormwater upgrade on track

A STORMWATER upgrade on George Street, Moonta, should be completed this month.

The new 500 metre central stormwater pipe, linking with the existing stormwater system along

Moonta's main street has been installed underground in four phases.

Copper Coast Council director for infrastructure services Tim Neumann said works had been progressing on the fourth and final zone.

"This zone is the head of the drainage network and includes six side entry pits and five junction boxes, the most of all the zones" he said.

"There are numerous services to

work around within this intersection — some have conflicted with design and onsite alterations have been required to keep the project moving.

"Trench reinstatement and road sealing were scheduled for the second

week of December, before cleaning up and demobilising will proceed, finalising the upgrade."

Council planned for George Street to be fully reopened today (Tuesday, December 13).

LEADERS... Copper Coast Council's newly appointed deputy mayor, Peter Sims, who will serve alongside mayor Roslyn Talbot.

Copper Coast decides on a deputy mayor

Fin Hansen
REPORT BY

PETER Sims is Copper Coast Council's newest deputy mayor.

Mr Sims was one of two elected members nominated for the position at the new council's inaugural meeting last Wednesday, December 7.

He edged out Neil Sawley as the favoured candidate for the position, as voted by fellow members.

The appointment came after

Margaret Pope stepped down from the role at the recent local government elections, after 14 years on council.

Mr Sims, of Wallaroo, said he was honoured to be considered fit for the role.

"I thank my fellow members for nominating and voting for me to be deputy mayor," Mr Sims said.

"I look forward to the upcoming (deputy mayor) term of two years and working alongside Mayor

Talbot."

Mrs Talbot said both nominees were worthy of the deputy mayor position.

"Whilst I will lean on the deputy mayor, there will be times I lean on all elected members," she said.

"Only one (nominee) was successful, but I see all members as equally as important.

"They've all supported me during the past term which has been very much appreciated."

VACCINATION CENTRE CLOSURES

YORKE and Northern Local Health Network operated Covid-19 vaccination clinics are now closed.

The sites, including at Wallaroo Hospital, closed on Friday, December 9.

The move is in line with the state's shifting Covid plan, which will also roll back PCR testing without referrals from January.

"As Covid-19 services wind down, we want to take this opportunity to thank everyone in the Covid services team for their incredible devotion to keeping our community safe during the height of the pandemic," a YNLHN spokesperson said.

"We have incredibly dedicated

staff in the Yorke and Northern (region) who continue to meet challenges, go above and beyond, and care for their communities.

"They have stood on the front line in a time of uncertainty, adapted to an ever-changing environment, and sacrificed so much to keep us well.

"Our Covid-19 vaccination team delivered around 55,800 doses of vaccines and has been integral to the Covid-19 response in the region."

Vaccinations will still be available with selected GPs and pharmacies; to find out where, visit <https://covid-vaccine.healthdirect.gov.au/booking/>.

Boosting inclusivity at BWC

BARUNGA West Council is hoping for greater inclusivity at Australia Day celebrations in Port Broughton and Bute after receiving \$16,300 from the National Australia Day Council.

Councils from across the country were encouraged to apply for the grants to go towards community events which encourage reflection and respect, as well as celebrate Australia Day 2023.

Council CEO Maree Wauchope said some of the funding would be used for new chairs for Port Broughton and a portable sound system for Bute to make events fully inclusive and accessible for community members with visual, motor and auditory issues.

“Many of our residents and attendees at our Australia Day events are aged over 60 and require chairs,” Ms Wauchope said.

“Many have reduced mobility and more than 200 (people in the council area) require assistance due to long-term health conditions and disabilities.

“For Australia Day 2023, we will be able to have easy-to-relocate chairs and tables for people to use and more visual and audible information to create more accessible and inclusive events.

“It has also been identified at previous events in Bute that the portable sound system has not been adequate for people with hearing impairments.

“This grant will provide for an updated sound system to allow more members of our community to hear the program.”

Around 400 people are expected to attend the Port Broughton celebrations on the foreshore, while a further 150 are expected at the Bute Soldier's Memorial Hall on Thursday, January 26.

SHRIMP ON THE BARBIE... Barunga West Council arts, culture and events coordinator Lori Ireland is excited by the prospect of improved inclusivity at Australia Day celebrations in Port Broughton and Bute, after BWC received a grant from the National Australia Day Council.

Local rehab options taking shape

NEW FACILITIES... Members of the Yorke and Northern Local Health Network governing board and staff try the specially constructed ramp in the YNLHN Rehabilitation Service's sensory garden at the Wallaroo Hospital: Hayley Barich, Roger Kirchner, Liz Malcolm, Glenys Coulthard, Lyndal Stanley, John Voumard, Julianne Badenoch, David Banham, Todd Richardson, Melissa Koch and Kerry Bates.

CONSTRUCTION is well underway on the Yorke and Northern Local Health Network Rehabilitation Service at Wallaroo Hospital.

The service is located in the old day options centre, and is expected to take its first patients in March.

RN clinical lead Lyndal Stanley said the need for a local rehabilitation facility was identified by the community.

"It was included in the YNLHN

Clinical Service Plan and director of nursing Sue Watkins has really driven this project," Ms Stanley said.

"Our rehabilitation project, led by Jacqui Larwood, also won the YNLHN Excellence in Integrated Care Award earlier this year, and this facility builds on that."

The unit will significantly improve health outcomes for consumers in the Yorke and Northern region needing specialised rehabilitation

and ensure consumers receive better access to specialist multidisciplinary rehabilitation locally, allowing them to be closer to home.

Stage one of the redevelopment features a therapy garden, occupational therapy kitchen, rehabilitation gym and telehealth rooms, and is almost complete with the exception of flooring and accessibility ramps and bannisters.

All work so far has been complet-

ed by local contractors and subcontractors.

The second stage of the service will include two purpose-built inpatient therapy rooms and will soon go out to tender.

Patients will be able to access the facility whilst in the hospital and after they are discharged.

"It will also provide an ambulatory program for people to receive rehabilitation care while staying in their commu-

nities," a YNLHN spokesperson said.

"The ambulatory program allows people to participate in intensive rehabilitation at the purpose-built gym and therapy areas or in their own homes.

"It enables a smooth transition from inpatient rehabilitation to outpatient — or ambulatory — rehabilitation."

Plans are also being made to incorporate Narungga art into the space to recognise the importance of the space on Country.

Petitions rolled out for the holiday period

THE number of signatures is growing on Member for Narungga Fraser Ellis's petition for health reform.

Mr Ellis launched the petition in October and is aiming for at least 10,000 signatures to trigger a formal parliamentary hearing.

The petition has five key objec-

tives, which include a guarantee of equitable distribution of general practitioners across South Australia, the reclassification of Wallaroo Hospital to become the major hospital for Narungga, and the appointment of a Minister for Regional Health.

"One of the primary reasons that we need a significant upgrade in the capability of our local healthcare system is because of the significant number of visitors our region plays host to on a regular basis," Mr Ellis said.

"For example, over the summer holidays we can expect to have an

extraordinary number of visitors descend upon our community.

"To that end I am working with caravan parks and other tourism ventures to ensure the petition is available to all of those who visit.

"We need to get to 10,000 signatures and I'm sure visitors, who might

need to rely on our health services while they're here, will be eager to assist our push.

"If you know of any venue that might help to achieve that goal please get in touch with my office."

Moonta parades into the festive season

FESTIVE... Emsley and Kade Chapman, of Moonta, enjoy a fun afternoon in Queen Square after the pageant.

MORE than 30 floats paraded around Queen Square to mark the 2022 Moonta Christmas Pageant on Saturday, December 10.

Vehicles set off from Military Road at 4.30pm before traversing Ryan, Henry, Robert and William Streets for the viewers set up in the square or watching from the footpaths.

Moonta and District Progress Association vice-president Pamela Kerr said the pageant made for a fantastic festive day.

"There were at least 30 entries which included a number of local community organisations," Ms Kerr said.

"With the afternoon markets being held during the day, there were already lots of people in the square.

"It was lovely to see so many young children enjoying themselves, and particularly to see Father Christmas at the end.

"The Funny Farmers event before and after the pageant was also a hit and kept the children laughing into the evening."

Celebrations continued into Sunday, with Father Christmas and Funny Farmers appearing before carols were enjoyed through the evening.

KEEPING COOL... Sea Rescue Copper Coast Flotilla's Steve Hudson, Peter Sims and Adrian Ladner keep spectators entertained with water pistols.

ALADDIN... A float inspired by Disney's Aladdin featured Diane Luxton, Mick Forth, Zaine Gummow, Sarah Anderson, Colleen and Bradley Olson, Aiden Hollands, Bella Elliott-Williams, Shae Vanduin, Emma Nicholls, Erryn O'Halloran, Megan Shelton, Zeke Stock-Olson.

COMING TO TOWN... Santa Claus brings up the rear to conclude the Moonta Christmas Pageant.

SHITBOX... Competitors in the upcoming Shitbox Rally Stephen Clasohm and Lynton Francis show off their wheels. The pair, entering as the Defiance Duo, have raised \$8000 for the Cancer Council as part of their fundraising efforts.

TOO GOOD... Preparing to embark on the pageant loop are Moonta Weight Watchers Rosemary Gray, Deb Maycock, Marie Hicks, Joan Burris, Maureen Wahlstedt and Betty Watt.

SMILE AND WAVE... Kaleb, Jessica and John Hampton, of Moonta Lions Club, wave to the crowd.

REGULARS... Catherine Campbell, Riley Boylon-Campbell, Alexander Boylon-Campbell and Paul Boylon travelled to Moonta from Adelaide to enjoy the pageant.

LITTLE HELPERS... Leading the way for the 2022 Moonta Christmas Pageant are Moonta Blazers Jayme Koch, Maeve Cockshell, Casey Thomas, Hallie Koch, Amelia Bugg, Summer Koch.

Port Broughton welcomes Christmas in style

Jarryd Rowley
JOURNALIST

PORT Broughton welcomed hundreds of people to its annual Christmas festival on Saturday, December 10.

The celebrations kicked off with Broughton's famous Christmas pageant where plenty of Christmas themed floats

took to Bay Street.

Families then lined up outside Gallery 1871 to take a picture with Father Christmas at the Santa Cave.

The festivities ended with a gathering on the foreshore where carols were sung before the lighting of the Christmas tree by Barunga West Council deputy mayor Peter Button and Dax Palmer.

CHRISTMAS CAROLS... Trevor and Kaylene Taylor, Lyn Griffin and Marilyn and Chris Ellsmore sang popular Christmas carols to the people who lined Bay Street for the Christmas Pageant.

FESTIVITIES... Geoff and Marg Tapps spent some time with friends Frank and Tanya Obramski at the Port Broughton Christmas Festival.

LAIID BACK... Sarah Turra, Rachael Przibilla, Christy Barnes and Nicole Hewett kicked back on their summer themed Christmas pageant float.

LIGHT IT UP... Barunga West Council deputy mayor Peter Button and Dax Palmer looking back at the bright lights of Port Broughton's Christmas tree.

SANTA'S CAVE... Sadie, Charlotte and Hunter Lowrey get their picture taken with Santa in his Port Broughton cave.

CHRISTMAS TREE... Natalie Wilson, Annabelle Wilson, Leo Stevens, Ruby Stevens, Lincoln McNaughton, Chloe Wilson, April McCarthy and Sarah Stevens pose in front of the Port Broughton Christmas tree.

Story Dogs encouraging readers

Jarryd Rowley
REPORT BY

VOLUNTEER Julie Johnston and her golden retriever Gidget have been supporting year 2 students at Ardrossan Area School with their reading.

The pair have been visiting Ardrossan Area School weekly for the past three years as a part of the Story Dogs program.

Students sit down with Gidget and Mrs Johnston in 20-minute sessions to read.

"The idea is to help improve or encourage students," Mrs Johnston said.

"Story Dogs is a nationwide program which started in New South Wales.

"Gidget and myself began after hearing about the program on the news and thought it would be a great idea to get involved.

"Gidget and I have been coming here for the past three years and we are looking for more potential volunteers across Yorke Peninsula."

Mrs Johnston has been in touch with schools across the peninsula about the program but needs more volunteers.

"I am more than happy to support those who want to become involved in the pro-

gram to make a start, anywhere across the peninsula," she said.

"There is no specific breed requirement, just a dog with the right temperament to be around children in years 2 to 4.

"Training and temperament checks are done in Adelaide, once that is ticked off all your dog needs is a sponsor.

"Gidget is sponsored by the Ardrossan Progress Association to come visit Ardrossan Area School and she loves it."

School R-6 leader Kimberly Black said the Story Dogs program had really improved students' enthusiasm towards reading.

"There have been zero issues from Gidget or students since the program began a few years ago," Mrs Black said.

"It has really created a safe non-threatening space for students.

"From my understanding, Gidget loves coming here and the school loves having her.

"We want to continue the program into the future, currently she reads with year 2 students, but we would like her to continue reading to the same students in year 3 next year."

To learn more about Story Dogs, visit www.storydogs.org.au.

STORY TIME... Ardrossan Area School students Chase McQueen, Eli Linke and Tsharn Kite-Skelten enjoy reading stories to Gidget, owner Julie Johnston and R-6 leader Kimberly Black.

Christmas gift appeal for families in need

UNITING Care Copper Triangle Christmas Gift Appeal continues to provide local families in need of support with carefully selected and beautifully wrapped gifts.

For 22 years, this program has ensured no one misses out at this special time of the year.

"More than 270 gifts are likely to be packed this year which is indicative of the need in our local community," Judith Barker said.

Anyone wanting to donate cash or unwrapped gifts (please don't wrap as all need to be checked, a gift bag is a great alternative) should contact Judith via Messenger.

District Update

DECEMBER 2022

SANTA'S CAVE SENSORY HOUR

On Tuesday, December 20, Council will be holding a 'Sensory Hour' in its Santa's Cave at Port Broughton's Town Hall from 2pm–3pm.

This will offer for the first time a low sensory, quiet viewing experience by reducing large crowds, noise and other distractions to help make a difference to families whose children may find it challenging in a heightened sensory environment. Bookings are essential and can be made by contacting Council.

CHRISTMAS DISPLAY – PORT BROUGHTON

Come and have your photo taken in front of Port Broughton's big Christmas tree with the Gingerbread family, which is one of the most popular Instagramable spots on the Yorke Peninsula this Christmas.

CHRISTMAS OFFICE CLOSURES FOR 2022/2023

The Barunga West Council offices at Bute and Port Broughton will close for the Christmas–New Year holidays from 5pm on Friday, 23 December 2022 and will re-open at 8.30am on Thursday 29 December 2022 (inclusive).

Transfer stations will be closed on Christmas Day but will operate as usual during this period.

If you have a query for Council during this time you can call our offices and leave a message or send an email. Urgent issues will be attended to. All other issues and enquiries will be answered once our offices re-open.

GRANT SUCCESS – AUSTRALIA DAY 2023

Barunga West Council has won a \$16,300 funding boost from the National Australia Day Council (NADC) and the Australian Government. The bulk of the grant funding will be used to ensure greater inclusiveness, especially for older people and others living with mobility and hearing issues, at the Port Broughton and Bute family fun celebrations on 26 January 2023.

Councils from across the country were encouraged to apply for NADC grants for community events that encourage their communities to reflect, respect and celebrate on Australia Day 2023.

ALFORD COURTS – WORKS START

Work to rebuild Alford's three playing tennis courts starts next year. The work will take approximately a month to complete.

The Alford Progress Association is a major funding partner of the project with grant money and a small contribution from Council making up the balance.

Earlier this year, Barunga West Council secured \$117,400 of grants from the State Government's Community Recreational and Sport Facilities Program to upgrade Port Broughton, Bute and Alford playing courts.

Works to resurface the Port Broughton playing courts is planned to start in March next year, with works to resurface Bute's playing courts planned to occur during September 2023.

FIRE DANGER SEASON

The Fire Danger Season for the Barunga West Council area commenced on 15 November 2022.

You can reduce the risk of fire impacting your property by doing simple things to reduce fire fuels. This means clearing vegetation near your home, ensuring grass is mowed and maintained, clearing gutters and repairing damaged or missing tiles on your home's roof.

The CFS website (www.cfs.sa.gov.au) is an excellent guide to bushfire safety and can help you make a 5-minute bushfire plan to assist you with the steps in preparing yourself, your home and family in the event of an emergency.

YORKE PENINSULA SEASONAL KITCHEN

Do you have a recipe distinctive to Yorke Peninsula? The Top of the Yorke website at www.topoftheyorke.com.au is a place where you can showcase this recipe on its Seasonal Kitchen page.

The Yorke Peninsula Seasonal Kitchen will take you on a journey through our favourite local produce with a step-by-step recipe card. At the Top of the Yorke, we are blessed with pristine conditions that support amazing local produce. The Seasonal Kitchen page is a place to share the region's favourite recipes with visitors to the area.

Our passionate primary producers have already shared some of their personal recipes on the site, which highlights their own local produce.

To share a recipe please contact Council via phone or email.

The Barunga West Council will publish a monthly column to summarise current events, works and activities happening in our district. Our Facebook Page also shares information weekly. We welcome your comments and encourage you to openly discuss and share your opinions with us via email barunga@barungawest.sa.gov.au or phone 08 8635 2107 or visit our customer service officers at Port Broughton and Bute.

Regional medical students supported by new scholarship

THE family of former Yorketown resident, the late Richard Watson has established a scholarship for regional medical students at St Mark's College, Adelaide.

Richard was a medical student at St Mark's from 1956 to 1961 and later served the college in many capacities, including as a member of the College Council from 1976 to 1993.

He was also elected an Honorary Fellow of the College in 1993.

Richard's wife Mary and sons Mark and Guy created the scholarship in his memory after his passing in 2020.

"The Richard Watson Scholarship will be awarded annually to a student from regional Australia who is or will be studying medicine. It will be awarded on the basis of academic excellence, commitment to service, and financial need, and may be awarded to either a new or returning student," a St Mark's spokesperson said.

"Richard Watson was born in Yorketown in 1936.

"Growing up, he spent many hours driving through the countryside making house calls with his father, a GP.

"He was educated at Yorketown Area School and then as a boarder at

St Peter's College, where he was a House Prefect and took part in rowing, football, and the debating, science, and music societies."

Richard was actively involved in college life and was also highly regarded as the coxswain of the Adelaide University Boat Club's Senior VIII over several years."

After graduating MB BS, Richard added FRCS (Edinburgh) (1968) and FRACS (1972) to his medical qualifications and his early medical work including lecturing in anatomy at Guy's Hospital, London, in 1964-66, and working mainly in plastic surgery in Bristol and Glasgow (1967-71).

Richard returned to Adelaide as Senior Visiting Specialist (Plastic Surgery) at the Queen Elizabeth Hospital, from 1972, and helped set up and was head of the Plastic and Reconstructive Surgery Unit there from 1989.

From 1972, he also lectured in surgery at the University of Adelaide.

"Richard is remembered in the St Mark's community as a kind, gentle, warm-hearted, humble, amusing and engaging man, who was also confidently decisive in a collegial way: in the words of one who knew him well, 'a true delight,' the

spokesperson said.

"It is very fitting that his memory be perpetuated at St Mark's, including with a significant scholarship named for him, which will help

future medical students from regional areas to gain the benefits of being at the college he loved and which played so large a role in his life."

For more information or to apply for the scholarship, visit <https://stmarkscollge.com.au/apply/financial-assistance/>.

Engagement for hydrogen and renewable energy

THE Department for Energy and Mining is engaging with the public on a proposed Hydrogen and Renewable Energy Act which will guide the integration of hydrogen and expansion of renewable energy.

The department held a pop-up booth to raise general community awareness as a part of consultation at Ardrossan on Tuesday, December 6.

"South Australia is already a

world leader in the transition to renewable energy and this landmark Hydrogen and Renewable Energy Act will enable the orderly, competitive, and government-led development of large-scale hydrogen and renewable energy projects within a regulatory framework," a DEM spokesperson said.

"For South Australia to realise its ambition to be a world leader in green hydrogen production for export and

domestic use, stakeholders must have a voice in the finalising the proposed changes."

The spokesperson said development will deliver investment certainty and security and unlock the pipeline of renewable energy projects including partnering with Aboriginal people as co-existing landowners, regulation of the full life-cycle of projects and a pre-competitive process to determine where the state

should host projects.

It will also manage impacts and leverage the benefits for all South Australians, in line with environment, social and governance requirements and provide provisions which enable coexistence of land uses and support fair outcomes communities.

"The South Australian Government is committed to working with Native Title groups, recognising their status

as co-existing landowners with the government and other traditional owners... and support their ongoing participation in regulating the sector," the spokesperson said.

"By 2050, South Australia seeks to achieve net-zero carbon emissions, while experts project global electricity capacity will rise by more than 400 per cent.

"The government-led drive to create a green hydrogen

economy in South Australia is progressing at scale and at speed through its \$593 million hydrogen jobs plan, which comprises an electrolyser, grid-scale storage and power generation by 2025."

Feedback can be submitted at yoursa.sa.gov.au until February 10.

Submissions will inform the development of a draft bill, expected to be introduced to parliament by mid-2023.

Community

Wanda-ful fundraiser

Jarryd Rowley
JOURNALIST

WANDA Chittleborough raised more than \$12,500 for the Royal Adelaide Hospital Research Fund by shaving off her hair at Wallaroo Town Hall on Friday, November 11.

Wanda spent several months drumming up support for her cause following her nephew Grant Murray's diagnosis with mouth cancer.

"I have been completely overwhelmed by the generosity the community has shown towards this cause," Wanda said.

"I really want to thank everyone who donated and the businesses which provided prizes for the raffles.

"On the day of the shave, we had some games, raffles, live music and we were selling candles.

"By the time I counted the money, we had \$12,542.

"I had \$3000 set in my mind but my friend Lorraine (Darling), who is a keen fundraiser, believed we could reach \$5000 if we had enough support.

"To reach more than \$12,000 blew all of our expectations out of the water!

"I still am so thankful to everyone who got involved."

Wanda's nephew Grant, who recent-

ly turned 60, was overwhelmed by the community response.

"Grant is quite proud and very honoured by it all," Wanda said.

"He was quite shocked, that even on the night of the shave, people were still donating and giving.

"For him, raising the money and donating it to the Royal Adelaide Hospital Research Fund felt like he was giving back to those who helped him through his diagnosis.

"I recently received a call from the hospital, thanking me for making a sizeable donation.

"Really, it comes down to everyone who came to the fundraisers and the different events and donated.

"I am so thankful and blown away by the efforts of the community."

On the trail for Christmas cheer

KADINA is buzzing with Christmas spirit, and it's only going to grow.

The annual Christmas in Kadina Santa's Trail will be available to the public from Monday, December 19.

It marks the perfect way to start celebrations, with the town pageant and carols held later that same evening.

The trail will begin at Copy King, Taylor Street, with trail maps available for \$5.

"Families can then go around during the week and stop at participating CBD businesses to get free gifts," Christmas in Kadina chairperson Neil Sawley said.

"We really want to thank all the businesses and the community members who support this initiative.

"It's a great thing that brings joy to the children and also doubles as a fundraiser for us to continue putting on our Christmas events.

Residents in Kadina are also reminded that it's not too late to decorate their homes, with cash prizes worth \$100 and \$60 to be given for the best two displays.

"There are some really great

looking houses around the place this year," Neil said.

"Winners will be announced at the carols event in Victoria Square on Monday, December 19."

There's also still time to enter a float in the pageant, which is returning after a Covid-enforced break.

To find out more, check out the Christmas in Kadina Facebook page.

TRAIL TIME... Christmas in Kadina committee member Daniel Lascelles and Copy King employees Anne and Tamara Woodley are excited for Santa's Trail to begin.

Wallaroo's best interests at heart

WALLAROO Community Development Association held its annual general meeting at the Wallaroo Sailing Club on Friday, December 2.

President Andy West thanked members for their many achievements for Wallaroo and its people during the past 12 months.

"As individuals, it is often difficult to make positive changes to our local environment but a group of like-minded people working with the council and other local organisations can often make significant changes," Andy said.

Projects included bringing the 2022 Lexus Melbourne Cup to town, the nomination that resulted in Wallaroo being named as the South Australian 2022 Top Tourism Town, and the Flame Festival.

WCDA also works with the Copper Coast Council on activities encouraging recycling waste, and landscaping reserves and entry roads.

Ongoing projects include installing solar lighting along the ANZAC Walking Trail, the Wallaroo Art Trail, and improving signage so it's easier for residents and visitors to move around town and to find businesses and attractions.

As always, WCDA is backing the Copper Coast New Year's Eve Celebrations and the Wallaroo Christmas Carols.

Another important project is establishing an all-weather swimming enclosure to replace the jetty pool destroyed by storms.

WCDA strongly supports the residents' group and council, which are both working hard to ensure we have a new pool as soon as possible.

Association members are responsible for the Wallaroo Community website www.wallaroo-community.com.au and the Wallaroo Community Newsletter, resources that provide important information to the community and visitors.

The group holds informal meetings, usually monthly, and welcomes interested community members and businesspeople to attend; for more information, contact Andy 0418 859 646.

Wallaroo Probus Club happenings

WALLAROO Probus Club members have been busy out in the community in recent months.

The group had a round of putt putt in Kadina, which was followed by lunch at the Kadina Hotel and also visited the Sunnyvale Church for lunch and entertainment by Graeme Hugo in October.

There was a visit to the Publacowie Museum on November 28 while 16 members met with the Combined Probus Club from Tanunda for happy hour at the

North Beach Tourist Park in October.

Wallaroo Probus Club celebrated Christmas at the Prince Edward Hotel, Wallaroo, on Sunday, December 11.

It will hold Australia Day celebrations, including breakfast, a meeting and the ever popular thong throwing competition, on January 17.

To find out more about the Wallaroo Probus Club, email probuswallaroo@outlook.com or call 0427 079 820.

NEW MEMBER... Wendy Venning receives her membership certificate from Wallaroo Probus Club vice-president Robin Miller, with Jan Lawry, who introduced Wendy to the club.

Twelve days of Christmas

DID you know Christmas lasts until the evening of January 5?

Christmas isn't a day — it's a season! "If you are like me, you have listened to the 12 Days of Christmas carol for years and wondered why we bother singing it," a Kadina Lutheran Church spokesperson said. "It makes no sense."

"What do swimming swans and leaping lords have to do with Christmas?"

"There are two levels of meaning — the surface meaning and a hidden meaning known only to members of the church who were under persecution in 16th-century Europe."

"It was a teaching carol for the children to learn."

According to the spokesperson, the partridge in a pear tree gift from day 1 symbolises God and Jesus.

"Two turtle doves were the Old and New Testaments, three French hens stood for faith, hope and love and the four calling birds were the four gospels of Matthew, Mark, Luke and John," the spokesperson said.

"The five golden rings recalled the Books of Moses — the first five books of the Bible, the six geese a-laying stood for the six days of creation, the seven swans a-swimming represented the seven gifts of the Holy Spirit found in Isaiah 11 and the eight maids a-milking were the eight Beatitudes found in Matthew 5."

"Nine ladies dancing were the nine fruits of the Spirit found in Galatians 5, love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control, 10 lords a leaping were the Ten Commandments, 11 pipers piping stood for the 11 faithful apostles and 12 drummers drumming represented the key points confessed in the Apostles' Creed."

"Whether you are local or just visiting this beautiful region of South Australia, may you enjoy the 12 days of Christmas and know because of Christ there is hope for tomorrow, and every day into the future. Jesus is the Way, the Truth, and the Life."

"The Lutheran Church, in Ewing Street, Kadina, is holding a special Christmas service of lessons and carols, 7.30 pm, Sunday, December 18."

See *Community Calendar* advert this issue for details.

GOLFERS... After a round of putt putt in Kadina, Pam Bennett, Jacqui Lawson, Robin Miller, Jan Lawry, Ian Clarkson, Lorraine Pengilly, Marie Graham, Trevor Clemm, Bevan Bennett, Leonie Jauczius, Max Jauczius, Margaret Armstrong and Lynne Butterfield. (Absent: Gary Butterfield.)

ENTERTAINED... Wallaroo Probus Club members including, in no particular order, Roma Rayner, Bill and Lesley Tetlow, Robin and Gloria Miller, Ron and Jan Cleggett, Jill Saxby, Christine Cayton, Robin Schulz, Jenni and Trevor Klemm, Irene Stewart, Margaret Daniel, Margaret Harrop, Leonie and Max Jauczius, Pam and Bevan Bennett travelled to Sunnyvale to see Graeme Hugo perform.

KMS students explore STEM pathways

YEAR 10 students from Kadina Memorial School recently travelled to Adelaide for a two-day camp to explore potential STEM (science, technology, engineering, mathematics) based pathways and careers.

The camp, funded by the Department for Education's Industry Immersion Program, provided students with an opportunity to network with industry representatives and investigate a diverse range of careers.

Students visited the University of South Australia's Planetarium and MOD Museum exhibit 'Invisibility' on day one and they also engaged with the University of Adelaide's STEM Academy, where they learnt about rockets and different propulsion methods.

Day two allowed students to visit the Australian Space Discovery Centre, the Australian Cyber Collaboration Centre at Lot Fourteen and attend a Careers Expo at the Hilton Hotel.

Students also unexpectedly met the newly appointed United States Ambassador to Australia, Caroline Kennedy at the Australian Space Discovery Centre.

PATHWAYS... Kadina Memorial School year 10 students during their two-day STEM pathways and careers camp, back: Toby Nolan, Samuel Roberts, Noah Seal, Jaykob Paterson, Matthew Crosby, Max Loveridge, Rex Monger, Charles Mwoyounotsva, Isaac Kemenyvary, Aimee Bettess (hidden), Maia Thomson, Ebony Lamshed, Abel Carty, Olivia Brook, Alice Schultz, Emily Boyle; front: Lara Hall, Natasha McRae, Ella Halls, Tay Hocking, Emily Kirley, Tia Luppino, Erin Martin, Ellise Harmer.

Secret Writers' Group releases new Moonta anthology

A GROUP of local authors has released its latest collection of stories, Spooky Moonta.

"If you enjoy ghostly romance, cursed artifacts, mysterious felines, tales of eternal life or curious aliens, then this book is for you," the five Secret Writers' Group members said.

Founded in 2017, the Secret Writers' Group comprises published authors Roger Norris-Green, Philip Ahier, Lorraine Harvey, Alan Hughes and Pam Farley.

Spooky Moonta is dedicated to Marie Ahier, who passed away in 2021, and includes a short, prize-winning autobiography of Marie's early life.

This is the third anthology the group has produced, and all these stories are set in or around Moonta.

The group members will be signing their new book at Cafe Moonta, George Street, between 10am and 1pm this Saturday, December 17.

SECRET WRITERS... Secret Writers' Group members Roger Norris-Green, Philip Ahier, Lorraine Harvey, Alan Hughes and Pam Farley have launched a new collection of stories.

MDS awards presentation

MINLATON District School welcomed students, staff and other special guests to its annual awards presentation night on Thursday, December 1.

The night was compered by student leaders Max Hamilton, Darcy Walsh, Lucy Mahar, Matilda Cook, Madi Brunton and Rory Hackett.

A Welcome to Country was provided by Shanaid Sansbury and Ivy Cranwell and awards were presented to students from year 3 through to year 12.

Principal Ali Bogle also delivered a special, final address as she is retiring after 13 years as principal.

Throughout the evening, several significant presentations were made to students who were recognised for the academic and community efforts.

The Year 5 Marvis Hele Award was presented to Saxon Williams by primary coordinator Barb Agnew, with Year 5 Achievement and Merit Awards presented by Kadina portfolio principal consultant Natasha Hefford.

The Middle School Thriving Learner Award was presented to Lucy Mahar by CWA life member Pat Pitman, while Stephen Talbot presented the Muriel Matters Award to Mackenzie White.

Primary Sportsperon was awarded to Angus Coote while Mia Longbottom received the Secondary Sportsperon Award.

The Year 12 Sportsperon was awarded to Rory Hackett and the 2022 House shield was presented to Vincent House by deputy principal Greg Hackett.

Ex-student Kali Germein presented ADF Long Tan Youth and Leadership Awards to year 10 student Joseph Rothe and year 12 student Rory Hackett.

The Fraser Ellis MP Award was presented by Yorke Peninsula Council elected member Tania Stock to year 11 student Shineah Goody.

Mrs Stock also presented the Rowan Ramsey MP School Community Award to Peter Mitchell for his outstanding service to the school and the community.

Year 12 student Mavrik Harper-Zerna received the Chairperson's Award for Leadership and Service, which was presented by Governing Council representative Kristen Wilson.

The Principal's Thriving Learner Award, the Principal's Award for Academic Excellence and the Ampol Best All-rounder Award were presented to Rory Hackett by Governing Council treasurer Kimberley Hamilton.

Giving back to the school community

MOONTA Area School year 10 students are giving back to their school community by participating in a range of different projects.

Community Studies class members identified different needs and ways to support their school community, through projects including designing and publishing year 10 school newsletters, recycling 10c drink containers, rejuvenating gardens, attending to IT projects, designing stickers and making artwork to put around the school.

With the guidance of teacher Tracey Peters and SSOs Peter Williams, Glenys Schlink and John Andrew, students engaged in activities which gave them the opportunity to do things they had never done before and which would have an impact on others.

“One example of these groups is our 10 cent container recycling group, called the Recycling Rummagers,” Mrs Peters said.

“Two or three times a week we have a handful of students go around the school to collect cans from recycled tubs we have set up.”

“The money we have raised (just over \$400) helped us fund some of the other different Community Studies

projects and allowed us to purchase many plants, tools and other materials.”

Students have also been working on regenerating a school garden, with a focus on vegetables to sell to further develop this entrepreneurial venture.

“The area we are working in was previously a bit hard to look at,” student Ayden Aurisch said.

“We have put a bit of work into regenerating it and laying an irrigation system.

“We now have garden beds filled with corn, beetroot, tomatoes, egg-plant and a few other different things.”

Another group of students has been working on creating a sign to officially name a historical hill slope within the school.

“It was unofficially called Huddy’s Hill in the 1880s,” Mrs Peters said.

“The students researched the background of this location and have designed an information sign which will be physically located on the hill at a later date, to draw attention to its history.

“Our students have been diversifying into some interesting and purposeful projects throughout our school community and they should be quite proud of what they have achieved.”

ARTWORK... Moonta Area School students including Imogen Elsworthy and Alexa Northey have created artwork to brighten up the schoolgrounds.

RECYCLING RUMMAGERS... Daniel Stone and Aidan Barnes are part of a group called the Recycling Rummagers, which helps raise money for school projects by recycling drink cans.

GARDEN GURUS... Students Ayden Aurisch, Ryan Durdin, Lucas Waters, Mitchell Crowley and Jordan Shields worked to rejuvenate the school garden by adding irrigation, building plots and growing vegetables.

Bowlers donate to Pink Round

Jarryd Rowley
JOURNALIST

Northern Yorke Peninsula Bowling Association players raised almost \$3000 in this year's Pink Round, November 2 to 5.

Bowlers from all 11 clubs dressed in pink and donated, with \$2866.80 raised for breast cancer research.

Bute Bowling Club member Kate Brokate started the Pink Round in 2019; however, due to Covid-19 restrictions was only able to get the special round up and running again this year.

"It was fantastic to see so many people dress up for the occasion," Brokate said.

"There was so much support from all the clubs, everyone truly took it on board and embraced it.

"Nearly every club would have someone who is affected by this horrific disease, it's a very personal cause for a lot of people.

"It is such an easy thing to dress

up in pink and spread the awareness, it was a fantastic sight."

Brokate aims to bring back a Blue Round next year, to raise money and awareness for prostate cancer research.

"The Pink and Blue Rounds are hopefully going to rotate biennially to one another," Brokate said.

"The statistics for both breast and prostate cancer are horrific, by hosting these rounds and donating we are doing our bit to combat cancer."

Brokate is hoping to take the idea to Bowls SA in time for the 2024 season.

"There are over 20,000 members registered across South Australia, if each of them donates a dollar like we did here on the northern Yorke Peninsula, there's \$20,000," she said.

"All it needs is one or two people to truly push the idea to make it work, I am more than happy to keep taking the idea to bigger and better places and have it potentially go nationwide in the future."

PRETTY IN PINK... Bute's Phil Harris and Kate Brokate made sure they dressed to impress for NYPBA's Pink Round.

Yorkers win at Pirie basketball carnival

PORT PIRIE BASKETBALL CARNIVAL... Under 10 champions, back: Ajay Chapman, Oliver Britton, Sebastyn Ziersch, Isaac Pennington, coach Michael Hosking; front: Ollie Malone Hosking, Max Bagshaw, Jay Green, Tate Boundy, Logan Bennett.

Yorkers sent two boys' teams to the Port Pirie Basketball Carnival on Saturday and Sunday, December 3 and 4.

The under 10 side came away victorious while the under 12 division II side made it to the semifinals.

Michael Hosking coached the u10s, which featured players from three different teams in the Yorke Valley Basketball Association.

The boys defeated Port Augusta Devils 30-18, Port Augusta 37-19, Whyalla 29-5 and drew with Port Pirie 18-all after leading for most of the game in the round robin.

The side ended up minor premiers and defeated Port Augusta 35-14 in the semifinal, before taking on the Port Augusta Devils in the final.

"It was their toughest match over the weekend and the boys had to dig deep," team manager Monica Britton said.

"It was hot, they were exhausted but they gave everything they had left and ended up winning 30-25.

"Special mention to Jay Green who received MVP for the grand final.

"This is only the second carnival the boys have played together and they did Yorkers proud with their teamwork, determination and sportsmanship towards umpires, scorers and opposition.

"The future definitely looks bright for these boys and their basketball."

The under 12 boys div II side was coached by Jorja Rogers and had a great carnival, coming away with a couple of minor round wins against Broken Hill and Whyalla.

The side only went down to eventual carnival winner Port Lincoln, finishing second on the ladder.

This moved the team into the semis but it unfortunately lost to Broken Hill.

MVP... Jay Green, under 10 grand final MVP.

Sutcliffe named Magpies' best

Peter Argent
REPORT BY

Kadina's Cameron Sutcliffe was awarded the A R McLean Medal for Port Adelaide's best and fairest SANFL player at the Adelaide Convention Centre on Monday December 5.

Sutcliffe adds his name to an iconic list of Port Adelaide Magpie greats including Bob Quinn, John Cahill, the late Russell Ebert and Paul Northeast to claim the medal.

Team captain Sutcliffe recorded 128 votes, eight ahead of Sam Mayes while Nick Moore finished third.

"It was pretty humbling to win," he said.

"You never play to win individual awards, but to have my name in gold letters alongside some of the biggest names in Magpies history is special.

"The premiership is still the ultimate goal, and there are plenty of new faces on the track as we get into pre-season.

"It will be nice to go one better than we did in 2019."

The honour is named after Allan Robert Charles "Big Bob" McLean OBE, who, after retiring as a player at the end of the 1949 season, served as Port Adelaide's secretary and general manager for more than 30 years.

McLean, a right-handed batsman and a leg-break bowler, also appeared in 20 first-class cricket matches for his state.

Port's SANFL coaching team and

manager Shane Grimm award each player a score between zero and five for each game.

This means a player can be awarded a maximum of 20 and a minimum of zero votes for a match.

Sutcliffe missed two games through injury early in the season but polled votes in 16 games to win.

Now 30 years old, Sutcliffe paid special tribute to outgoing SANFL coach Matthew Lokan for his tireless efforts.

"It's a really difficult thing to coach the Magpies, especially when 'Lokes' had a lot going on with the AFL side as well but I really appreciate his efforts and think he deserves a round of applause," Sutcliffe said.

"I'd also like to thank the volunteers at the club.

"You guys go unrewarded throughout the year but we really appreciate all you do for us.

"To the entire Port Adelaide Football Club, I know I also work at Alberton day-to-day, thank you for giving me the opportunity to come back from Fremantle and to be able to play for such a great club.

"I really appreciate being a part of it."

Bute's Lachlan Jones was also recognised for his top AFL season, winning the Gavin Wanganeen award for Best Player Under 21.

The 186cm, 90kg utility played 14 games in this year's campaign, receiving an AFL Rising Star nomination and displaying his versatility by playing across half forward for a portion of the campaign.

BEST AND FAIREST... Kadina's Cameron Sutcliffe claimed the A R McLean Medal at Port Adelaide's club awards night.

Local players at country championships

Peter Argent
REPORT BY

Former Eastern District player Callum Agnew is leading an exciting side of cricketers from across Yorke Peninsula in the annual SACA Under 16 Boys Country Championships in the Barossa Valley.

The event started yesterday (Monday, December 12) with games to be played across the week and finals held on Friday, December 16.

Port Broughton cricketer Tom Dolling, who has played regularly in junior representative competitions, will be skipper of the side.

The side includes three cricketers from Minlaton in the lower Yorke Peninsula competition, Henry Coote, Freddie Wilson and James Cook, along with the Kakoschke siblings, Harry and Charlie from Maitland.

The rest of the playing group hails from the Yorke Peninsula competition.

YP played South East yesterday and will take on Fleurieu and District and Murray District/Barrier before hopefully making it to finals on Thursday and Friday.

YP did not send a side to compete in the SACA Under 16 Girls Country Championship.

Yorke Peninsula squad

Tom Dolling (captain, Port Broughton/West Torrens), **Charlie Hines** (Walleroo/West Torrens), **Harry Rennie** (Kadina/West Torrens), **Henry Coote** (Minlaton), **Harry Kakoschke** (Maitland), **Ed James** (Paskeville), **Charlie Kakoschke** (Maitland), **George Butler** (Arthurton), **Freddie Wilson** (Minlaton), **Jaxon Barnes** (Port Broughton), **Angus Hall** (Paskeville), **James Cook** (Minlaton), **Callum Agnew** (coach, West Torrens/Eastern District).

Elite hub for Cougars stars

Peter Argent
REPORT BY

CY Cougars' Riley Davey, Jett Hasting and Tom Luck were amongst the best 45 young SANFL players who participated in a four-day camp in Adelaide last week.

The squad trained at Adelaide Football Club's West Lakes facility on Monday, doing a full session with balls under the watchful eye of senior coach Matthew Nicks and assistants including Marco Bello, Heath Younie and Nathan Van Berlo.

Players completed a two kilometre time trial along the University Loop on Thursday and also participated in strength training, as well as sessions on public

speaking, gratitude and nutrition throughout the week.

"We had a couple of speakers including Adelaide recruiting manager Hamish Ogilvie," Davey said.

"It was good experience and we learned heaps, there was plenty of diversity."

Davey finished his time trial in just under seven minutes while Hasting was fourth overall in 6.25.

In 2023, Davey will play under 18s in the SANFL with Woodville-West Torrens as well as school football with Immanuel College while Hasting will complete year 11 at St Peter's College.

"It was a great week with a lot of sessions and education and testing that I got a lot out of it," he said.

"To be able to look through and use an AFL facility was amazing."

Luck, who will be in year 12 at Kadina Memorial School next year, did not complete the time trial due to illness.

"It was an unreal experience being involved at this elite level — the knowledge of the Crows coaching staff was amazing," he said.

"To see the intensity the Crows players train at gave us a great insight into the requirement we need to get to.

"Doing everything with an intent was a key message.

"Along with the life skills we're also taught, it was an enjoyable and productive week."

The trio will attend another camp early next year.

SACA men's first grade

The game between Sturt and West Torrens at Henley Memorial Oval proved to be a one-sided affair on Saturday, December 10.

After the Blues made 249 the first week, the hosts chased it down with relative ease, reaching 252 with just four down to win by six wickets.

Corey Kelly (Bute connections) took 1/38 from 14 overs including a maiden.

James Reuther (Coobowie) and Murphy Short (Curramulka) spent day two in the pavilion.

SACA men's second grade

It was a tense finish for West Torrens against Sturt at Price Memorial Oval, with West Torrens 9/222 from 80 overs at

stumps, chasing 9d/271.

Lachlan Pointon (Curramulka) made an enterprising 37, including seven boundaries from 61 balls.

SACA men's third grade

Callum Agnew (Curramulka) batted in third spot for West Torrens against Sturt at Henley High School.

West Torrens made 182 on day one, with Agnew dismissed for 13.

SACA men's Twenty20 Cup

The contest between Sturt and West Torrens at Price Memorial Oval had plenty of feeling, twists and turns on Tuesday, December 6.

Eagles batted first but fell from 1/106 to 8/122 before an unbroken last wicket stand of 27 between Seb Young and Reuther helped the visitors to a respectable 9/162.

Young made 27 not out against his former club and Reuther batted sensibly and was eight not out in a valuable support role.

In the run chase, Sturt was 3/70 when Thomas Kelly (Bute connections) smashed a wild shot to mid-wicket, after making 29 from 24 balls, including a pair of sixes.

After some banter between the twins, C Kelly took the contest into his own hands.

He produced an electrifying 66 not out from just 23 deliveries, including a quartet of boundaries and a further six maximums.

Sturt won the game with a C Kelly boundary in 18.1 overs.

Teenage quick Reuther wore the brunt of C Kelly's blade finishing with 0/62 from four overs, while Short finished with a respectable 0/20 from three overs.

SACA men's One Day Cup

West Torrens played the Southern Districts in round 2 of the 50-over game at Park 25 Number one ground on Sunday, December 4.

Eagles batted first and amassed an outstanding 7/404.

Along with centuries to captain Kelvin Smith and Dan Mousley, Pointon made a run-a-ball 17 and Short smashed 34 from 17, including a boundary and three big sixes.

In reply, the Stingrays made 211 and lost by 193 runs.

All-rounder Short was also useful with the ball, 2/30 from five overs.

Reuther finished with 2/47 runs from 5.3 overs.

SACA women's first grade

West Torrens finished its twenty20 competition in fashion, but not with a

win.

Playing the powerful Kensington Browns, West Torrens lost by 10 wickets with 5.2 overs to spare.

Maitland cricketer Mackenzie McCauley was three not out from five balls; she also sent down two overs of leg spin for 0/10.

Women's National Basketball League

Adelaide Lightning lost its match against the Bendigo Spirit by nine points on Saturday, December 10.

Despite the 75-84 loss, Stephanie Talbot (Kadina) was key for the visitors at both ends.

Having 35.5 minutes of court time, Talbot finished with 12 points and seven rebounds.

She was also credited with a game high eight assists and a block.

SACA MEN'S TWENTY20...
James Reuther strikes the ball against Sturt; he contributed a valuable eight runs to help his side.

WNBL... Stephanie Talbot was a key contributor for the Adelaide Lightning despite her side's loss to Bendigo Spirit.

Northern YP SAPSASA tennis results

Northern Yorke Peninsula tennis players participated in the SAPSASA Tennis Carnival in Adelaide from Wednesday to Friday, November 16 to 18.

Students chosen to represent NYP were Mackayla Green, Stella Hewett, Saxon Krieg (Bute Primary School); Imogen Phillips, Gabrielle Skinner, Lachlan Davey (Moonta Area School); Tayla Mengersen, Monica Metcalf, Xander Read, Cooper Rundle (Kadina Memorial School) and Hannah Harris, Jake Mildren, Max Mildren and Zaine Palmer (Port Broughton Area School).

"Due to having so many students participate at the NYP and SYP tennis trials, we were fortunate enough to be asked to help other struggling districts to compete in Adelaide," YP SAPSASA convenor Aaron Smith said.

"Taylor Rundle, Ruby Petherick, Emily Hank, Kayden Wood, Charlie Crosby and Maverick Crosby, of Kadina Memorial School, Charlie Frost from St Mary MacKillop School, Carly Whittaker of Ardrossan Area School and Maitland Lutheran School's Asha Wegener all had the opportunity to play for the Port Pirie District.

"The day before the event, KMS's

Riley Ayles and Caleb Smith got an invitation to attend and play with Kangaroo Island as they had a couple of players unable to attend due to Covid."

Smith said all Yorke Peninsula students displayed remarkable sportsmanship throughout the three days and most, if not all, were able to win at least one of their sets.

"The improvement throughout the carnival was exceptional and everyone played at a high standard," he said.

"It was great for the students to see the calibre of talent across the state in tennis and take this learning back to their own local clubs.

"NYP was able to come away with a silver medal in division VI after a very narrow win against Playford District, which came down to the very last set.

"It was very pleasing to see all our students in the area be enthusiastic about playing for other districts after they were not chosen initially for the NYP or SYP teams.

"It shows a high level of resilience and respect and a determination to improve and always do your best.

"Well done to all involved, including our many parent helpers."

SILVER... Division VI silver medallists, Northern Yorke Peninsula, back: coach Patrick Keane, Gabrielle Skinner, Mackayla Green, Stella Hewett, Imogen Phillips, Jake Mildren, Saxon Krieg, Hannah Harris; front: Monica Metcalf, Tayla Mengersen, Cooper Rundle, Max Mildren, Zaine Palmer, Lachlan Davey, Xander Read.

PORT PIRIE... Yorke Peninsula provided nine of the Port Pirie district's 13 players for the SAPSASA Tennis Carnival, including, back: Ruby Petherick, Emily Hank, Carly Whittaker, Asha Wegener, Taylor Rundle; front: Charlie Crosby, Maverick Crosby, Kayden Wood, Charlie Frost.

Left: YP TO KI... Caleb Smith and Riley Ayles, Kadina Memorial School, played for Kangaroo Island.

One to play before Christmas break

"The Finger Roll"
REPORT BY

Three A Women sides have drawn level on the ladder after some close encounters on Friday night, December 9. Arthurton escaped with a narrow seven-point win against Kadina while Bute eased past Paskeville by 20 points to notch its ninth win from as many matches this season.

A MEN

Bute v Arthurton

Sitting just one game out of finals, the Roosters will do everything they can to scratch into fourth before indulging in some Christmas pudding. But it'll be tough going this week against Arthurton's strong mix of tall timber and shifty guards.

At the final buzzer... Arthurton

by 15.

Paskeville v Moonta

Sources tell me Moonta may have already forfeited its round 10 contest against the Magpies. This will only extend Pasky to 9-1 and keep the Blazers at the bottom of the ladder.

Kadina v Wallaroo

The Bloods only lead Wallaroo on the ladder by percentage, but I expect they'll widen this gap as the season progresses. No doubt this matchup will be won in the scrap, and Kadina's extra height could help them win the rebound battle and take home a win.

At the final buzzer... Kadina by six.

A WOMEN

Paskeville v Arthurton

This clash to decide ladder positioning will make for entertaining

viewing on Friday night. Pasky will get plenty of looks out in transition while the Tigers will also try to push the pace through their youngsters. If Georgie Garrard keeps knocking down shots, like the pair of three pointers made last week, Arthurton should run out in front.

At the final buzzer... Arthurton by four.

Bute v Kadina

The Roosters will have one thing on their minds this week; to finish 2022 with a 10-0 record. However, Kadina, led by Amber Aldridge and Monique Smith, has found its rhythm during the past few weeks and will no doubt bring a fight. But I anticipate Bute's experience and terrific two-way play to prove too strong.

At the final buzzer... Bute by 13.

BOWLS

Ardrossan Wednesday:

Results 7-12-22 — The Blue side had a win against Minlaton, 58-36. The winning rink J Burgess, I Roberts and B Hicks revelled in the windy conditions to blitz their opponent with unrelenting scoring for a 40-6 commanding performance. Starting well, M Shaw's team then struggled, but retaliated near the end when the damage was done, going down 18-30. The Whites were successful against Curramulka 53-43. Best rink L Burman, S Grimes and N Marsh scored freely early, and after a mid-game scare, ran home comfortably to a 28-15 victory. In a game of high scores, J Simmons' team chased down its opponent, then unfortunately fell short 25-28. **LBB**

Ardrossan Thursday: Results 8-12-22

— It was a forgettable day on the green for both divisions. Div I was at home to Moonta, which displayed its might in winning every rink. Penny McCarthy, Jenny Adcock, Kerrie Aldridge and Wendy Lambert started well, and after 14 ends were ahead by four shots. During the last six ends, Moonta finished strongly, scoring on each end to finish with a win of 21-17. The other three rinks were never in front, and so Moonta was able to score an easy 16 points. Div II played at Moonta with a final score of 48-99. Best team was Chrissy Voysey, Dawn Woodford, Ann Marie Slattery and Ray Jackson, finishing just four down, 17-21. Thanks to all the men who filled in, enabling sides to be fielded. Ardrossan also wishes all players a happy Christmas and New Year. **AR**

Maitland Wednesday: Results 7-12-22

— Once again, players were off to Port Broughton. G Treloar, R Evans, K Drover and M Smart were able to take the lead by fifth end, up 6-2 and moved ahead 15-8 after 13 ends. Broughton came back to be down only 15-13 on the 16th end. Final scores: 18-15. T Wuttke, L Harper and J Lehner let Port Broughton get a good lead 1-10 after six ends, they fought back and were only 9-10 down on 12th end. With an even number of ends each, Port Broughton had one good end to win 23-16. Port Broughton were the overall winners 64-46. **"Kitty/Jack?"**

Maitland Thursday: Results 8-12-22

— Maitland hosted Arthurton, hoping to have a win for the final game before the Christmas break. With two rinks up each, Arthurton were the winners 81-71. J Hollams, M Stock, M Wearing and T Harding had good match with scores level on the eighth end, 5-5. Maitland went

ahead winning seven of the next 12 ends. Final scores: 20-12. They were the club biro winners as well. J Davies, M Burrows, B Brown and G Jarrett got off to a great start, leading 18-4 after 10 ends. Arthurton settled and slowly pegged its way back and took the lead 20-19 on the 17th end. Maitland held on to come back on the last three ends, winning 23-20. J Prosser, R Cameron, S Honner and J Kelly allowed Arthurton to get away to 13-7 lead on the ninth end. Play settled down and got to 12-13 on the 13th. Arthurton slowly drew away again, winning 22-13. M Wuttke, M Saunders, P Gloyn and C Tucker kept close for the first 11 ends, only 10-13 down but Arthurton scored three, three on the last three ends to win 27-15. **"Kitty/Jack?"**

Maitland Saturday: Results 10-12-22

— Due to the weather forecast, all bowls for all divisions were cancelled on Saturday. **"Kitty/Jack?"**

Walleroo Wednesday: Results 7-12-22

— Welcome to what may be my shortest report for this season as only our midweek pennant games were played and open Saturday pennants were cancelled due to the catastrophic fire conditions. As always, it's better to be safe than sorry. The midweek game was played as a local showdown between two Wallaroo sides with the White side victorious over Blue 64-40. N Hards, G Walling, I James, F Schenck 27 to D Cracker, M Mellow, S Yandell, G Male 8; P Rankin, W Wade, C Oborn 13 to T Nash, K Godfrey, L Pratt 18; D Carter, K Robinson 24 to R Hamms, A Gribble 14. The next Saturday game will be the same format with both of our sides playing each other in division II and div III with div I having a bye. Best of luck to all for next week and please don't forget the pooled tea and live entertainment after the game this week. **"Papa Bravo"**

Walleroo Mines Thursday: Results 8-12-22

— The Mines lost to Wallaroo away from home by 29 shots with one drawn game being played out by Carol Howe, Barb Spurling, Michele Andrews and Judy Goodchild at 20-20. Others included Cynthia Pearce 11-17, Bronwyn Schulte 15-26 and Coralie Fiske 10-22. Thanks to Eric Beare, Wayne Cooper, Bobby Simpson and Dave Pearce for filling in and also to Arthurton Bowling Club for helping us out with a player; thank you Michelle Andrews. **BS**

Paskeville: Results 8-12-22

— We fielded a side, and won, thanks to fill-ins as there were two with Covid, one getting over a knee

replacement and another with cracked ribs. Final scores: Paskeville 96 (16), Alford 48 (0). Lyn Bensen, Steph Rundle, Sheryl Millard (welcome back) and Pam McInerney 31-11, Jackie Harrop's team won 26-11, Denise Hill's team 20-12 and what a fight back for Jane Hill having her first game as a skipper, 19-14. Championship competitions are well and truly underway. What wonderful competitions we are seeing. **Results 10-12-22** — With harvest, Covid, and sickness it, division II had to forfeit but a catastrophic fire danger warning caused all divisions to be cancelled, so no bowls was played. Let's hope this week with div I at home, div II at Alford and the Thursday competition at the Mines, we can field three sides and have three wins. Merry Christmas everyone. **"One-eyed Magpie"**

Walleroo Tuesday: Results 6-12-22

— Another great golf morning and 11 ladies played a 12-hole Ambrose. Winners were Jan Paull, Steph Krieg, Julie Arthur with a fantastic score of 45.83 net; runners-up were Joan Cushion, Thelma Searle, Lorraine Paull 46.17. Great also to have mother daughter team of Annette and Tessa Koch. A lovely Christmas lunch at our sponsor the Cornucopia Hotel with our non-playing past and present members joining us. Especially great to see Meg Wehr, Jan Petherick and Joyce Rivers. Competition begins again on January 3. But for those who are keen I'm sure there'll be a few of us lurking about on Tuesdays and Thursdays for a hit! **"Hit 'n' Hope"**

Walleroo Saturday: Results 10-12-22

— A field of 14 players competed for The Smelter, Wallaroo, voucher. This was also the third round of the Wallaroo Holiday Park "play to win" series for the summer season. Overall winner with a cracking score was Geoff Bailey 5 up; fantastic golf in tough conditions. Division I Alan Wheatley 1 up, r-up Ben Wall sq. Div II Grant Donovan 2 up, r-up Ryan Chadbourne 1 up. SAILING

Port Vincent Sailing Club: Results 10-12-22 — The fleet took to the water in the final race of the Port Vincent Kiosk Series, although harvest and family events continued to keep some sailors away, on Sunday afternoon, December 11. One boat retired early due to a malfunction with the mainsail with the remaining boats completing the course in good

time. The top deck crew kept an eye on the fleet during the afternoon and were joined at the end of racing with skippers and crew for celebratory nibbles and drinks to help celebrate the special occasion of one of our members. Trailer Sailors: 1 Chameleon, A Rushbrook; 2 Cripple Creek Ferry, R Cook. Series of races results: Trailer Sailors; 1 Xtremist, J Butler; 2 Chameleon, A Rushbrook, Stormbird, B Travis; 4 Cripple Creek Ferry, R Cook; 5 Vostok, K Campion. YP harness racing news

Yorke Peninsula Harness Racing Club connections had a couple of wins at Port Pirie on Tuesday, December 6.

Rosiano was a strong shortener coming in from 12/1 to paying \$4.90 as Corey Johnson used up all the track to win race 1, the 1609 metre Autopro Port Pirie Pace.

Trained by John Olds, Rosiano is owned by K Grossman, AR and HJ Olds.

In race 2, the 1609m Thank You Jim Jacques

Pace, Holman drove the Olds-trained Kickapoo Creek to a victory.

After a third last start and a win before that, the bay mare crossed the line at \$10.40 for the win; the Trump Bloodstock Mile Rate was 1:58.4.

Kickapoo Creek is owned by KR Grossman, and HT, AR, DW and SJ Olds.

The next Port Pirie meeting is on Tuesday evening, December 20.

Copperclub come try golf

Copperclub's Come and Try golf clinics for young and adult golfers have finished at the Port Hughes course for 2022.

The five-week program is designed for new or newly established golfers to have a go at golf or to extend their skills.

It is an ideal opportunity to

introduce people to the game of golf and provide an opportunity for those who have played to further their skills.

The program starts with a putting and chipping session, moves into the full swing, and finishes with an Ambrose on the course.

The club runs two programs a year, in February and November, and is supported by Golf Australia.

Registrations for the February program are now open via the Learn section of the Golf Australia website <https://www.golf.org.au>.

Kevin Ryan

COPPERCLUB TRY GOLF... Christine Harvey, Gaynor Crosby, Tia Johnstone, Vicki Love, Deb Adams, Jordi Thomson, Karen Woodroffe, Sandy Johnstone, Dom Thomson and Maia Thomson have some fairways practice under the guidance of PGA professional Matt Deans.

LEADING THE WAY... Col Bridgman, Lochie Mill and Marion Kennedy show how to best prepare the sail for hoisting.

Wallaroo Sailing Club

Once again, the weather, in particular the wind, defeated Wallaroo Sailing Club on Sunday, December 11.

With gusts above 20 knots, it was deemed too much for our sail training crew.

So, it was into the classroom for work on the finer points of sailing safety then into the boat shed for work on rudder control.

Like the rules of the road, sailing has its own set of rules which are there to ensure the safety of all on the water. Mastering those is as important as mastering the art of sailing.

While one group of trainees was in the classroom, another group was with senior instructor Col Bridgman getting the hang of rigging and setting sail to suit the conditions.

Hopefully this week's conditions allow for the training crew to get out on the water and practise the things learnt in the classroom.

Radio Control

The swirling wind also affected the radio control sailors but it didn't deter the 13 starters as all completed the course.

Congratulations go to Peter Elverd for his win and to Des Westlake who was runner-up. Well done in trying conditions.

Maria Carius

AWARDED... Peter Elverd accepts the prize for his win from Peter Carty.

TAKING IT IN... Learning in the classroom were Edie Winter, Taya Linke, Courtney Valenti, Tyler Patching and Tyson Eckermann.

No bowls says Bowls SA

"NN"
REPORT BY

Saturday competition

What right does Bowls SA have to tell us when we can play bowls when we have association rules to cover hot days and other weather conditions?

Yorke Peninsula was declared a catastrophic fire danger day on Saturday, December 10, and a new ruling from Bowls SA meant no bowls were played in that area.

If the pagers go off during a game, firefighters and farmers will drop everything and head off to fight the fire anyway.

All SYP games could have gained a result as our rules cover a weather policy.

These are my thoughts and I think Bowls SA needs to review its decision.

Thursday competition

DIVISION I

Curramulka continued to thwart Warooka's efforts in making the top four with another win against Port Victoria whilst the Red and Whites

went down to Stansbury by 12 shots. Minlaton scored an upset 74-all draw against top side Yorketown to remain in third place and leave Yorketown on top of the ladder.

Port Vincent is making a bold bid for a finals berth following its win against Edithburgh by 11 shots.

Curramulka is the side to watch as it continues to improve and upset top sides each week.

Warooka is 11 points behind Curramulka in fifth place and it will come down to who will win in their last minor round clash.

Wednesday competition

The weather at Edithburgh was confusing to say the least.

When the games commenced, the wind was from the east-south-east with a cold touch and by the time the game was over, the wind had turned quite cold and came from the west-south-west making it hard for the players to work out the green.

However, the results were handed in with Yorketown Red again well on top from Edithburgh Gold, Stansbury

and Ardrossan White making up the top four with Warooka in fifth place.

Biggest winners of the day were Nick Leach of Stansbury with a 31-8 win against Allan Gregory of Warooka and Bill Hicks, Ardrossan White, 40 against Andrew Newbold, Minlaton, 6.

Col Bennett Shield changes hands

Yorke Peninsula's past presidents finally succumbed to a determined Lower North side, handing over the Col Bennett Shield for the first time in 10 years at Balaklava on Monday, December 5.

YP led the day by six shots in the morning game but was soundly

defeated by 42 shots after lunch.

Winning rink for YP was Murray Gerschwitz, Tom Martin, Jim McKenzie and Pauline Banks.

YP president Len Rich handed the shield to Lower North president Brenda Philp for safe keeping.

Highly sought-after location

A RARE offering, this absolute beachfront property is situated in one of the most prestigious beachside locations in South Australia, according to Ray White sales consultant Scott Bockmann.

"This modest shack comprises basic accommodation facilities with minor shedding and is on a Crown lease with an annually renewed Licence to Occupy," Scott says.

"The freehold title measures approximately 698 square metres, allowing you to build your new home in this dream location or, if you prefer, make repairs to the foundations and renovate the shack to enjoy it as the current owners have for more than 70 years.

"Mains water and power, as well as a common effluent septic system are all in place and the property is being sold as walk in, walk out including two boat moorings.

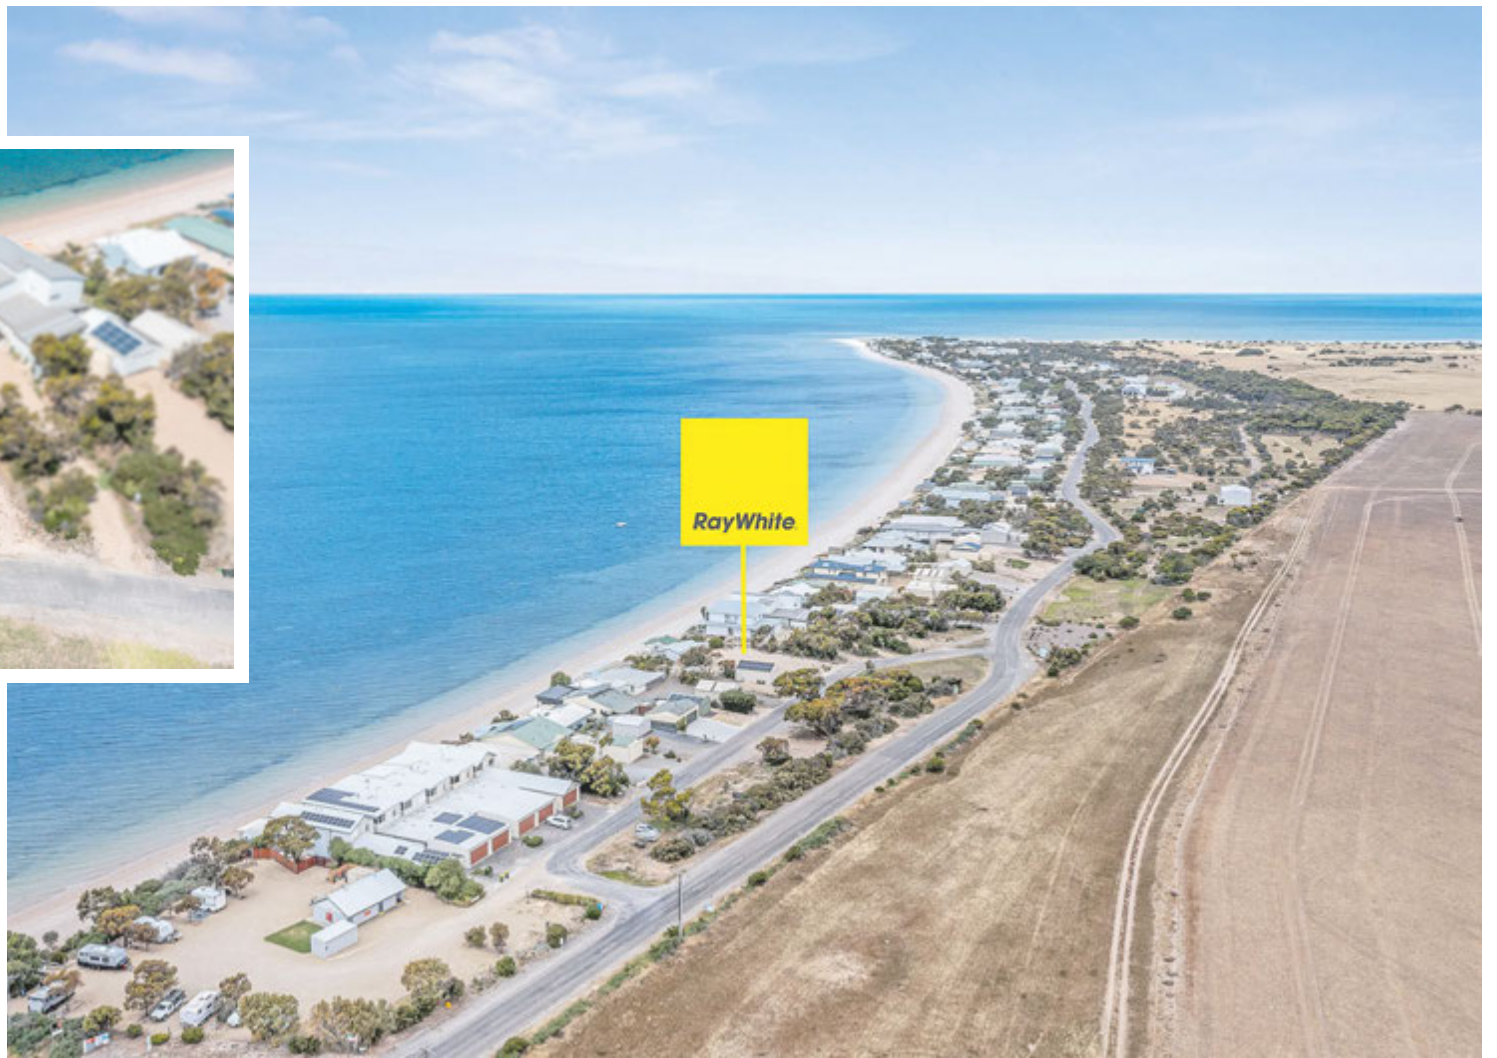

"Black Point is one of SA's most sought after locations and is a short five-minute drive to Pine Point to stock up on the necessities."

TIMELY... A self-contained, mobile batching and mixing rig is a key means to gain efficiency for Tom and Phil Longmire's spray operations around their Western Australian properties. PHOTO: Evan Collis

New guidebook highlights key to spraying efficiency

A NEW technical and troubleshooting resource for grain growers is available in the form of a Grains Research and Development Corporation guidebook for mixing and batching agricultural chemicals.

The guidebook is a key outcome of a four-year GRDC extension investment into spray efficiency and efficacy, which also included hands-on sprayer calibration and application workshops for growers.

The guidebook showcases day-to-day practicalities, with grower case

studies for various enterprise sizes, each bringing different concepts, ideas and creative engineering to spray operations.

For Phil and Tom Longmire, who crop 5700 hectares near Esperance, Western Australia, over six adjoining properties, spraying operations are logistically complex.

"Timeliness of spray operations is critical for their success, and this is contingent on the capacity you have available — both labour and equipment," Mr Longmire said.

"We have upgraded our spray equipment over the years, customising it to the area of crop we need to service, but probably the key efficiency gain is how we use our limited labour source, particularly for mixing and batching chemicals."

The Longmires use a tag-team approach to allow for the pre-batching of chemical granules and dry product for the next spray operator.

This means products have time to dissolve and can be pumped straight into the spray units.

"Each year we spray around 40,000 hectares," Mr Longmire said.

"When spraying, on average we cover 1000ha per day, which equates to five to six spray tank loads per day."

The case studies included in the guidebook cover a range of operation sizes (both grower and contractor) and crop mixes in different rainfall zones.

They explore the individual requirements — such as farm infrastructure, equipment and staff management — required to service their spray operations.

Aspects to consider to identify efficiency gains for mixing and batching agricultural chemicals include water availability, labour availability, farm size and layout, spray units, size and number of units to suit farm conditions, mobility of the units, ease of decontamination and occupational health and safety.

The guide can be found at <https://grdc.com.au/resources-and-publications/all-publications/publications/2022/mixing-and-batching-agricultural-chemical-application-grower-case-studies>

DEFENCE PROOF & EXPERIMENTAL ESTABLISHMENT PORT WAKEFIELD: LIVE FIRING RANGE WARNING NOTICE

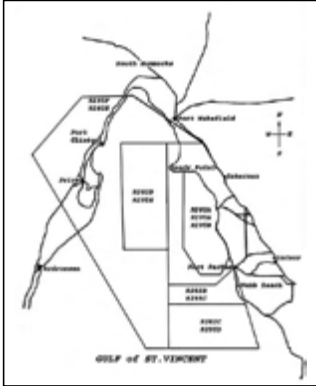

Test and evaluation activities involving static firings and/or firings of naval and artillery weapons are conducted at the Proof and Experimental Establishment Port Wakefield throughout the year. The Proof and Experimental Establishment Port Wakefield is a vital Defence test and evaluation capability that has supported Defence since 1929.

These firings may require specific tidal or weather conditions, and are critical for the safety of current and new Defence capabilities. Members of the public may notice noise, vibration, flashes and/or smoke during the testing. There is no risk to the public outside of the gazetted Defence Practice Areas.

For reasons of public safety, there is a permanent exclusion zone covering land, sea and air around the Port Wakefield Establishment. Specific details on the Port Wakefield Prohibited Area can be obtained from Commonwealth of Australia Gazette No GN 26, 4 July 1990, and is shown on the diagram below. Trespassing in this Area is strictly prohibited and very dangerous due to the presence of unexploded bombs. Any person found within the Prohibited Area or on Defence land will be subject to prosecution.

Specific test and evaluation activities may also require restricting public access to the Port Wakefield Defence Practice Areas over specific periods with these areas articulated in the Commonwealth of Australia Gazette No. GN 40, 7 October 1992, and also identified on the diagram below. This may affect access to the Gulf of St Vincent at Port Wakefield and Port Parham.

If any member of the public has inquiries in relation to these activities, please contact Proof & Experimental Establishment Port Wakefield - Range Control on (08) 8867 0270 between 8.00am and 4.30pm weekdays or the Proof & Experimental Establishment Port Wakefield - Security Office on (08) 8867 0299 outside these hours.

A Christmas poem

Glad tidings of joy
Good will to all men
Jesus our saviour
Born in Bethlehem

Without babe there would be no cross
Without the cross, we would all be lost
So praise the Lord, He came to do
His father's will for me and you

The only hope we have is Him
Who died to save us from our sin
His story is told year after year
May hearts be opened and ears to hear

This is not a fable or even a myth
Jesus came new life to give
His Word is true, His promise is sure
To repent of sin have new life within
And have eternal life forevermore

Sheila Egel

Better Man Than You

He was seen stealing clothing,
from the charity mission bin,
Keeping his impoverished crew warm,
he was therefore bathed in sin,
You noticed his clothes shabby,
whilst of course yours were new,
Naturally you're proud with fortune,
he is a better man than you!

And naturally he is common,
and you two would never meet,
If you both approached each other,
seek the other side of the street,
Yet he fights for his family,
he fights for all his brood,
I will tell you this solemnly,
he is twice the man then you!

The fashion by all these days,
the constant wanting more and more,
chasing those childish things,
the most expensive clothing in the store,
You conveniently fail to see him,
when he first comes into view,
Do not risk the contamination,
but he is a better man then you!

Has it ever crossed your mind,
that his shirt may not be white,
But he worries for his brood,
hopeful to reach tomorrow night,
Now those folks of such refinement,
study his patched apparel in lieu,
No! stand proud and have courage,
they are lesser men then you!

Your hearts have grown cold,
your hearts have turned to stone,
The love that you used to have,
now all of it has gone,
Once again look in the mirror,
love the person that you see,
Break bread and celebrate with him,
the person you used to be!

Starscopes

♈ ARIES—March 21-April 20
You earn the role of peacemaker, as much of your week is spent helping friends come to a settlement. Your judgement is not as sharp as you think. Be more discriminating especially in your choice of companions.

♉ TAURUS—April 21-May 22
Financial favours are not being returned. Don't be shy about asking for what is due. Your powers of concentration now are extremely strong, and you achieve at least one major accomplishment.

♊ GEMINI—May 23-June 21
It's easy to overdo - to the point that you take on more jobs than you can possibly finish. Friends, especially romantic friends, seem a little forthright and inquiring right now.

♋ CANCER—June 22-July 22
Your stable nature seems to attract both men and women friends this week. Some of your own goals remain just out of reach. Don't hesitate to ask for assurances.

♌ LEO—July 23-August 22
It's easy to be deceived right now, so be wary of any opportunists in your social circle. Recent unconventional ideas are paying off - to your amusement.

♍ VIRGO—August 23-September 22
Sparks may fly this week because you may put work before romance. At the workplace, advancement may be in the picture - just have a bit more patience.

♎ LIBRA—September 23-October 22
A possible romantic clash is in the picture. Approach situations with more maturity and don't make light of a controversial subject. A link with the past takes place on the weekend.

♏ SCORPIO—October 23-November 21
You are a little vulnerable now and if you are looking for trouble, you are bound to find some. To brighten your week, a shopping spree could be a good idea. Friends touch you with a surprise gesture.

♐ SAGITTARIUS—November 22-December 22
You are riding a crest of popularity now - which makes it all too easy for you to avoid key issues. A shift in family responsibilities takes place and you may be in for a new obligation.

♑ CAPRICORN—December 23-January 20
Rewards arrive and in some of the most unexpected ways. Distractions are everywhere on the weekend. Home improvements, travel and travel planning and moves are all favoured now.

♒ AQUARIUS—January 21-February 19
Take the lead now in finance and domestic decisions - but not in love. You are incredibly sharp now and your social life is going marvelously well. Messages may get tangled later in the week.

♓ PISCES—February 20-March 20
It's a week for competitions, mental or physical. While you may not keep coming up the winner, you are scoring points with VIP's. Selling could be your current forte. As a consumer, more care is needed.

BIRTHDAY THIS WEEK
You have a facility for inspiring people to do their best - so long as they are not stealing the limelight from you. Next year may find you becoming less materialistic and more philosophic.

The best movies of 2022

IT has been a mixed year for movies. There have been some absolute pearlers and some major duds. However, I believe these five movies are the best of what 2022 had to offer.

5. The Batman
When I was told four years ago Robert Pattinson was going to play my favourite superhero, I rolled my eyes.

They were going to turn him into some bland, sparkly parody of his comic-book self. Instead, we got a dark, gritty and realistic version of the caped crusader which ripped scenes straight from the graphic novel.

Director Matt Reeves produced a masterclass of suspense and tension, something I never knew I needed in a Batman movie.

4. Everything Everywhere All at Once
You may not have heard of a small studio called A24, but right now they are killing it, producing hit after hit like Hereditary, The Whale, X and The Green Knight.

Everything Everywhere All at Once might just be its greatest to date, and it's my tip this movie will win the Oscar for Best Picture.

It tells the story of Evelyn, a Chinese immigrant who must save the multiverse, while navigating different versions of herself.

3. Turning Red
Animated movies are often underrated or disregarded because of the fact they are animated.

If anything, they require more skill and dedication than any other form of filmmaking.

Pixar is the master of this craft and has produced another hit in Turning Red, which follows the story of Meilin Lee and her troubles with adolescence.

Due to her hard times as a teenager, she turns into a massive red panda.

The premise is just wild enough to be entertaining and just relatable enough to understand. A must-watch for the whole family.

2. West Side Story
Okay, I'm technically cheating with this one because it came out on New Year's Eve last year, but I'm going to count it.

West Side Story has been tried and tested many times, but I think Steven Spielberg's most recent effort is the best of the bunch.

It lives up to the musical theatre aspect of its source material while still producing a spectacle of film.

It's flashier than the likes of La La Land but more grounded than The Greatest Showman.

It is a must-watch for musical lovers.

1. Top Gun Maverick
No other movie could get me to go to the cinema three times to watch it.

Boasting the fifth highest box office intake of all time, it appears I wasn't the only person who loved this legacy sequel.

Picking up 30 years after the original, Maverick has been sent back to Top Gun to train a group of young pilots to fly an impossible mission.

Top Gun Maverick is a masterclass in practical movie making, a truly thrilling experience and the best movie of the year.

HOT FISHING TIPS

with Greg James www.gregjamesfishing.com.au

Welcome again to the fishing column with all the hot tips for fishing Yorke Peninsula; contact Greg by email at greg@gregjamesfishing.com.au.

Port Broughton: Yellowfin whiting have been targeted by shore-based anglers working the high tide flats at Wood Point and out from Kanaka and by boat crews in the channel, and from the jetty as well.

Wallaroo: I launched the new tinny here at an almost deserted boat ramp on Friday as a magic afternoon came before the strong northerlies and hot weather on Saturday. Blue swimmer crabs and large garfish are just off the marina breakwater and down at Bird Island. The jetty has a few blueys and squid.

Moonta Bay/Port Hughes: Cape Elizabeth and West Light grounds hold a few King George whiting still, especially in the outgoing tidal movements. Garfish are inside Moonta Bay and out from Rifle Butts Beach. The jetties are worth a try for squid, gar and tommy ruffs (Australian herring).

Point Turton: Late week fishing before the strong winds and subsequent cool change had KG whiting come from The

Banks, Corny Point and Point Souttar. Garfish and small squid are off Port Rickaby and Minlacowie, while the jetty has salmon trout and squid at times.

Marion/Stenhouse Bays: 10 kilogram tuna are finally here at the Althorpe Islands and other deep water drops off Marion Bay. KG whiting, red nannygai, flathead and squid have been the other main reports. Both jetties have squid, tommyies and garfish. Shore-based anglers have found mullet and salmon from Daly Head and Richards Beach.

Edithburgh/Stansbury/Port Vincent: Jetty-based fishing has a few blue crabs and tommy ruffs. Boat crews are reporting large KG whiting from Marion Reef and the Troubridge Light, then garfish and squid off Coobowie and Klein's Point. Small blue crabs are at The Hut and Port Vincent town wharf.

Ardrossan: Boat crews enjoyed a couple of rewarding days late in the week on garfish, squid, whiting and blue crabs. The town jetty has overnight soapie mulloway, blue crabs and squid. Rakers are respectfully asked to observe the Marine Park no-take zones between here and Port Wakefield.

Tight lines and see you next week!

Your chance to kick goals at Moonta

Patrick Goldsmith
REPORT BY

Moonta Football Club will host a come and try day for all women and girls on Yorke Peninsula interested in playing footy in 2023 this Sunday, December 18.

The day will begin at 10am at Moonta oval and there will be a sausage sizzle afterwards, free for all participants.

MFC hopes to enter a senior team in the Mid North Women's Football Competition and under 14 and 17 teams in the Northern Plains Female Football League and is encouraging everyone who is eligible and keen to give it a go.

Although playing under the MFC name, the sides will represent the entire peninsula as they do battle with teams from towns including Crystal Brook, Port Augusta, Port Pirie in the MNWFC and Clare, Two Wells and Mallala in the NPPFL.

MFC president Mark Durdin encouraged anyone interested to simply give it a go.

"It's an opportunity for girls to come and have a try, have a kick and catch and hopefully, if they enjoy it, they can register to come out and play next year," he said.

Durdin said enough players had registered for the open side, but not enough yet for the under 14 and 17 teams.

"The support has been brilliant so far but we want to make sure we're bolstering the numbers so those who want to participate, can," he said.

To find out more information, contact Durdin on 0416 436 872 or SANFL game development coordinator Will Schultz at will.schultz@sanfl.com.au.
