## Overpass open tomorrow

THE Port Wakefield overpass and duplication project has hit a major milestone with the overpass opening to traffic from tomorrow (Wednesday, December 22).

Holidaymakers and local motorists will be able to experience safer and smoother journeys to and from Yorke Peninsula just in time for Christmas.

The project has been jointly funded by the federal and state governments and includes the creation of an overpass to eliminate the Copper Coast and Augusta Highways intersection.

Two lanes of Adelaide-bound

traffic are also being created around the town.

"The completion of this significant project will make the lives of the thousands of motorists who use this route each day easier, safer and more efficient, helping them get to where they need to be, when they need to be there," Deputy Prime Minister and Minister for Infrastructure, Transport and Regional Development Barnaby Joyce said.

"It's an early Christmas present from the Australian and South Australian Governments to the people of South Australia."

Premier Steven Marshall said the completion of the overpass was a crucial election promise.

"We know Port Wakefield Highway typically caters to nearly 9000 vehicles per day through the town of Port Wakefield – and that number can double during holiday peak periods," Mr Marshall said.

"This overpass is going to make a significant difference in the lives of so many people and is a prime example of how we continue to build what matters for South Australians."

"This build alone is supporting 95 full-time jobs each year

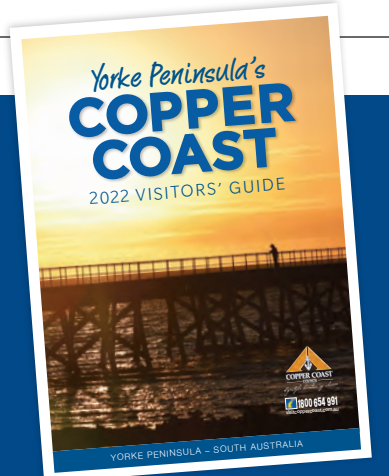

during construction."

Member for Narungga Fraser Ellis said it's wonderful to see the progress on this transformative project which will have significant benefits for road safety and travel time.

"The greater project works have caused significant inconveniences for motorists but this stage shows we are closer to completion on this truly nation-building project," Mr Ellis said.

"This is just part of the significant and unprecedented roadworks spending in Narungga during the past four years."

## Local concerns

OF the many expressions of COVID-19 pandemic concerns, I doubt I have read any so locally relevant and important than those of Des Kemp (YPCT 14-12-21).

We may be considered to be a remote region in the eyes of the political and bureaucratic experts but with an election approaching, ongoing hope and party loyalty may not be enough to get a better share of medical service attention than that to which we have sadly grown accustomed.

GP medical services at more than one YP health location are already struggling in a pandemic environment.

But let's see what problems open state borders might bring to this most popular tourist destination and, more importantly, how might our meagre, faithful and scattered health system cope in the event of a serious outbreak which certainly does not loom as an impossibility?

## Local vaccination rates for those aged 15 and over

- Barunga West: 88.2 per cent first dose, 84.4 per cent fully vaccinated
- Yorke Peninsula: 92.9 per cent first dose, 88 per cent fully vaccinated
- Copper Coast: 94.2 per cent first dose, 88.6 per cent fully vaccinated

## Next paper

This is the final Yorke Peninsula Country Times for 2021. We now take a week off, and our journalists and sales staff return to the office on Thursday, December 30. Our first paper for 2022 will be out on Wednesday afternoon, January 5. We wish everyone a merry Christmas and a happy New Year.

## Thanks to carers

AS 2021 comes to an end, I'd like to take this opportunity to say a big thank you to all our foster and kinship carers right across our regions who give love, support and care to children and young people in care.

Recognising this dedication, I'm really pleased to announce the Marshall Liberal Government is injecting more than \$19 million over the next four years to increase base and respite carer payments.

From January 1, 2022, general carers will receive an increase of \$50 per fortnight to assist with the day-to-day costs of caring for a child or young person in care under the age of 16.

It's the biggest payment increase in a decade.

We remain committed to improving outcomes for our children and young people in care, as well as better supporting our carers who, in turn, support them.

If you would like to make a difference, I urge you to consider becoming a foster carer.

We are always looking for people right across the state to open their hearts and homes to children and young people in care. For more information please call: 1300 2 FOSTER (376 837).

Rachel Sanderson  
Minister for Child Protection

## Myopic vision

THE major daily newspaper in Adelaide recently published a list of who they thought were the 50 most influential people in South Australia.

Having perused the list, I can find only two people who pursue their careers from a base in rural South Australia. This represents four per cent of the influential people in SA.

The population of rural SA is 27 per cent of our state's population.

This is the segment of our population which grows the food to feed the other 73 per cent, produces the raw materials to build the houses and buildings for the other 73 per cent and produces a large amount of the power that supports their lifestyle.

Why the Adelaide media are so myopic to these fundamental facts is quite frankly beyond me, but it does not surprise me.

## Loneliness epidemic

AFTER extended periods of lockdown and being distanced from our friends and family, many are in the process of planning big Christmas celebrations.

Loneliness is not a new thing. It's an epidemic in our nation that has been bubbling away under the surface for many years.

COVID-19 wasn't the initiator of the loneliness epidemic in our nation, but rather it has intensified and amplified this issue for many and brought it to the surface.

In a recent survey conducted by the Australian government, 54 per cent of people shared feeling lonelier since the beginning of the pandemic and a quarter of people aged 12-89 reporting "problematic" levels of loneliness.

These are our neighbours, our friends, our work colleagues, our family, our children and grandchildren, or maybe even you.

This is not an impossible situation to reverse, but we need to do something.

We can't sit on the sidelines and hope it fixes itself. Rather, we all need to play our part in building healthy relationships.

While we are reconnecting with family and friends this Christmas season, we need to look out for those in our lives who live on our margins.

What would our society look like if this year we added a seat at our Christmas table and invited someone living on the margins to join the celebration?

Growing up we always had Christmas "extras" as part of our Christmas Day celebrations.

My brothers and I reflect on a childhood filled with many outrageous and precious meals spent with people our parents had simply invited to our table.

Relationships that began as "someone" became "loved ones" as we simply shared a meal and did life together.

As a child I didn't know any different and thought everyone had Christmas "extras", and my hope is that this is the same for my sons too.

As you put the final touches on your Christmas celebrations this year consider setting an extra place at your table. It could change a life and it might change yours too.

## How to write your letter

Address your letter to The Editor, YP Country Times, 31 Goyder Street, Kadina SA 5554. Or email to [editorial@ypct.com.au](mailto:editorial@ypct.com.au). Keep letters to the point. Try to get your message across in fewer than 300 words. Count them! The editor reserves the right to edit any letter.

## OUR VIEW

### Another year over

IN theory, this Christmas message should be easy enough to write.

Thank you all for your continued support, remember to stay safe and look after each other, eat all the food you want, enjoy time with those you love and we'll see you in the New Year.

Simple, right?

But there's so much more to it than that.

It's safe to say there have been many challenges in the past 12 months which have been testing for many.

Every year has its own highs and lows, that's nothing new.

We've seen everything from progress on big infrastructure developments to tremendous grand final victories and sadness caused by fatal accidents.

But broader world issues including the pandemic and the climate crisis have added another level of challenges.

We have been incredibly lucky to continue operating throughout the difficulties and consider it a huge privilege to do so, knowing some sectors have been juggling restrictions.

We've welcomed two new journalists to our paper and I'm proud of the work we've all achieved this year; I look forward to what we can do in 2022.

I'm not one for New Year's resolutions — mostly because I know my limits and I know I'll break them as soon as I can.

But there is plenty to look forward to in the coming 12 months — festivals and events across the peninsula, more important infrastructure works being completed and a beautiful place to live.

So, on behalf of everyone at the Yorke Peninsula Country Times, thank you for your continued support.

We really could not do what we do without the community. Your news tips, submitted articles, letters and photos are at the heart of what we do.

Please remember to take care of each other this holiday season and show some patience to our frontline workers who will be under the pump this summer.

Stay safe, and we look forward to seeing you again in 2022.

# Big plans afloat for Port Vincent

Sonny Coombs  
JOURNALIST

FLOATING houses, waterfront townhouses and a 32-apartment complex are all part of big plans for Port Vincent.

Vilis Group director Peter Vilis said the company wants to inject more life and vitality into the town through the project.

“We have studied the accommodation trends with great depth on Yorke Peninsula and have had a lot of detailed discussions,” Mr Vilis said.

“We think we have a project that is going to serve the tourism needs for Yorke Peninsula in the years ahead.

“We are looking at things that will really make Port Vincent a

genuine destination in tourism and generate employment and regenerate the local economy.”

The project, if granted the proper approvals, would initially include two lots of three waterfront townhouses followed by the apartment complex.

“At ground level in the complex we are looking at putting commercial facilities and we envisage a food and beverage offering,” Mr Vilis said.

“At that location we are intending to expand the current pontoon so we have a floating entertainment facility which would be quite unique in South Australia.

“One of the interesting things we want to do as a start-up venture is in finger E (of the marina) put in a floating café which has received

genuine interest from council and the people within Port Vincent.”

Mr Vilis said nine floating houses are also being explored for the protected area of the marina.

“Having looked at the peninsula and what the growth prospects are at the moment, we are proposing something that will bring the area as a key destination,” he said.

“It is a central location; the sailing waters are excellent and amongst the best winter sailing waters in the world.

“The bay and touch of historical buildings makes it an excellent place to visit and become part of.”

Mr Vilis said the company hopes to get started on the project next year with completion by summer 2023.

## Information sessions

VILIS Group will hold two community consultation sessions on Sunday, January 16.

Group CEO Nathan Wright, director Peter Vilis and Studio Nine Architects architectural director Tony Zappia will provide an overview and presentation about the project.

“After we have had community consultation we will go for approval, we want the community to have input and endorse the project before we lodge,” Mr Vilis said.

“The critical thing is we have market acceptance; we will have a soft entry point for people who want acquire property in our proposals.

“There are a number of things we have identified that we would like community engagement on and council involvement to make Port Vincent a genuine long-term destination.”

The sessions will be held at 10.30am and 2.30pm in the Port Vincent Institute Main Hall.

Due to COVID-19 restrictions, seats are limited.

Those wishing to attend should provide the names of anyone attending, contact details and which session they would like to be at Jo Barrie at email [jkbarrie@gmail.com](mailto:jkbarrie@gmail.com) or 0417 838 768 by January 14.

# Hot summer night

PEOPLE across Yorke Peninsula were treated to a wild lightning show on Friday night, December 17.

About 8000 lightning strikes were recorded directly over the peninsula, about 3000 of which struck the ground.

Weatherzone meteorologist Joel Pippard said the thunderstorm was the result of a front which passed across the state Friday evening and Saturday morning.

"This event was expected and it is not unusual for this time of year," Mr Pippard said.

"Early summer is a favourable time of year for thunderstorms across Yorke Peninsula.

"The hot and humid air and the cold upper air, along with a strong cold front, created the perfect conditions for powerful thunderstorms with lots of lightning."

Mr Pippard said typical summer pat-

terns have started to set in, with warm to hot temperatures and little rainfall through December so far.

"Yorke Peninsula can expect warm to hot temperatures from Christmas Day to the New Year, as a high-pressure system moves in on Christmas," he said.

"This system will direct southeast to easterly winds with mostly clear conditions.

"A low-pressure trough may develop in the east of the state closer to New Year's Day which may bring unsettled weather to northern Yorke Peninsula."

At least four YP power outages were confirmed on Friday night.

An SA Power Networks spokesperson said three were single customer outages, while one affected about 50 properties around Warooka from 9.10pm Friday to 1.17am Saturday.

The outages were not confirmed to have been directly caused by storms.

## Lightning starts fires

LOCAL CFS volunteers were kept busy with grassfires following several lightning strikes on Friday, December 17.

Northern Yorke Peninsula CFS Group members attended six fires including two at Kulpara, one at Tickera, Barunga Gap and Nalyappa between 8.30pm and midnight.

Group officer David Bussenschutt said most of the blazes were extinguished by farm units before crews arrived.

"(The fire) at Barunga Gap was down in a gully and tricky to get to, but most of them were put out in minutes," Mr Bussenschutt said.

"About five volunteers from all seven of our stations attended fires.

"We've been especially prepared for months with the grass starting to dry off."

# BUTEiful festive spirit

THE Polar Express has stopped in at Bute ahead of the festive season.

A train made of hay bales and decorated with Christmas lights has been assembled in the heart of Bute's township, much to the delight of passing holidaymakers and locals.

Bute residents Aaron and Madeline Jak had the idea for the creation and were keenly supported by the Bute 2000 Onwards Progress committee as well as community members.

"I had a mate from Victor Harbor who was able to bale me some small haybales to make the train work, but (Bute's) Jordan Green, James Venning and Damien Price also donated some bales," Aaron said.

"Bute builder Jeff Carroll then put it up and made sure it wasn't going to fall on people.

"It's slowly evolved with lights, streamers and other decorations as well."

Aaron said the project was a good way to utilise the old railway track.

"I've seen lots of people stopping to take photos of the train — it's a good way to help people remember Bute while they're driving to Port Broughton during the summer," he said.

"I can't see any reason to take it down after Christmas, let's just hope no animals get to it in the meantime!"

**CHRISTMAS CREATION...** Pleased with the result of Bute's very own Polar Express, made of hay bales, are local builder Jeff Carroll, residents Aaron Jak, Tamara Gill, Madeline Jak and Bute 2000 Onwards Progress committee members Judith and Brenton Sutton.

# Open to holiday traffic

FEDERAL Member for Grey Rowan Ramsey said, while works are still ongoing, the opening of the overpass marks a significant point.

“This is a wonderful day marking the end of crash corner and, when works are complete, the end of the Easter and January traffic jams at the gateway to Yorke Peninsula,” Mr Ramsey said.

“Port Wakefield is just a part, albeit a very significant part, of the rebuilding our road network.”

State Minister for Infrastructure and Transport Corey Wingard said the entire project is expected to be complete by the end of next year, weather permitting.

“The project is improving traffic flow and reducing congestion for all road users through the township of Port Wakefield,” he said.

“It removes all hazardous at-grade turn movements at the intersection of the Port Wakefield Highway, Copper Coast Highway and Augusta Highway, which we know have always been an issue.”

OPEN... The Port Wakefield Overpass bridge, pictured in November, will be open to the public from tomorrow (Wednesday, December 22).

# Positive but don't panic

Jess Liddy  
JOURNALIST

THERE was one active case of COVID-19 on the Copper Coast as of Sunday, December 19.

At the time of print, there were no reported exposure sites on Yorke Peninsula.

The state recorded 154 new cases today (Tuesday), taking the total active cases to more than 500.

A SA Health spokesperson said the Communicable Disease Control Branch will focus on containing chains of transmission as quickly as possible.

“We will now be prioritising high risk, vulnerable close contacts and settings where there are people at the highest risk of poor health outcomes,” the spokesperson said.

“These groups include older people, pregnant women, or those with chronic health conditions and locations such as aged care facilities, hospitals, correctional services and disability services.

“Exposure locations will still be listed on our site as deemed necessary; however, the priority will be these high-risk groups and settings.

“CDCB will continue to con-

tact other businesses by email, phone or voice message in order of priority.”

People are being encouraged to monitor closely for symptoms and get tested as soon as they appear.

Premier Steven Marshall thanked all South Australians for getting tested as numbers increased.

“Thank you for your patience as testing lines and delays are increasing,” he said.

“Our testing sites have gone from 2000 per day to 20,000 at the moment.”

As a result of the increasing

testing numbers, interstate travellers no longer need to be tested when they arrive in SA if they are asymptomatic.

“We are also keen to provide booster shots sooner to increase protection — if you are eligible go and get it as soon as you can to increase your immunity and resistance to the disease,” Mr Marshall said.

To keep up to date with the latest exposure sites go online to [www.sahealth.sa.gov.au/wps/wcm/connect/public+content/sa+health+internet/conditions/infectious+diseases/covid-19/testing+and+tracing/contact+tracing/contact+tracing](http://www.sahealth.sa.gov.au/wps/wcm/connect/public+content/sa+health+internet/conditions/infectious+diseases/covid-19/testing+and+tracing/contact+tracing/contact+tracing).

## Restrictions still set to ease

SOUTH Australia's COVID-19 restrictions will ease from Tuesday, December 28.

Stand-drinking and dancing will be allowed at venues with fully vaccinated staff and patrons — these venues will be allowed to operate at 75 per cent capacity.

Nightclubs will be allowed to operate at 50 per cent capacity under the same circumstances and home gathering limits will be removed.

Seated events and venues can go back to 100 per cent capacity and the minimum attendance for events needing COVID-19

management plan has been raised to 3000.

Quarantine for international arrivals will go from seven days to 72 hours.

Rules for the unvaccinated will be unchanged.

“We're going to be giving venues the choice to be a vaccinated venue or an unvaccinated venue and there will be a differential in terms of restrictions,” SA Premier Steven Marshall said.

“Some venues will be able to have a vaccinated event one day and an unvaccinated event the next day, and there will be a little bit of complexity with regard to this.”

# Reviving Moonta's main entrance

Jess Liddy  
JOURNALIST

MOONTA's main entrance is set to receive some tender loving care.

Copper Coast Council recommended the northern corner of Blanche and Blyth Terraces be cleared and tidied to create a better entrance to the state's top tourist town.

A memorial/cairn is expected to be installed near to the old power house site, incorporating some of the original stonework and the foundation stone.

CEO Russell Peate said whilst further investigations were being completed in relation to future uses, he had requested the land be tidied.

"This will involve some research regarding previous uses of the land prior to such works," Mr Peate said.

"We want to do some research to ensure we don't overlook the history of the area.

"We are keen to make this land a more presentable entrance into Moonta which should start to look better over the next 12 months."

Mayor Roslyn Talbot said it was important people arriving at Moonta, from the north, encounter a tidy entrance.

"Moonta is the top tourist town in South Australia and to arrive to an unsightly entrance

certainly doesn't exude the impression we would like people to have of the area," Mrs Talbot said.

"This area had some significant buildings of importance prior to their demolition.

"A monument with perhaps some historical information will ensure our heritage is remembered and the stories of the past are continued to be told."

Mrs Talbot said the large parcel of land would be important for the future development of Moonta.

"I would like it to be tidied for the moment and retained for when there is a real need for a use in the future," she said.

"The Moonta Urban Design Framework, adopted by council, recommended in the short term it be tidied and landscaped giving us options into the future, exploring the possibility of a roundabout and increased accessibility to the Moonta township.

"The land provides numerous development opportunities to reinforce the character and the function of the town and provide improved connections to the tourist office as well as slow the speed of vehicles travelling into the town centre.

"Ultimately, the town entrance is an invitation to explore, stay and discover Moonta."

NEW LOOK... Copper Coast Council mayor Roslyn Talbot and CEO Russell Peate are looking forward to making Moonta's entrance more appealing.

# Criminals caught after large-scale operation

A SIGNIFICANT Yorke Mid North police operation targeted traffic, property and drug offenders last Wednesday, December 15.

STAR Group, Water and Dog Operations Unit, Traffic Services Branch, Road Policing Section and local Crime Prevention Section resources were utilised during the operation which commenced across the Copper Coast from 9am.

A total of 396 breath tests, 34 drug wipes and 10 vessel safety compliance checks were conducted.

The tests resulted in 10 traffic expiation notices and one caution fine, eight defects and one caution defect, five cautions for general expiation notices, five drug diversions, plus nine cannabis expiation notices issued.

**Drugs, weapons, jewellery seized**

Officers seized illicit drugs and illegal weapons after numerous properties were searched, resulting in several people being arrested and reported.

Police located cannabis and drug paraphernalia after searching a home on Cornish Terrace, Wallaroo.

Three occupants received cannabis expiation notices, while a 50-year-old woman was arrested and charged with unlawful possession and possessing prescription medication.

Two safes containing a large quantity of collectable coins and jewellery were seized from the same address.

Further enquiries are set to be conducted in relation to this property.

**Pair charged with drug trafficking**

Police located six grams of methamphetamine after searching a Kadina property. A 31-year-old woman and 35-year-old

man were arrested and charged with trafficking in a controlled drug.

The man was further charged with possessing a dangerous article after a taser was located and seized by police.

**Cannabis found in Hamley**

A small amount of cannabis was located at a Hamley, Moonta, address after a search by police.

A 61-year-old man was issued a cannabis expiation notice as a result.

**Plants and ammunition seized**

Seven hydroponically grown cannabis plants and ammunition were seized following the search of a Jericho, Kadina, home.

A 47-year-old man was reported for cultivating cannabis, possessing prescribed equipment and possessing ammunition.

Both he and another 39-year-old man were issued with cannabis expiation notices and drug diversions for possessing prescribed equipment.

**Man reported for growing 11 plants**

Police located 11 cannabis plants after searching an East Moonta home.

A 35-year-old man was reported, drug diverted and issued a cannabis expiation notice.

He is set to appear in court at a later date.

**Three more men arrested**

Additionally, a 48-year-old man and 29-year-old man, both from Wallaroo, were arrested on warrants.

A 41-year-old man of no fixed address was also arrested and charged with two counts of breaching an intervention order.

He was granted police bail to appear in court at a later date.

# Trading of illicit plants placed under spotlight

CRIME Stoppers SA has partnered with Green Adelaide and the Department of Primary Industries and Regions to tackle the illegal trade of aquatic weeds.

The campaign is set to focus on water hyacinth and salvinia spp weeds.

Crime Stoppers SA CEO Nigel Smart called on the community to protect South Australia's environment by sharing information about people illegally selling noxious weeds.

"When these floating weeds are dumped or allowed to spread, they pose serious harm to native fish, plants and animals," Mr Smart said.

"Salvinia spp and water hyacinth will block waterways and reduce water quality, which ultimately impacts outdoor pleasures like boating, fishing and swimming."

Mr Smart said raising community awareness is crucial to preventing the prohibited selling or swapping of the plants.

"It may not be an offence to

The illegal sale of Salvinia spp. and Water Hyacinth can clog waterways and rivers, impact on our love for the great outdoors - and kills fish.

# Medication stolen from fire-riddled chemist

COPPER Coast police are investigating the theft of prescription medication from the former Newbery Chemists, Wallaroo, building.

The chemist building was by a fire on November 29, and the premises deemed structurally unsafe to enter.

However, a quantity of prescription medication was stolen sometime between Tuesday, November 30 and Tuesday, December 14.

The condition of the medication is unknown, as it was suspected to have been affected by the extreme heat of the fire.

The packaging may have also been smoke and fire damaged.

Police reminded the public that taking unprescribed medication can be dangerous and potentially life threatening.

Police urge anyone who may have witnessed suspicious activity around the area or time, to contact Crime Stoppers on 1800 333 000 or [crimestopperssa.com.au](http://crimestopperssa.com.au).

**Men escape capsized boat**

A boat capsized about one kilometre off shore near Port Victoria last Thursday, December 16.

Port Victoria police were called to the incident after people on the beach heard two men calling for help at about 4pm.

Port Victoria Royal Volunteer Coastal Patrol and police collaborated to rescue the pair of retiree-aged men from Adelaide; the rescue was monitored by the SA Police Water Operations Unit.

The pair were both wearing life jackets and were uninjured.

The boat was also salvaged and towed to shore.

A police spokesperson said this was a good example for holidaymakers and locals to take care in the water this summer.

**Keep track of lost items**

Local police have urged people to alert them upon losing belongings in the sea this summer.

This comes after a two-person green canoe was found washed up at Port Julia on Sunday, December 12.

A police spokesperson said if it wasn't for a clearly snapped mooring rope, they would've been forced to conduct a full search for potential missing people.

"This is a good reminder for people to contact police if you leave anything in the ocean over summer," they said.

"That way police can be reassured no one is missing and it's just lost property."

# Carols at Edithburgh

ABOUT 200 people converged on Edithburgh's Light Church for the annual Christmas carol service recently.

The event was held at the church's precinct again this year due to current restrictions and included food stalls and activities for children.

In the lead up to the event, and during the service, people were encouraged to donate toys to be distributed by agencies to children around the peninsula and beyond.

"It is an opportunity to spread some love and cheer to those children who need something to make their Christmas special," Pastor Darren Braund said.

Carol singing was led by the Light Church singers and musicians.

## Lighting up 2022

THE Copper Coast New Year's Eve Celebrations committee will put on a spectacular display this New Year's Eve.

Walleroo will have fireworks displays but the associated sideshows and stalls will again be missing due to restrictions and lack of volunteers.

The committee will have nine dedicated viewing locations with COVID marshals for the fireworks at 9.30pm and midnight.

Viewing locations include John Terrace Reserve, Liberator Way car park, North Beach (Pamir Court), North Beach car park (Windjammer Lane), Office Beach car park (Heritage Drive), sailing club car park (Heritage Drive), silo car park (Lydia Terrace), Smelters Trail Reserve (Heritage Drive), Wallaroo boat ramp (Heritage Drive) and Wallaroo jetty reserve (Jetty Road).

People are also encouraged to find a nice spot in their car to view the display.

People should also be aware North and Sailing Club Beaches, Wallaroo, will be closed to vehicles from 7am, December 31, 2021, to 7am, January 1, 2022.

A short-term dry area prohibiting the possession and consumption of liquor applies from noon, December 31 to 7am, January 1 in Wallaroo, North Beach, Moonta Bay and Port Hughes.

For more information about the fireworks displays, visit [www.coppercoast.sa.gov.au/leisure/event-calendar/events/drakes-copper-coast-new-years-eve-fireworks](http://www.coppercoast.sa.gov.au/leisure/event-calendar/events/drakes-copper-coast-new-years-eve-fireworks).

## Cracker of a show for Point Turton

THE sky is set to light up this New Year's Eve at Point Turton.

South Australian company Pyroshow International is donating its time to put on one of the best fireworks shows in South Australia.

Point Turton Progress Association working party volunteers have been fundraising for the event, with the help of businesses and individuals.

"As weather can be unpredictable, the fireworks will be launched between 9pm and 10.30pm, depending on the most favourable wind conditions," a spokesperson said.

"If weather is inclement, follow the Point Turton Caravan Park Facebook page to see if it gets postponed to the following night.

"The jetty will be closed from 7am to all persons but swimming at the pontoons can still occur.

"The boat ramp will also be closed from 4pm, so please ensure if you are boating for the day, you are back into shore by 4pm.

"Bring your chairs, be COVID responsible and make sure you get your spot along the beachfront, or boat ramp car park, and settle in for a night of magical surprise as fireworks are launched from the jetty."

## Broughton NYE activities

PORT Broughton will host New Year's Eve in a scaled-back fashion this year.

A fireworks display has been scheduled from 9.30pm, with food trucks also available on Friday, December 31.

However, Barunga West Council has been forced to call off children's entertainment, including a jumping castle and live music, due to COVID-19 concerns.

The fireworks will be viewable from Port Broughton and Fisherman Bay, with food options to be scattered across the towns.

Council CEO Maree Wauchope encouraged people to enjoy the fireworks whilst abiding by SA Health protocols.

"We will continue to monitor the situation, and things could change further especially if further (COVID-19) restrictions are put in place in the lead up to New Year's Eve," Ms Wauchope said.

# Picnic in the Park a success

PICNIC in the Park at Port Pirie, arranged by members from Copper Coast volunteer groups, was a success.

The event, organised by members of SOS Copper Coast Suicide Prevention Network and the Copper Coast Gay Straight Alliance in collaboration with Port Pirie Bouncing Back Suicide Prevention Network and the Port Pirie LGBTIQA+ community, was held on Sunday, November 28.

International superstar Hans headlined the day; he was set to headline the event last year but a snap lockdown forced its cancellation.

SOS Copper Coast Suicide Prevention Network chairperson David Boots said it was a major event to raise resilience and accept diversity in the Yorke and Mid North communities.

“Funded by grants from Country SA Primary Health Network, SA Health and Wellbeing SA, the free event was part of the official 2021 Feast Festival program and was attended by over 300 people,” Mr Boots said.

“The audience was

entertained for four hours by a range of artists appealing to all audiences.

“Noodles the Clown was a hit with the younger audience and local Mid North artists Jye Neale and Remy Catchlove entertained as a lead up to the headline act.”

Mr Boots said the day

ended with songs by local duo Ally & Sal (Ally Patterson and Sal Caputo).

“Hans, with the support of his backup singers The Lucky Bitches and dancers The Ungrateful Bastards provided an unforgettable show, with numerous costume changes and lots of inter-

action with the audience,” Mr Boots said.

“After the show, Hans mingled with the crowd, happily stopping to be photographed with his fans.

“Stalls, food vendors, face painter and a bouncing castle added to the enjoyment and atmosphere of the day.”

**OUT NOW...** Copper Coast Council library and tourism coordinator Lynn Spurling, tourism officer Greta Shields and tourism and events officer Chloe Barrett check out the 2022 Copper Coast Visitors' Guide.

## Copper Coast Visitors' Guide out now

THE 2022 Copper Coast Visitors' Guide is out now, and is packed with plenty of things to see and do this summer.

The guide is a key marketing tool for the region, produced annually by the Yorke Peninsula Country Times and Copper Coast Council.

Not only does the guide provide readers with information about the local area, it has many beautiful images captured by YPCT staff, council, South Australian Tourism Commission, Sarah King Photography, Andrew Snodgrass, Susie Reynolds, Bradley Zerna and Peter Fishe.

Feature stories include a preview of the FLAME festival, new attractions like selfie signs, WiFi, dog parks and everything you need to know about fishing in the Copper Coast.

Council library and tourism coordinator Lynn Spurling said she was really pleased with the guide.

“Every year I think it just gets better,” she said.

“The guide covers some new attractions as well as all the information you’ve come to expect.

“We know because of COVID people are travelling regionally, which we expect to be the same again this year.

“This guide is ideal for locals and visitors alike.”

The Yorke Peninsula Country Times thanks everyone who contributed to the guide including advertisers, and we trust you will, in time, reap the benefits of your investment by having your business front and centre for tourists to see when planning their holidays.

The 2022 Copper Coast Visitors' Guide is available from the Copper Coast Visitor Information Centre, Kadina; Moonta Tourist Office; council offices; museums and local businesses throughout the region including the YP Country Times.

FRASER ELLIS MP  
MEMBER FOR NARUNGGA

## November Narungga update

### Health status quo cannot continue

I released my Regional Health Plan last week, which outlines a number of solutions to what I describe as South Australia's regional health crisis.

As I have publicly stated many times, regional health care is the biggest issue facing the Narungga electorate — and all country South Australians — and it was an issue long before the pandemic and will continue to be one long after it is finished.

During the past three and a half years I am proud to have played a part in securing some improvements, such as the new surgical unit at Yorketown, after-hours X-rays and a salaried doctors model for Wallaroo Hospital under a new Rural Health Workforce Plan, and decentralising local health network boards.

But problems still exist, and it is clear the status quo can't remain.

I welcomed the recent federal government announcement of incentives to pay HELP debts of graduating doctors and nurses who commit to working in regional areas, but more still needs to be done.

Over past months I have consulted with rural health professionals from across the state, shared ideas with the Minister for Health, and heard from constituents about improvements they seek.

The critical issue is the shortage of doctors themselves, and whilst there are a large number of carrots in place to entice doctors to the country, few are working.

It is time to get a stick out.

My plan raises the following as potential system solutions: local health networks to employ accident and emergency doctors to replace the locum system; federal government to limit the allocation of Medicare provider numbers to ensure efficient distribution of GPs across SA; increased funding for rural training places; redraw of local health network boundaries for more balanced administration; state government to appoint an Assistant Minister for Regional Health; and for governments to fully commit to the SA Rural Medical Workforce Plan 2019-2024.

To view the full plan, visit [www.fraserellis.com.au](http://www.fraserellis.com.au) or call the electorate office for a copy.

As another year draws to a close, I, along with office staff Rosemary, Nikki and Chelsea, extend festive best wishes to all.

May 2022 be a prosperous, less COVID-19 disruptive year.

I advise the electorate office will close for a short break, from 5pm, Thursday, December 23 to 9am Tuesday, January 4.

# Time's up for talking newspaper

**Patrick Goldsmith**  
REPORT BY

AFTER almost 30 years, the volunteers behind the Voice of the Times are stepping away from their microphones.

This week's YP Country Times will be the last edition the service, formerly known as the Talking Times, records.

A support group for vision-impaired people on Yorke Peninsula was established with help from the Royal Society for the Blind in 1992, which led to the production of a talking newspaper.

In the beginning it was done with a small tape recorder, secondhand cassette tapes and a team of willing and enthusiastic volunteers.

Group founder Val Langton said the popularity of the service quickly increased.

"Back in 1993 we sent out 13 tapes to our new clients but by 2003 we were sending out 65 tapes," she said.

"It was a big job to copy that many, but with donations from various local groups, we were able to eventually purchase three copiers, which meant we could copy nine tapes at a time which really cut down our working time."

Mrs Langton said when technology changed, it became harder and harder to justify keeping up.

"We had to learn a whole different way of recording, as by this time, cassette tapes and players were becoming obsolete and very hard to buy replace-

ments," she said.  
"We tried to delay this change as it seemed so different to what were used to, but the RSB encouraged us to go ahead.

"We lost quite a few clients mainly because they felt they couldn't cope with this new way of listening to the local news."

The RSB cancelled its funding and support to talking newspapers in September 2020, but the YP group continued under the title of Voice of the Times.

"But things change, technology advances, people age and get involved in other projects and commitments which take their time, so it seemed now was the time for us to have a rest," Mrs Langton said.

"With age comes health problems which is inevitable and so we are putting our long-standing project to rest also."

Mrs Langton offered her sincere gratitude to everyone who had been involved over the years.

"I would like to thank everyone who has contributed over the years and in particular the volunteers, the clients and those at the Country Times," she said.

"Thanks to Lynn Spurling at the Copper Coast Library, Kadina, who always gives us a quiet room for recording every week even if sometimes it's her office and Michael Ellis and the whole team at the paper have always been really good to us, simply outstanding."

# Chemist recovery nears completion

NEWBERY Chemists, Wallaroo, is back on its feet less than a month after its Owen Terrace premises were gutted by a fire.

The chemist has secured a two-year lease of Wallaroo Shopping Centre's shop 6 and reopened to the public, in limited capacity, after more than a century of history burnt to the ground on Monday, November 29.

Staff have started transitioning operations into the new store after being forced to navigate medical scripts and clients' payments online and from other Newbery Chemists stores.

Newbery Chemists general manager Tim Gross said most Pharmaceutical Benefits scheme scripts are now being dispensed at Wallaroo.

"Almost all prescriptions are ready to go at Wallaroo this week," Mr Gross said.

"To be back dispensing prescriptions onsite at Wallaroo is a big milestone in getting things back to normal."

Mr Gross said the trust he had in his team was the main reason for reopening so swiftly.

"Regular staff will be returning to the Wallaroo pharmacy as visits from customers increase," he said.

"The care and dedication of our staff to looking after the Wallaroo community have been exceptional."

Mr Gross said dispensary shelving had already been installed and stocked.

"The rest of the retail shelving is arriving during this week — we are eagerly awaiting assembly and restocking of all our usual pharmacy products," he said.

"The complete store fit-out will occur early next year but, in the interim, our capacity to meet our customers' needs improves every day."

"The community has been so supportive of us getting things up and running quickly, but we will not stop until everything is just right."

The new Newbery Chemists, Wallaroo, premises are accessible from the Wallaroo Shopping Centre's outdoor foyer area.

SUPPORT... Newbery Chemists, Wallaroo, manager Bernard Ng and Newbery Chemists general manager Tim Gross are moving quickly to meet the community's demands from their new store.

## Apex deliver Christmas cheer

APEX Club of Kadina has delivered Christmas cards to aged care residents.

More than 700 handmade cards were donated for the appeal, with members kept busy writing messages in every-one.

Apex president Paula Venning said the group wasn't expecting such a big response.

"We were expecting maybe about 200 cards to be dropped off, so this number is obviously far and away beyond that," she said.

"We just asked people to donate cards, because we knew there were people around who enjoy making cards and we did the rest.

"There were 10 of us who sat down and handwrote different messages in each card."

According to Mrs Venning, those messages are incredibly important at this time of year.

"The elderly who live in nursing homes or by themselves don't necessarily get the same amount of visitors now," she said.

"They're (residents) restricted from the possibilities to do things and celebrate in the same way we are, especially

**JOY...** Paula Venning, Brian Presser and Tracey Ingham at Estia, Kadina, inspect the handmade Christmas cards.

with COVID at the moment, so we wanted to give them something nice."

There was a wide variety of cards submitted — with some painted and others decorated by stamps.

Children as young as 6 got in on the fun while a set of donations were also made by an aged care facility in

Peterborough.

"Originally we had planned for this to be something little for the community, but now they're getting shared as far wide as a COVID facility in Victoria, which is great," Mrs Venning said.

Mrs Venning thanked all those who contributed to the project and looked forward to

# Vale Helen Tucker

## 6-1-1940 ~ 24-6-2021

HELEN Faye Tucker had a huge impact on the peninsula through her career and as a volunteer.

She spent nearly five decades in the nursing profession, which seeped into her retirement though volunteering.

Helen Staley arrived in Maitland to start her career in nursing in 1957.

It was there she met her future husband Barry Tucker; they were engaged in 1959 and married in 1961 after Helen graduated from the RAH.

Helen and Barry had three sons, Daniel (deceased), Christopher and Damien.

In 1961, Helen relieved at Maitland Hospital as a registered nurse and from 1962-63 she was sister in charge of the hospital.

She had a year off from nursing from 1964-65 and was employed as a dispensary assistant with the local chemist.

From 1964-68, she accepted a part-time position offered by four hospitals as a tutor sister to student nurses.

Helen first accepted a casual position as a tutor sister at Wallaroo Hospital in 1968, by 1974 it was a part-time role.

It was then she decided to commence a diploma in teaching nurse education and in 1975 she was a full-time student fully supported by SA Hospitals department travelling to Adelaide CAE to complete her study.

Helen also juggled working part-time at the Wallaroo Hospital where she was responsible for setting up and implementing in service for all nursing staff.

Following a discussion with the director of nursing she was also responsible for setting up ward procedure manuals.

From 1976-81 Helen was employed full-time as a nurse educator.

On returning to the Wallaroo Hospital in 1978, Helen was responsible for setting up and updating the intensive care unit and implementing in-service for all nursing staff.

In the 1980s, Helen became involved with many schools across the peninsula through School Health Services.

This included implementing a program to 33 schools on the peninsula, producing and distributing booklets, dietary surveys and more.

Helen retired in 2002; however, she was kept busy with her many volunteer roles.

She worked as a volunteer telephone counsellor for Wesley Uniting Care working on Lifeline and domestic violence helplines until 2009.

Helen joined the board of CYP Hospital in 2003 which afforded her many opportunities to attend workshops in the country and Adelaide.

She called a public meeting in December 2004 engaging with Yorke Peninsula and Copper Coast Council mayors to establish the University of the Third Age Yorke Peninsula.

Helen was also on the roster for Meals on Wheels Maitland and Community Care and Transport.

# Community

## Community cafe needs a hand

COPPER Coast Anglican Community Cafe, Kadina, is in need of helping hands.

The cafe has been in operation since 2014 and many of the initial management team feel unable to continue due to increasing ages and disabilities.

Current caretaker Jan Lawry (along with her late husband Peter) and former manager Wendy Campbell have been involved since the cafe's inception.

Jan often recalls how Peter loved nothing better than chatting with cafe patrons.

Continuing to lead a busy life, Jan volunteers for several charitable organisations, and plays sport and cards, but still finds time to run the cafe two days a week with support from a number of helpers.

"The cafe completes quite a busy corner on Taylor Street along with the adjoining op shop (always kept busy with patrons finding a bargain), community garden (a restful place to sit and unwind) and church," the Reverend Sheridan Brand explained.

"However, more volunteers are needed to enable the cafe to open on more days each week, providing a valuable community service.

"The cafe has become a place for people to enjoy home-style cooking, lots of chatter over a coffee and, on Fridays, craft sessions with Pauline Foy."

Local artists also have an opportunity to show their work in the Limestone Gallery.

"The cafe volunteers all enjoy the fellowship and the experience to learn a few more skills such as becoming a barista," Rev. Brand said.

"If anyone has a few hours to spare in the week, or perhaps is new to the area and would like to become connected to others in the community, we would love to have you involved."

For enquiries, call Rev. Brand on 0408 213 971.

## Port Hughes Boating Club

CRAB AND SQUID... Port Hughes Boating Club member David Fitzgerald shows off his winning catch after the club's crab and squid competition on November 7. While the weather prevented many competitors from venturing too far off shore and the big crabs proved elusive, David and Peter Loch were the best with a catch of 2.820kg, second place went to Steve and Di Sampson with 2.605kg and third to Mark and Linda Moss with 1.817kg. All prizes were donated by Ray and Anne's Tackle and Marine. To join the PHBC, email PHBCinc@gmail.com.

# Old motorbikes out for Christmas charity ride

VETERAN and Vintage Motorcycle Club of Northern Yorke Peninsula held its first Christmas Charity Ride since 2019 on Sunday, November 21.

The 2020 event was cancelled due COVID-19 restrictions.

Leaving from the Drain Road, Kadina, clubrooms on a fine and clear day, both long and short routes travelled to Pope's Cafe at Port Wakefield for a brief stop and to collect the donation tin.

The short ride returned to the clubrooms while the long ride's route was via Ardrossan then Arthurton for a brief stop before heading back to Kadina for a barbecue lunch.

One bike lost its chain on the long ride and was trailered back with no harm to the rider.

Despite numbers being down, the club raised \$980, also collecting some toys and gifts for the St Vincent de Paul Society in Kadina.

The club thanks all attending riders, members and visitors, helping struggling families.

Kerry Cornish

CHARITY... VVMCNYP president Rob Russack presents the \$980 proceeds from the club's Christmas charity ride to St Vincent de Paul Society, Kadina branch representatives Margaret and John Kayser.

FESTIVE SPIRIT... Con Vluggen dressed his bike and himself with the spirit of Christmas.

# Christmas comes early for Wallaroo Hospital Auxiliary

FESTIVE SPIRIT... Wallaroo Hospital Auxiliary's Christmas luncheon was held at Prince Edward Hotel, Wallaroo, on November 23. # Minlaton Yorke Peninsula Probus Club

MINLATON Yorke Peninsula Probus Club held its final meeting of the year, a Christmas barbie, at the home of D'Arcy and Margaret Button.

Tom Martin welcomed everyone and thanked Margaret and D'Arcy for inviting members into their home once again.

While most were inside before lunch, Mos Hoyle and Kingsley Clift slaved over a hot barbecue cooking the meat.

Typical country fare was on display as members brought their favourite party salads and sweets for share at the enjoyable lunchtime gathering.

Of course there was way too much food, especially as Margaret had also prepared spare "just in case".

Even though COVID has caused some restrictions in how members have been able to get together, the club has increased its membership.

Trips to Sunnyvale, the YP Country Times and Camelot Garden, Kadina, have been achieved by travelling in small groups and carpooling.

Meetings have had to be organised according to numbers and required seat spacing.

Speakers from various organisations have given insights into their own fields of operations or experience.

One speaker, Professor Glen Edwards accompanied by wife Fay, travelled from Adelaide at their own expense twice.

Minlaton Yorke Peninsula Probus Club is looking forward to 2022 with anticipation of good things to come and is hoping to further increase membership.

Anyone interested in joining Minlaton Probus for fun and friendship should contact Bernie on 0428 545 173 for meeting times and dates; the next meeting is on Friday, January 21.

## Christmas memories

PROUD MOMENT... Alanah and Juliet Searle accompanied their grandfather, Copper Coast poet Bert Peter Schuit, to the recent Copper Triangle Writers Group's Christmas luncheon celebration, where they read their own poetry to members.

by Roger Norris-Green

### Christmas in the barn

ELIZABETH Toole wrote a lovely story, O Holy Night. It's about a congregation without a traditional church building. The people met in a barn for worship.

Their future seemed unsure.

Because it was North America, December was getting cold and grey. People worshipping in the barn wore heavy coats, gloves, hats, some even had blankets. Maybe they weren't really looking forward to the Christmas service in these cold, bleak conditions.

Nevertheless, on Christmas Eve, these folk went to church in their barn.

There they saw the whole barn transformed into a Nativity scene —real sheep, cows, a donkey. Real hay was everywhere. A couple of people were dressed as

Mary and Joseph. They were surrounded by shepherds.

The barn became a perfect, authentic setting for a lovely service!

Right now our world can seem a pretty bleak place.

We're all weary of COVID-19, weary of restrictions, weary of seeing more grim news when we turn on our TV.

Our lives have been changed by the pandemic. Like the folk in our story, we can sometimes be unsure about the future.

However, the Coming of Jesus that first Christmas can give us hope, peace, joy and love and transform our world. Christians believe that despite our problems, there is still hope for the future. We need to grasp that Hope in 2022.

We wish everyone a very Happy Christmas and a New Year filled with promise.

### Hope Chapel screens Christmas special

HOPE Chapel – Copper Coast is inviting the community to a special viewing of "The Chosen – Christmas Special" on Thursday, December 23.

"To launch the Christmas season, The Chosen has created a special episode about the birth of Christ through the eyes of Mary and Joseph," Hope Chapel's Scott Carson said.

"The Chosen is the first ever multi-season series about the

life of Christ and it is the highest crowd-funded series to date, watched by tens of millions of people around the world.

"Hope Copper Coast is excited to share this viewing with the community and believes it will be a unique Christmas service."

The episode will be shown in the performing arts centre at 10 Pannan Street, Kadina, from

7pm.

"Entry is free, and refreshments including drinks, popcorn and barista-made coffee will be served for free," Scott said.

"Whether you usually attend church, or you are wanting to do something unique for Christmas, everyone is welcome."

See Community Calendar this week for more information.

# Special visitor hitches a ride to Marion Bay Playcentre

MARION Bay CFS firefighters Wayne Edwards and Marty James gave Santa a lift to the local playcentre in December.

Santa's visit was a surprise to the children, who were all excited to see him arrive aboard a Marion Bay CFS firefighting appliance, meet him and receive presents.

Marion Bay and Corny Point Playcentres provide free, rural-based early education and a chance to socialise for families in isolated areas, local playcentres leader Felicity Coles said.

"Marion Bay Playcentre is held at the local community centre, 9.30am to noon each Monday during school terms, and Corny Point Playcentre is held at the local hall 9am to 11am Wednesdays.

"New families are more than welcome to come along and join us in some play-based learning and development.

"In fact, with the current number of families attending low, we need more to come along to stay open and running."

HELPING HAND... Santa's little CFS helpers, firefighters Wayne Edwards and Marty James make sure he is ready for a surprise visit to Marion Bay Playcentre.

HAPPY... During Santa's surprise visit are Nikki Morey and grandson Marley, Alice and Nelson Pech, Ana and Stella Hanna (back), playcentre leader Felicity Coles holding Kia Pech, Santa, Jeanette Lehmann and her children Alivia and Gracie Bennett, and Mel and Kiara Webb.

# Dowlingville comes alive

THE little settlement of Dowlingville came alive when a post-harvest/pre-Christmas community catch-up was held on Saturday night, December 11.

"More than 80 children and their families gathered for the annual event which has run for more than 140 years," Eldon Oster said.

"Those present included Aunty Pat Whittaker, who has attended almost every year of her life and we were all delighted to see her back again."

Amongst the entertainment was Doug the dog, who performed a singing act, and Santa dropped in for a visit during the evening.

FRIENDS... Annabelle Kenny, Alice Oster and Phoebe Mullins enjoy the Dowlingville pre-Christmas event.

REGULAR... Regular attendee Aunty Pat Whittaker received a warm welcome.

CATCH-UP... John Dutschke and Nick Correll relish an after-harvest catch-up.

# Christmas theme for Messy Church

MESSY Church again entertained children aged 12 years and under in the Uniting Church Hall, Kadina, on Friday, November 19.

About 15 children, along with their parents and guardians, participated in various Christmas-themed activities, story time and dinner which included pavlova and Christmas pudding for dessert.

A volunteer said Messy Church has been held on the third Friday of every month during school terms for the past 10 years.

"This is our final Messy Church for 2021, we will have

a short break and come back in February 2022," the volunteer said.

"Messy Church uses hands-on experiences to explore Bible stories and themes, to reflect a God of creativity and to give people a chance to play and wonder together.

"It is a great program to give children the opportunity to experience what church can be like in an entertaining way.

"It's also just a fantastic chance for families to connect and do things together."

Messy Church started in 2004 in the United Kingdom, and has been held in Australia since 2010.

Messy Church is church for families who may not find other forms of church appealing and who don't yet belong to a church, and includes creative experiences, a celebration and a meal.

Children don't have to book to attend Messy Church but a parent or guardian must be present on arrival and throughout the afternoon.

"Donations are also appreciated so we can keep this event going for many years to come," the volunteer said.

For more information, or to volunteer, phone Jane Gersch on 0428 218 255.

FUN... Dexter and Xander Read have fun being creative at Messy Church.

CREATIVE... Hudson Griffiths makes a manger with the help of volunteer Rob Kutcher.

MESSY CHURCH... Ruby Mildwaters dressed as an angel as part of a Christmas-themed Messy Church at the Uniting Church Hall, Kadina, on Friday, November 19.

THE A-TEAM... Messy Church team members Brenda Cross and Jane Gersch love to see children enjoying themselves at Messy Church.

FAMILY TIME... Bella, Matilda and Mark Fox enjoy doing some arts and crafts at Messy Church.

## Focus on your health

A RECENT report by insurance provider Bupa has found health is top of mind for young Australians.

About 75 per cent of people under the age of 40 said they felt they needed to start prioritising health over other aspects of their lives.

The Bupa Health and Wellbeing Pulse Report surveyed 1000 people and found people under 40 have needed more self-care than those over 40 and undertaken more self-care than ever before.

Bupa Health Insurance managing director Emily Amos said the report pointed towards a more health-focused population, particularly among younger Australians.

"It shows younger people, who are often portrayed as thinking they're bulletproof, have a genuine desire to be actively involved in their health care," she said.

"In addition to more traditional health services, younger Australians are significantly more likely to use wellness services such as massage, natural medicine, yoga and health spas.

"Even during the pandemic, both during and after lockdowns, when they may not have been able to access all their usual health and wellbeing services, we've seen many younger people make conscious decisions to invest in their wellbeing such as drinking less alcohol, meditating and participating in online health classes."

### Top health activities by under 40s

- Eaten more healthy foods 56%
- Taken vitamins or supplements 45%
- Reduced alcohol consumption 35%
- Gotten more sleep 34%
- Started an exercise program 29%

## State experience for under 16s

**Peter Argent**  
REPORT BY

A team of Yorke Peninsula boys had an opportunity to play a higher level of cricket at the SACA Under 16 Country Cup last week.

The side, coached by Lachlan Pointon and assistant coach Callum Agnew played four matches at grounds across Adelaide, Adelaide Hills and Fleurieu Peninsula.

Pointon said the week was a good learning experience for the group, which fell short in the three conference clashes before finishing the competition with a six-wicket win.

"Tom (Dolling) was our stand-out batter, producing three strong innings and making good runs," Pointon said.

"He was fourth overall amongst the top run scorers, making 156 runs and was run out twice.

"The wickets were shared across the group.

"Our new-ball bowlers had an impact and leg spinner Ben Honner displayed some promise with the ball.

"The facilities at each venue we played were impressive."

YP scrambled to 120 in its first match at Strathalbyn Oval on the back of a well-compiled 50 by shot maker Tom Dolling, dispatching 10 boundaries in a 68-ball stay at the crease.

In reply, South chased down the runs in 19.1 overs for the loss of two wickets.

Ben Honner claimed 1/11 from 2.1 overs, while Will Pointon claimed the first wicket, finishing with 1/29 from five overs.

On day two at Encounter Bay, Harry Kakoschke was the pick of the YP bowlers with 2/34 from his eight overs, while the quartet of Pointon (1/24), Honner (1/34),

swing-bowler Dolling (1/25) and medium pacer Charlie Hines (1/18) all claimed a single victim.

Eyre Peninsula made a total of 6/172 with Henry Butler leading the chase for YP, top scoring with 37.

Middle order bat Hines was the next best with 24; YP fell 56 runs short.

YP took on Upper North in the final conference match at Mount Compass on Wednesday, with UN making a highly competitive total of 7/190.

Both Pointon and Dolling secured two scalps each, while Honner and leg spinner Jaxon Barnes each grabbed a wicket.

In this run chase the YP lads fell 22 runs short, bowled out for 168 on the penultimate ball of the game.

Dolling continued his excellent form with an impressive 60, while five other players got to double figures.

In the cross-over match at Gaza Oval, YP recorded its first win, defeating Para Districts by six wickets.

Para Districts batted first and made 8/131, with Kakoschke again the pick of the bowlers with 2/11 from five overs.

Freddie Wilson (1/9 from four overs), Barnes (1/13 from four overs), Honner (1/23 from five overs) and opener Pointon (1/21 from eight overs) were all among the wickets as well.

YP achieved the target with the first ball of the 34th over, four wickets down.

Opener Dolling top scored with a patient 45 from 85 balls, while skipper Rupert Polkinghorne produced his best performance with the willow, making 33.

Butler remained 18 not out when the winning runs were scored.

# Girls play in state-wide competition

**Peter Argent**  
REPORT BY

Four Yorke Peninsula girls combined with Mid North players for the 2021 SACA Under 16 Girls Country Cup.

All matches in the nine-a-side tournament were played at Callington Oval.

Jazz Kerley, captain Mackenzie McCauley, Zali Kerley and Sarah McConnell all lined up for the combined side under the coaching of Michael McCauley.

The side played four matches, winning the final two.

"In game one against the Barossa and Light, MN/YP batted first and made 86," McCauley said.

"Matilda Maitland played a lone hand and made 57 against a fine bowling and fielding effort from Barossa.

"MN/YP started well with the ball having Barossa in early trouble at 3/7.

"Unfortunately, some missed chances in the field let Barossa off the hook and they chased the runs down for the loss of those three wickets.

"In game two against the South East, a pair of our players were unfortunately unavailable due to other cricket commitments and the team was filled with three younger girls who put a stellar effort in the field for the team.

"South East batted first and was bowled out for 82.

"It was a great bowling and fielding effort by all the girls, with

leg spinner Mackenzie McCauley picking up a team-best 4/12.

"South East bowled well and Mid North/YP was 7/62 when the game was completed.

"McCauley made 16 and Annabelle Smith got to double figures as well."

Mid North/Yorke Peninsula enjoyed its first win against Eyre Peninsula.

"The MN/YP girls dominated this game," McCauley said.

"Batting first, the girls made 3/242 at the end of their 30 overs.

"Matilda Maitland dominated, making a magnificent 130; the first century of her career.

"Matilda was supported with 60 from Maggie Clark and 20 from Lucy Reddaway.

"South East was never in the game, bowled out for 45, with Maitland and Annabelle Smith each claiming a pair of wickets.

"Game four against Fleurieu and Districts was an emphatic win as well.

"Fleurieu and Districts batted first and was bowled out for 98.

"It was a good all-round performance by the girls in the field with all bowling and fielding well.

"The best with the ball was Zali Kerley with 3/13.

"MN/YP batted very positively to complete the run chase in 10 overs, finishing no wickets down for 100.

"Maitland compiled another unbeaten half century and Clark was 40 not out."

Maitland was also named player of the tournament.

**WNBL**

Adelaide Lightning had its first win of the 2021-22 WNBL campaign, defeating the University of Canberra Capitals 88-62.

The Lightning were up by 12 points at halftime before extending the lead to 26 at the final buzzer.

Stephanie Talbot was a potent force at both ends of the court.

She scored nine points and delivered six assists as well as 12 rebounds — 10 defensive end.

Talbot also recorded a couple of steals and a block in an excellent all-round game.

**SACA men's first grade**

Blake Gutsche played an important role with the bat in Woodville's round six win against Prospect.

Chasing the Pirates' testing total of 219, Gutsche came to the crease with the game in the balance, the Peckers at 5/126.

Gutsche put on a match-winning partnership of 82 with Ben Turley (39 not out), to get his side within 11 runs of victory.

The classy left hander from Sunbury made 45 runs from 83 balls faced, dispatching a quintet of boundaries.

Kensington was 3/147 in its second innings against West Torrens before it was called off on Saturday.

Opening the bowling, teenager James Reuther sent down seven

wicket-less overs which included a pair of maidens, at a cost of 26 runs.

Bowling all-rounder Murphy Short sent down four overs and chimed in with 1/16.

**SACA women's second grade**

Mackenzie McCauley and West Torrens ran into a rampant Adelaide Buffaloes outfit at Glandore Oval on Sunday.

McCauley and her leg spinners collected a respectable 1/39 from eight overs, in Adelaide's big total of 6/214.

In reply, West Torrens was only able to compile 78 and went down by 136 runs.

McCauley was bowled first ball.

**SACA men's second grade**

Callum Agnew played a brilliant lone hand for West Torrens against Kensington in the Eagles' 100-run loss.

Batting at number five, Agnew made a defiant 51. He faced 132 balls and dispatched four boundaries out of a team total of just 120.

**SACA men's twenty20**

Western Eagles lost their first twenty20 match to Kensington by six wickets with seven balls remaining.

Short made one with the bat and collected 0/18 from two overs.

Sturt twins Thomas and Corey

SACA FIRST GRADE... Blake Gutsche played an important role with the bat in Woodville's round six win against Prospect, making 45 off 83 balls.

SACA FIRST GRADE... James Reuther opened the bowling for West Torrens against Kensington.

SACA FIRST GRADE... Murphy Short claimed 1/16 against Kensington.

# Close games leading into Christmas break

Joan Hill  
REPORT BY

## Saturday competition

There were two close NYP Bowling Association open competition division I games on Saturday, December 18.

Arthurton, at home, defeated Paskeville by one shot, and Moonta, at home, defeated Kadina by two.

In the Arthurton v Paskeville match, Martyn Moloney's and Garry Willson's teams drew. Geoff Bagshaw lost to Ric Schild by five shots and again there were five shots the difference between Simon Geater-Johnson and Jeff Miller. It was Dean Prentice's one-shot win against David Millard that won the game for Arthurton.

The Moonta v Kadina match lived up to the prediction it would be close and one to watch. Both sides had two teams up but it was the team of Steve Eichenberger, Kevin Sorrell, John Amos and Andrew Pearson, which won 32-17, that got Moonta over the line.

Walleroo White remains on top of the ladder with its win against Bute.

Ardrossan found form and had all teams up at Maitland.

Walleroo Blue, playing at home, defeated Port Broughton.

Walleroo Blue had three teams up; only winner for Port Broughton was Ben Barnes's team, 30-13.

The two closest division II games were at Moonta and Port Broughton, Moonta Blue defeating Ardrossan 94-81 and Port Broughton winning against Bute 91-78.

Arthurton had a 109-83 win against Wallaroo Blue. Both Arthurton sides must be happy with their seasons so far.

Top side Moonta Red had a win against Wallaroo Mines. With the game played at the Mines, it was expected to be closer but not one of the home side's teams won.

Kadina travelled to Paskeville and was far too good, winning 113-88.

In division III, the closest result was at Kadina, which defeated Maitland by one shot, 60-59.

White defeated Red by seven shots, 59-52, in the local derby at Moonta.

Both Wallaroo sides had wins against Ardrossan White and Blue.

**Blue Week raises \$2400**

KATE Brokate, of Bute, approached the Northern Yorke Peninsula Bowling Association to raise money for breast cancer last season.

A successful Pink Week was held with all clubs participating.

In season 2021-22, Kate asked the NYPBA to sponsor a Blue Week to raise money for men's mental health and prostate cancer.

This was held during the second week of bowls, and all clubs again participated, raising \$2400.

As this was also successful, it has been decided a week will be held each year for all clubs to donate to these worthy causes.

Southern Yorke Peninsula Bowling Association chairperson Leith Daniell said the association and clubs have a responsibility to uphold.

“It’s probably fair and we’ve got to abide,” he said.

“It might cause a fair few problems in regards to each club recording their vaccinations but the percentage of those already vaccinated is high which is good.

“Really, there are thinning participation numbers already, and the only other big problem will be getting those who aren’t vaccinated already, jabbed by the cut-off date.”

Bowls SA caretaker CEO Taryn Sexton said the decision was not made lightly.

“We embrace the opportunity to be a leader in the South Australian sporting community and show how much we value the health and safety of our players and volunteers, who are mostly part of a very vulnerable demographic,” she said.

The SANFL announced its vaccination policy for South Australian football, with all players aged 16 and up in men’s and

ROLL UP... Paskeville Bowling Club's Joan Hill is one of hundreds of Yorke Peninsula bowlers who will comply with Bowls SA's new vaccination policy, which requires players to be fully vaccinated by January 10.

# Alford Bowling Club women's fours tournament

Alford Bowling Club held its women's fours tournament on Tuesday, November 23.

There was a heavy shower of rain in the morning before the start of play.

Ten teams played in warm weather after the rain.

The winning team was from Port Pirie BHAS: Pamela Stevens, Shirley Bennett, Nancy Warne and Dianne Watson.

Runner-up was the Moonta team of Carmen Menay, Sharon Wilson, Coralie Herrmann and Ina Coates.

Alford BC thanks the tournament sponsors and club members for their support.

## Port Victoria women's invitation day

Bowlers from Mallala, as well as all over Yorke Peninsula, listened attentively as Port Victoria Bowling Club life members Betty Greenslade and Carlene Stone opened the Port Victoria women's invitation day on Friday, December 3.

Three games of fours were played in cool but dry weather, with Merrilyn Lovelock's Port Vincent team the winners, Sandra Wescombe's Curramulka team

second, and Marg Chandler's Moonta team third.

Appreciation must go to sponsors Maitland Foodland, Maitland Pharmacy, Retravisation Kadina, J. & D. Southwood, Australian Grain Export, and Peninsula Gases.

Many thanks to all who attended and made the day the success that it was.

# Stansbury leads the way

“NN”  
REPORT BY

All pre-Christmas/New Year games have been played in the SYP Bowling Association. With the Stansbury club leading the way — top in the Wednesday (men) competition; top in the Saturday (open) division I and second in div II; and second in the Thursday (women)’s comp div II — its players can now enjoy the long break and start thinking about finals.

## Saturday competition

Stansbury leads the way from Yorketown, Edithburgh and Port Vincent, with Minlaton making a late charge for a finals berth. The Maroons had a 23-shot loss to Yorketown at Minlaton last week, winning only one rink — that of Stewart Germaine 29-21 over Mick McCallion. At Stansbury, the home side won all rinks (16 up overall) against an improved Warooka. Rob Natt scored a 20-19 win against Tony Dunn.

Edithburgh Gold proved too good for Port Vincent with a consistent performance across the green. Big winner was Haydyn Russell, 35-7 over Des Chambers. Sandra Millowick had a 21-all draw with Noel Polkinghorne and Mark Hewton had a one-shot win against Vanessa Germein. Edithburgh Green defeated Yorketown Blue by three. Stansbury Blue blitzed Yorketown Red at Yorketown, 40 shots up overall. Jennie Ford was her side’s biggest winner, 37-18 against Robin Spratt, and Ron Duncan’s team defeated Peter Quick 27-13. Les Nichol had a much closer game against Roy Bullock, seven shots up. Minlaton scored well against Warooka, Kylie Langhorne was a big winner 45-15 against Heather Drury.

## Thursday competition

Despite having lost to Curramulka and Yorketown in the past two weeks, Warooka still holds top spot from Stansbury and Minlaton in the women’s comp. Can Warooka hold on and win the

flag? It has the potential and players will have to believe in themselves to create history. Yorketown had a 20-shot win at home against Warooka last week. Sandra Redding defeated Cheryl Edwards 27-13 and Colleen Duncan made a big comeback late in the game to defeat Dawn Detmar 29-17. Di Brooks was Warooka’s only winner, 27-16 against Bev Loechel.

The outcome of the Minlaton v Stansbury game came down to the umpire’s decision on the very last end, Stansbury winning the measure and the game by one shot. Arnie Holland was the only winner for Stansbury, defeating Nancy Newbold 26-16. Brenda Clarke won by six shots over Karyn Watts, Marilyn Mitchell had a one-shot win over Jennie Ford and Lyn Krieg was two shots up on Margie Dodd. Edithburgh had an eight-shot win against Curramulka with both sides winning two rinks.

Janet Tucker played brilliantly to defeat Sandra Wescombe 24-9 while Sue Short scored a 22-14 win against Deb Funnell. Port Vincent held onto fourth with an eight-shot victory over Port Victoria. Port Vincent won three rinks to Port Victoria’s one. The ladder has Warooka on top from Stansbury Minlaton and Port Vincent, with Yorketown just outside the top four.

## Wednesday competition

Stansbury remains undefeated at the top of the ladder after playing Ardrossan White and winning by seven shots. Edithburgh Green scored an easy win against Ardrossan Blue to hold second place, with Warooka scoring a big 73-15 win against Ardrossan, one of the biggest wins in a two-rink game on record in the SYPBA. Yorke Red and Yorke Blue were evenly matched with Red home by three shots.

There is only one game to go in this competition, at Yorketown on January 19. There will be a modified game in the morning to see where clubs finish on the ladder and the final will be played in the afternoon.

SYPBA SATURDAY DIV I... Kimberly Rickard lines up her bowl for Warooka against Stansbury.

SYPBA SATURDAY DIV II... Craig Hickman, Curramulka, indicates where he wants a bowl to finish against Stansbury White.

BOWLS

**Ardrossan Saturday:** Division I was successful against Maitland 99-68. Best rink G Covino, C Simmons, R Stern and D Adcock (sk) displayed consistent bowling to win 26-13. With a couple of large scores, M Shaw's team broke away to win 26-13. L Rich's rink withstood its opponent's challenges to be 24-18 up. Locked in a close finish, J Simmons's team held on for a 23-21 conclusion. Div II lost to Moonta Red 81-94. Best rink T Spiteri, D Lambert, P Robertson and D Johnson (sk) powered on shots near mid game, and held onto the lead for a 25-16 finish. Locked together halfway through, J Burgess's team succumbed to a few large scores, finishing 21-27. N Marsh's rink was entwined with its opponent until the final end when it gave up six shots for a 21-28 score line. Although rebounding somewhat mid game, P Goudie's team struggled to a 14-23 loss. The depleted div III Blue side was outclassed by Wallaroo Blue 30-106. Best resistance came from M Quinn, R Jackson, G Moulds and M Toovey (sk), 10-22. The other rinks were no match for the precise opposition dominance. Div III White lost to Wallaroo White 50-71. Best rink I Werner, M Houghton, B Lee-Archer and D Anderson (sk) picked up a valuable five shots on the run home and won 23-17. G Kluske's team produced a scoring blitz in the last ends in a 14-21 finish. Large scores by D Barton's opponent resulted in a 13-33 loss for the home rink. *LBB*

**Ardrossan Wednesday:** Blue went down to Edithburgh 29-40. Best rink K Holman, M Shaw and P Ward (sk) bowled consistently to produce a 19-12 victory. B Hicks's team struggled against a superior opponent, going down 10-29. White lost to Stansbury 32-38. Best rink T Spiteri, N Marsh and L Burman (sk) broke away with just enough buffer to compensate the loss of six in the last end to be 18-17 up. F Stern's team chased its opponent, eventually reducing the gap to 14-22. The Ardrossan side was overwhelmed by Warooka 15-73. J Burgess's rink offered sporadic resistance in its 9-30 loss. B Cowan's team was mismatched, struggling to win ends against a proficient team. *LBB*

**Arthurton Thursday:** Arthurton travelled to Paskeville to play on December 16. It was a beautiful day for the last game before Christmas. Ali Adams's team of Sheryl Davey, Joy Kitto and Jan Westley had Arthurton's only win 18-14. A great win to Paskeville with a home ground advantage taking it away from Arthurton. Paskeville 74, Arthurton 59. *"Wildoats2"*

**Kadina Saturday:** First division travelled to Moonta and put up a spirited performance, only to go down by two shots with two teams up. Brian May with team Brenton Anderson, Robert Cross and Bernie Penhall were the best with an eight-shot win. Second division travelled to Paskeville and won by 25 shots. New member Don Hendry and team Jan Spry, Anne Rule and Alan Hutchinson, with a 23-shot win, were the club's best for the day. Third division hosted Maitland and was rapt to win by a single shot. Suzanne Kennett with her team Janet Fogden, Frank Flavel and sub David Pearce played well to be ahead 13 shots at the finish. Kadina club wishes all bowlers and their families a merry Christmas and see you on the greens in three weeks. *"Second Wood"*

**Moonta Saturday:** The last round before the holiday break left the club in a good position with all sides in contention when the season resumes. Division I, now in second spot, defeated Kadina at home 91-89, two rinks each. Best: Steve Eichenberger, Kevin Sorrell, John Amos, Andrew Pearson 14 up. Div II, at the top of the table, was away to second side Wallaroo Mines, winning well 116-56, with all rinks up. Best: Howard Andrew, Marg Chandler, Paul Ausburn, Phil Woodward 29 up. Div II Blue moved to second with a win against Ardrossan 94-81, three rinks up. Best: Bob Wheaton, Jack Gallagher, Tony Emmerton, Barry Wilson, nine up. Div III Red, on top, was the away team to the White side but went down 52-59, only winning rink Vern Tom, John Neville, Glen Price, Jose Mena, 14 up. Div III Blue retained second place although having the bye. Div III White is fifth; despite struggling for players, it defeated Moonta Red 59-52, two rinks up. Best: Matt Myers, Trevor Obst, John Theodosiou, 19 up. *"Till next year"*

**Paskeville:** Thursday division I Gold women had a win against top side

Arthurton, that side's first loss for the season; Paskeville 74 to Arthurton 59. Joan Hill, Jackie Harrop, Jane Allen and Mary Manuel won 26-13; Sheryl Millard, Judy Bussenschutt, Geoff Hill and Alison Owen won 16-11; Denise Hill, Clare Rundle, Neil Harrop and Jodie Ward won by one shot 18-17. Division I Gold starts again January 6. What a game Saturday (open) division I had at Arthurton, Paskeville losing by one shot 92-93. One team with a draw, one team up by five, one team down by five and the decider was the loss of one team by one shot. Well done. Div II news wasn't as good. Kadina was too good overall. Brenton Drewett, Paul Elsworth, Neil Gardner and Neville Bussenschutt were the only team up, 28-21. Have a merry Christmas and see you all in the New Year. *"One-eyed Maggie"*

**Wallaroo Mines Saturday:** Reaching second on the ladder last week, spirits were high at the club. Hosting Moonta Red (top of ladder) at the Mines was our test game. Unfortunately we came up short to this polished side. R Moad, T Stevens, D Appleton, G Hewitson 19-27; C Shean, A Phillips, T McConnell, R Appleton 14-24; P Seeley, T Webb, K Greer, A Whiley 17-30; E Beare, P Neimz, I Sobey, D Stock 6-35. Overall 56-116 and no points for us. Now holding third for the break. Merry Christmas to all, come back in 2022 ready to fight out all games left this season. *DS*

**Wallaroo Thursday:** Gold travelled to Kadina and played Kadina/Mines in perfect weather. With two teams up, Wallaroo won 76-59. Top scorers were K Mellow, M Topham, D Harris and J Oborn. Thanks to the opposition for a lovely Christmas spread. *DP*

**Wallaroo Saturday:** Division I White defeated Bute 100-82. # SYP basketballers at St Clair

Southern Yorke Peninsula Basketball Association fielded several teams in the annual St Clair Christmas Carnival, held December 16-19.

Both the Under 14 and Under 16 girls' teams won all four of their minor round games with the under 14 side going on to win the grand final with a dominant performance.

Summer Davies was prominent and led all scorers in her under 14 division with 71 points, whilst Holly Bryan and Daisy Jarret were also in the top five scorers.

The under 12 girls side lost only one game in the minor round and competed strongly in their grand final before eventually losing.

Under 12 and under 14 boys' sides competed strongly during the weekend, winning two and losing two matches to narrowly miss grand final berths.

The association is particularly grateful to the coaches and managers for their substantial efforts in guiding our players through their preparation and competition.

We also thank the many families for their commitment in enabling the players to attend practices and games.

# Final roll for 2021

## "The Finger Roll"

REPORT BY

All sides looked to shore up their ladder spots heading into the Christmas break.

Paskeville Black landed a huge win against Arthurton Orange in the Senior Women to leapfrog its opposition on the ladder by a game. Black now sits just one win behind cross-town rival Pasky White.

Pasky's A Men showed impressive resolve against a bigger-bodied Blazer line-up and stormed away by 33.

The Finger Roll wishes their fans a merry Christmas and looks forward to seeing everyone labouring halfway through the first quarter in round 12!

### Results

#### A MEN

##### Moonta v Paskeville

Pasky capitalised on its small-ball line-up by getting out on transition at every opportunity. A

season-high 26 points for Brock Thomson and 20 from Kye McDonald helped the Pies cruise to a 33-point win.

##### Bears v Bute

No Sam Taylor meant Bute was up against it on the boards straight away whilst missing its go-to scorer. Five triples to go with 25 points from Jordan Taylor more than made up for his cousin's absence, as the Roosters triumphed by 13.

##### Kadina v Wallaroo

Easily the scrappiest tussle of the round, neither side could get into an offensive rhythm for the duration. Mitch Miller bobbed up when the Bloods needed him most, knocking down three big buckets from beyond the arc to pull away by seven.

#### SENIOR WOMEN

##### Moonta v Paskeville White

A much closer encounter than I predicted, Pasky showed tremendous spirit from the outset thanks to Fiona Bussenschutt's

dominant presence. However, Montana Briggs and Amber Aldridge were just too shifty and combined for 29 to lead the Blazers home by seven.

##### Wallaroo v Arthurton Black

To no surprise, the Tigers put their opposition to the sword once again, although their no-mercy pressure whilst being up 73 certainly raised a few eyebrows. Credit to the valiant Dogs who continue to scratch and claw this season, regardless of their opposition.

##### Paskeville Black v Arthurton Orange

An extremely important contest in the scheme of the Senior Women comp, each side was playing for fourth spot heading into the Christmas break. Claire Venning, Janna Mojares and Lucy Bussenschutt were once again devastating in the open court, as the talented young trio led Pasky to a 23-point victory.

# State title for SYP archer

Southern Yorke Archers member Sabine Meyer claimed a title at the Australian Bowhunters Association SA branch Safari Paper Titles Shoot on September 18-19.

Due to COVID, the competition was held at each club.

Archers participated in four rounds across two days — each round had 20 targets with up to three arrows per target in the morning and one arrow per target in the afternoon.

The weekend was extremely windy, making for challenging conditions.

**Winners**

Overall winner for junior sighted division: Sabine Meyer (Southern Yorke Archers).

Cub Girls C division: Ava Penna (Yorke Peninsula Field Archers).

Cub Boys B division: Brock Penna (Yorke Peninsula Field Archers).

Adult Men's C Compound: Kameron Rowntree (Yorke Peninsula Field Archers).

Adult Men's A Bowhunter Compound: Brett Raymond (Yorke Peninsula Field Archers).

Adult Men's A Bowhunter Unlimited: Ron Aerts (Southern Yorke Archers).

Adult Women's C Freestyle Unlimited: Hazel Kirlew (Yorke Peninsula Field Archers).

Adult Men's B Freestyle Unlimited: John Penna (Yorke Peninsula Field Archers).

# New sprinkler systems at Kadina Croquet Club

Shane Carman from Living Turf has facilitated and installed two sets of new water sprinklers for the lawns at Kadina Croquet Club, for which the club is grateful.

Both Shane and Daryl Sellar (also from Living Turf) have been helpful and obliging during the past two years with great advice and tips for improving the croquet lawns and surrounding areas.

The club highly recommends them to anyone wanting to improve their lawns, be it at home or at a sporting venue.

# Wallaroo tees off on Sundays

Wallaroo Golf Club is holding a Sunday competition through January and February.

The club experimented earlier this year with a Sunday format in summer and is bringing it back on Sunday, January 9.

"It's a great opportunity for cricketers, bowlers, and holidaymakers to enjoy a hit with the common fun and camaraderie that comes along with competition," club captain Ian "Bodgie" Shaw said.

"There is no age limit, and we encourage all to come along and enjoy some socialising and exercise in the sun, followed by exceptional hospitality at the community club."

"The stunning Wallaroo course hosts 18 beautiful, watered grass fairways, with scraped blacks, that's sure to impress all players."

Names are to be given to the captain by 11.30am each Sunday for a noon tee-off.

All are welcome, with members paying \$5 in competition fees while non-members pay \$20.

SUNDAY GOLF... Wallaroo Golf Club captain Ian "Bodgie" Shaw and vice-captain John Gore look forward to welcoming golfers for a Sunday bash during January and February.

# Wallaroo Sailing Club

The Wallaroo weather beat us again and there was no sailing because of the conditions.

It was a good time to get everyone together in the boat shed for some practical tips on moving around in a boat when changing direction.

Under the supervision of Samara Shane all the sail trainees had a try; from there the group moved over to the marina to watch the radio controlled boats.

Here was a lesson on how the wind can really affect a boat in motion, a good session for all.

The sailing club will be closed over the Christmas and New Year period, we will re-open on Friday, January 7.

Sailing, including sail training will return on Sunday, January 9.

Wishing all a very merry and happy festive season from the Wallaroo Sailing Club.

**Port Broughton Sunday: Results 19-12-21** — A windy Sunday brought out a few hardy players for a Stableford and the 12th round of the Col Gigney Cup. Some also wanted to get a feel before Thursday's veterans' game. Adam Barnes played well (but should have been working) to come in with a great score of 38 pts, runner-up was Shane Stubbs with 37 followed by Geoff Tapps on 35; Robert Arbon 34; Darryl “High Cup” Chynoweth, Troy Reid 33. NTP: second shot 4/13: Trevor Farrows; 6/15: Darryl Chynoweth; 7/16: Geoff Tapps. Long putt: 9/18, Alan Steff. *“Tappsy”*

**Port Broughton Tuesday: Results 14-12-21** — A field of 15 players participated in a stroke round for the chook, with Ros Aitchison having a very good day with 69 net. Darryl Chynoweth came in as runner-up with 70 net on c/b from Steve Solomon. Results: John Spackman, Adam Barnes 71. NTP: second shot 4/13, Trevor Farrows; 6/15, Trevor Farrows; 7/16, Joanne Edwards. Long putt: 9/18, Darryl Chynoweth. *“Tappsy”*

**Stansbury Thursday:** Fifteen players turned out for the end-of-year 12-hole social competition on December 16 and were joined by a similar number of non-golfers for a sausage sizzle afterwards. Welcome to Rob Anderson and John Hallas who

joined us for their first time. Winner Luke Hillier (birthday boy) 61/44, r-up Ian McEwan 47 net. Least putts Richard Smith 15. NTP: Ashley Hodge and Ian McEwan tied. Chip-out Challenge: John Patterson. Golf resumes January 6, noon for 12.30pm hit-off. Merry Christmas and a happy New Year everybody. *“Lotta B Putz”*

**Walleroo Saturday: Results 18-12-21** — A good turnout of 44 players contested the Christmas Ambrose. Winners, off-stick: Ian “Bodgie” Shaw, Bruce Hann, Tom Nolan, Gerard “Gezza” Burt 63 os c/b runners-up Ben Wall, Brad Jamieson, Brenton Jamieson, Nathan Lawson. Winners, handicap: Nathan Clifford, Chris Whittaker, Sam Correll, Matt Robinson 55.5 net; runners-up: Jan Halse, John Halse, Glenn McDonald, Wendy Lynch 57.375. **Walleroo Rifle Club:** The club held its annual Christmas shoot on Saturday at 500 yards shooting on 300-yard centres and aiming marks. It was a bit of a challenge for some but others managed to shoot to their self-nominated handicaps. Top off-rifle for F class was Joe Zappia who managed to make the limit and win handicap. Jeff Dayman managed to scoop the target rifle and handicap in his group. Chickens were presented to the winners and each shooter brought a gift and took one home. After a delicious barbecue lunch, last season's trophies were presented under our oval gazebo outside of the club hut. Results, F open: R Carter 75.3, 10, 85.3; R Atkinson 74.1, 13, 87.1; D Cox 70.1, 7, 77.1; J Zappia 80.6, 10, 90.6; B Savage 74.0, 10, 84.0; A Murray 73.2, 15, 88.2; D Nottage 66.1, 13, 79.1; S Tsiknis 64.0, 10, 74.0; K Fidge 75.1, 9, 84.1; T McLean 67.1, 15, 82.1; target rifle: M Dayman 61.3, 11, 72.3; J Dayman 66.4, 8, 74.4; A Dayman 51.1, 16, 67.1; D Foster 43.0, 12, 55.0. ## Barunga Gap farmer in industry program

BARUNGA Gap farmer Tom Michael is a grains leader.

Mr Michael is one of 10 growers selected to participate in GrainGrowers Grain Social Leadership Program in 2022.

The program works with those who are keen to share the story of Australian grains.

"It further equips individuals with the leadership and communication skills to engage in meaningful conversations with all parts of the community," Grain Growers general manager grower and industry development Kaitlin Leonard said.

"The GSLP is about ensuring grain farmers are powerful voices for our industry, and channelling awareness and understanding across Australian communities.

"We've seen what the impact of growers sharing what is happening on their farms can have and how appreciated it is by so

many people who might not have known the hows and whys around grain production previously."

Mr Michael believes grain growers have got a great story to tell and the connection to local customers is breaking down as Australia becomes more urban.

"I'd like to have some of these stories to roll over into the community," he wrote in his biography.

"I'm very passionate about social licence, having the community support to use modern farming techniques and best practice to make us the most efficient, economic grain producers."

The GSLP is part of GrainGrowers' five-year mission to build a Grains100 list, consisting of 100 progressive grower leaders who will build the social licence and sustainability of the Australian grains industry by sharing their unique experiences as food producers.

**LEADER...** Barunga Gap farmer Tom Michael is one of 10 growers selected to participate in the national Grain Social Leadership Program in 2022.

## Industry on track for lucrative crop

LATE season rain, hail and wind has failed to put a dampener on the record South Australian 2021-22 grain crop.

The state government's latest Crop and Pasture report estimates a \$3 billion farmgate value return from this season.

Minister for Primary Industries and Regional Development David Basham said, despite an average crop estimate, high global wheat and barley prices have resulted in an increase to the projected crop value.

"Cool conditions and regular rain delays during October and November slowed early harvest progress but we are now in full swing and about halfway complete across the state," he said.

"The report highlights, despite the mixed weather conditions this year with late opening rains followed by a wet mid-winter, a dry late winter and stormy wet October finish, indications are that crops have grown well mostly due to deep soil moisture stored from June and July rains.

"While winter frost and the spring storm events on October 28 and November 6 caused some grain losses, the report has surprisingly found rain associated with the storm systems increased the yield prospect of undamaged ripening crops.

"While the Bureau of Meteorology has now declared La Niña for summer 2021-22, it is unlikely to have significant influence on South Australia's rainfall with the current seasonal outlook to February showing the most likely outcome is average rainfall for most of the state."

## Watch out for drift with summer weeds

PRODUCERS are being reminded to consider their neighbours when planning spraying operations in coming weeks.

PIRSA executive director of biosecurity Nathan Rhodes said heavy rains over parts of the state in recent weeks would lead to increased weed control activity.

"Producers, particularly those in northern and eastern agricultural and viticultural areas will place a priority on spraying operations in broadacre cropping and vineyards in an effort to control any emerging weeds and minimise potential fungal disease," he said.

"With the amount of spraying likely to take place, diligence will be required when planning and applying sprays to ensure no spray drift occurs.

"It is also vital not only the right chemical is selected but also weather conditions are

closely monitored and appropriate for the proposed activity.

"Spraying should not occur under inversion weather conditions which generally exist from evening and overnight through until early morning."

Mr Rhodes said in the coming months the department would be closely monitoring spray operator activities, including through chemical user audits, investigation of reported spray drift incidents and taking regulatory action when non-compliance was identified.

"Anyone found to have deliberately or negligently caused damage to other properties by not following the regulatory requirements for agricultural chemical use can receive a maximum penalty of \$35,000 per offence," he said.

"Such penalties reflect the seriousness of not following mandatory label instructions."

Grain Producers SA R, D and

E committee chair Nick Hillier encouraged producers to practice the endorsed Code of Practice for Summer Weed Control, and to report any spray drift events to the Agricultural and Veterinary Chemicals Hotline on 1300 799 684.

"Over the past few seasons GPSA has had an ongoing campaign encouraging growers to Hit Your Target," he said.

"Growers have rallied to adhere to the Harvest Code of Practice and to not reap grain when the Grassland Fire Danger Index is above 35.

"GPSA is seeking a similar response from Hit Your Target in which communities of growers work together to minimise the risk of spray drift."

For information on best practice chemical use, including the industry endorsed Code of Practice for Summer Weed Control visit, [www.pir.sa.gov.au/chemical-best-practice](http://www.pir.sa.gov.au/chemical-best-practice).

**WATCH OUT...** Northern and Yorke Landscape Board is calling on landholders to make a concerted effort to stop the spread of burr weeds like caltrop.

## Battle against burr weeds to continue

PREVENTING burr weeds from taking root and multiplying this summer will require a concerted effort from landholders, according to Northern and Yorke Landscape Board officer David Hughes.

Generous rainfall during spring has delivered ideal conditions for burr weeds like caltrop, innocent weed and khaki weed to repeatedly germinate and set seed throughout the warmer months.

"Many landholders may have already found and sprayed the first germinations of burr weeds, but they should expect repeated germinations throughout summer," Mr Hughes said.

"These weeds can set seed within two weeks of germinating, so it's important not to turn a blind eye as they can quickly spread throughout your property and even into neighbouring land."

Burr weeds thrive on bare ground and are known to produce large quantities of seeds.

One innocent weed plant can form 16 burrs, with each burr containing four seeds; a total of 64 seeds.

A single caltrop plant can form 400 burrs, with each burr containing up to 20 seeds; a total of 8000 seeds.

Their spiny exterior also means burrs are easily lodged in tyres, shoes and animals and then carried across the landscape.

"On farms and in vineyards, it's important to decontaminate all equipment before leaving weedy spots," Mr Hughes said.

"Land managers who use motorbikes, ride-on mowers or slashers should also be on the lookout."

Khaki weed (*Alternanthera pungens*), which forms a dense mat over the ground surface, is a problem in recreational parks and commonly hitches a ride with travellers who camp in caravan parks and reserves.

It also damages the feet and mouths of stock and degrades wool quality.

The Northern and Yorke Landscape Board encourages land managers to look out for and control any burr weeds on their property this summer.

For weed identification or management advice, please speak to a Landscape Officer on 8841 3444.

# Techgrow breaking new ground

## AgTech Growth Fund open for business

### Advertising Promotion

IT'S become apparent to many growers that areas of high soil compaction, either traffic induced or naturally occurring, need attention in the pursuit of productivity and yield.

By deep ripping, roots can penetrate the soil faster and deeper to unlock previously unattainable soil moisture and nutrients, ultimately improving soil health and crop yield.

Techgrow's HE-VA unit can help you achieve your goals.

"One of the key benefits of the HE-VA unit is the v-profile roller mounted on the back of the machine which is adjusted hydraulically to meet

the desired levelling and packing finish," a Techgrow spokesperson said.

"The roller leaves an unbeatable one-pass finish, crushing clods whilst leaving majority of the stubble still standing.

"This makes the paddock much easier to drive over and assists in avoiding drift."

The heavy-duty Danish-built machines have the ability to rip to depths of up to 700mm and come in both linkage and trailed models.

"The linkage machines come in 3m, 4m, and 5m models," the spokesperson said.

"This range is extremely cost effective and delivers excellent results

for farmers lacking the power of a larger tractor.

"The new linkage to trailing hitch conversion option is suitable for some soil types and available for farmers without three-point linkage capability."

Trailed subsoilers — in 5m, 6m, and 7m models — cater for larger broadacre ripping needs.

"HE-VA deep rippers are fitted with a hydraulic tine break-out connected to two gas accumulating tanks which ensures an automatic backward swing of the tine if it hits unmovable stones," the spokesperson said.

"This system performs magnificently as a shock absorber in stony soils, making it suitable to most soil types

regardless of how many rocks are present.

"The units come standard with either 120mm (5 inch) or 200mm (8 inch) points with tungsten tip, with other tine options also available.

"Clay lift and inclusion plates are also available, giving the ability to bring clay to the surface from depth and mix the soil effectively.

"We have seen some great results with these options in non-wetting soils.

"The benefits will obviously vary with soil type and any soil chemical restraints need to be respected."

To find out more and secure your ripper for the season, call Techgrow on 8842 1384.

APPLICATIONS are now open for collaborative projects between farmers and technology providers.

The AgTech Growth Fund is specifically designed to find solutions to on-farm problems by accelerating the development of new technology.

About \$800,000 is available in grants this year which will increase to \$850,000 in each of the following three years.

"Our farmers are some of the most innovative in the world but the adoption of AgTech has not happened as widely as needed if we are to see dramatic growth in productivity and profitability," Minister for Primary Industries and Regional Development David Basham said.

"Farmers face many challenges such as tough seasons and global market disruptions but these challenges can motivate industry to innovate and the AgTech Growth Fund will invest up to \$3.35 million to develop technology to do things better on farm and through the agriculture supply chain.

"The potential return on fully realising the adoption of AgTech is estimated at \$2.6 billion per annum in extra agriculture gross value of production in South Australia and unlocking this growth is what this fund is all about."

Applicants must be South Australian-based and proposing outcomes which deliver results to the state's agricultural sector.

The AgTech Growth Fund will provide grants of up to \$100,000 on a 50:50 contribution basis to collaborative private sector projects.

We are seeking enthusiastic staff to assist the people we support to live full and meaningful lifestyles. Previous experience as a Disability Support Worker is very important but not essential. We are also keen to hear from people with common lived experience of individuals with developmental disability and/or autism.  
The position is for permanent part-time if you are interested. Shifts will include a combination of morning, afternoon, sleepovers or active nights and weekends. You will work around the needs of each person so we need you to be reasonably flexible.

**You will:**

- Provide direct support to individuals in a person-centred and safe environment
- Demonstrate a commitment to continuous improvement
- Demonstrate a commitment to the values, beliefs and mission of our company
- Have good interpersonal and communication skills
- Have the ability to take initiative and problem solve
- Support individuals in a manner that shows respect and increases their independence, improves their communication and builds their self-confidence
- Maintain effective communication between clients, carers, families and staff as required
- Provide a range of "personal care" for individuals in a way that maximises their independence, choice and dignity
- Become familiar with, and assist in, the implementation of each person's individual support plans
- Maintain and uphold our privacy and confidentiality
- Adhere to our policies, protocols and procedures
- Have completed the new NDIS Worker Orientation module
- Support individuals to maintain their home which may include undertaking a range of household duties, i.e. cleaning, cooking and laundry
- Record and maintain accurate non-judgemental client information
- Be available for ongoing training and development

**Essential Requirements:**

- Certificate III in Disability or Community Services is essential
- Current Provide First Aid
- Current DHS Working with Children Check/Disability Services Employment check or NDIS Worker Check is mandatory
- Current driver's licence
- Current Manual Handling Certificate
- Current Certificate in Medication management
- Able to work independently and/or in a team environment
- Must be available between Monday to Sunday 24/7 roster system
- Good communication skills

We strongly encourage applications from Aboriginal and Torres Strait Islander communities. You will also need full working rights for Australia. Please note due to the volume of applicants, only those shortlisted will be contacted.

If you meet the above criteria, please mention Wallaroo in your cover letter. Apply now by uploading your résumé and cover letter via [recruitment@eblds.org.au](mailto:recruitment@eblds.org.au)

### DEFENCE PROOF & EXPERIMENTAL ESTABLISHMENT PORT WAKEFIELD: LIVE FIRING RANGE WARNING NOTICE

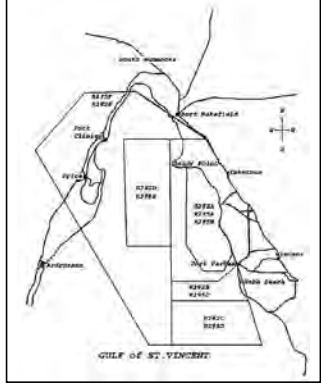

Test and evaluation activities involving static firings and/or firings of naval and artillery weapons are conducted at the Proof and Experimental Establishment Port Wakefield throughout the year. The Proof and Experimental Establishment Port Wakefield is a vital Defence test and evaluation capability that has supported Defence since 1929.

These firings may require specific tidal or weather conditions, and are critical for the safety of current and new Defence capabilities. Members of the public may notice noise, vibration, flashes and/or smoke during the testing. There is no risk to the public outside of the gazetted Defence Practice Areas.

For reasons of public safety, there is a permanent exclusion zone covering land, sea and air around the Port Wakefield Establishment. Specific details on the Port Wakefield Prohibited Area can be obtained from Commonwealth of Australia Gazette No GN 26, 4 July 1990, and is shown on the diagram below. Trespassing in this Area is strictly prohibited and very dangerous due to the presence of unexploded bombs. Any person found within the Prohibited Area or on Defence land will be subject to prosecution.

Specific test and evaluation activities may also require restricting public access to the Port Wakefield Defence Practice Areas over specific periods with these areas articulated in the Commonwealth of Australia Gazette No. GN 40, 7 October 1992, and also identified on the diagram below. This may affect access to the Gulf of St Vincent at Port Wakefield and Port Parham.

If any member of the public has inquiries in relation to these activities, please contact Proof & Experimental Establishment Port Wakefield - Range Control on (08) 8867 0270 between 8.00am and 4.30pm weekdays or the Proof & Experimental Establishment Port Wakefield - Security Office on (08) 8867 0299 outside these hours.

## Starscopes

**♈ ARIES—March 21-April 20**

The week includes an interesting combination of good luck and long hours at work. A friendship could benefit from a lighter touch. A family problem may benefit from a cooling-off period.

**♉ TAURUS—April 21-May 22**

Interrupted projects are back on the drawing board. The weekend focuses on new faces and new places. The object of your affections shows a surprising sentimental side.

**♊ GEMINI—May 23-June 21**

People you associate with are actually more interesting than you initially believe - give them time to prove themselves. Projects may be postponed at the last moment.

**♋ CANCER—June 22-July 22**

You are in an affectionate mood, ready to write a poem to the love of your life. Relatives are starting to pry and it may be wise to keep your distance.

**♌ LEO—July 23-August 22**

This will be a rapid paced week as you move from event to event, from project to project, with breathtaking speed. A warning: Financial decisions require meticulous attention.

**♍ VIRGO—August 23-September 22**

If you can, take on whole jobs rather than individual segments. Associates may be cynical, but don't try to beat them at their own game. Pets appear in the weekend picture.

**♎ LIBRA—September 23-October 22**

At last someone is ready to react favourably to your offbeat schemes. Financial gains are small but steady. In personal dealings, subtle moves won't get the point across.

**♏ SCORPIO—October 23-November 21**

Set your sights on a distant goal and move steadily forward - it's closer than you may think. In matters of romance and finance, avoid making any snap decisions.

**♐ SAGITTARIUS—November 22-December 22**

Being alert to changing trends can give you the edge at your place of work. Domestic differences are beginning to end. Your intuition is strongest from Friday.

**♑ CAPRICORN—December 23-January 20**

This week sees you boosting the morale of others and generally staying in the background. Your creative spirit is lively and you may decide to polish up some old artistic skills.

**♒ AQUARIUS—January 21-February 19**

The week finds you unexpectedly sensitive, perhaps misinterpreting the motives of your well meaning loved ones. This is a good week for replacing those old clothes with new.

**♓ PISCES—February 20-March 20**

Expect some fireworks over situations involving shared tasks and expenses. A romantic situation benefits from a more realistic approach. At work, creativity is the key.

### BIRTHDAY THIS WEEK

You are modest, reserved, earthy, peace-loving, intellectual and quick witted - that's you. Tidiness is all important and sometimes your pickiness interferes with relationships. Flexibility is the keyword over the next year, in friendship and at the work place.

## On notice

STAR-STUDED film Red Notice sure has gained the notice of Netflix viewers, but maybe for all the wrong reasons.

Featuring stars Dwayne "The Rock" Johnson, Ryan Reynolds and Gal Gadot, the blockbuster was Netflix's most expensive yet.

After creating great films such as Central Intelligence and We're the Millers, writer-director Rawson Marshall Thurber made a blunder out of what could have been a great film.

It's a wannabe James Bond blockbuster, in which Red Notice tells a tale of a journey endured by John Hartley (Johnson) in his pursuit of capturing the world's most wanted.

His global pursuit forces him to partner with a world class art thief Nolan Booth (Reynolds) in order to catch the world's best art thief, The Bishop (Gadot).

The somewhat confusing adventure takes the trio around the world, across the dance floor, into the jungle and always into each other's company, which may be the worst part of it all.

For the high number of fight scenes, the entire film was strangely bloodless.

Through bombs, explosions, fires, car crashes and even a rampaging bull, not a cut or bruise was sighted.

Without the sheer excitement and watchability of Johnson, Gadot and Reynolds, the film would have been completely intolerable.

Maybe WWE was The Rock's forte? We might see a

**FLOP....Although filled with stars, Red Notice did not meet expectations.**

John Cena and Dwayne Johnson rematch on the cards soon, which would be more entertaining than this film.

As much as I like him, it seems Reynolds has become acclaimed for delivering lines which hold zero comedic value.

However, there is one great Vin Diesel joke and about 50 on The Rock's hair.

If you have not watched the film yet, expect double crosses, and serious spoiler-level plot twists.

Most are ridiculous and expected, which turns the excitement stale as the movie wears on.

## #Throwback

This day in history

**December 21, 1976:** "Rocky" directed by John G. Avildsen and starring Sylvester Stallone premieres in New York.

**December 21, 1995:** Billie Joe Armstrong of Green Day is arrested for mooning the audience during a show in Milwaukee.

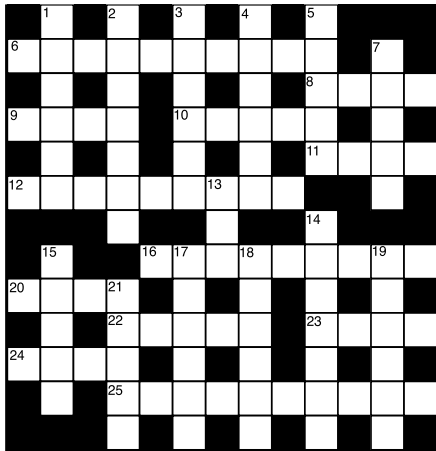

**December 21, 1995:** The Beatles release Anthology I (including the previously unreleased track "Free as a bird,") and sell 450,000 copies on the first day.

## What's been Trending

**F1 Championship:** Mercedes' seven-year domination of the sport came to an end at the Abu Dhabi Grand Prix, with Max Verstappen claiming the title after a late-race safety car intervention. Race director, Australian Michael Masi, is under fire for the way the restart was managed, with Mercedes claiming the proper processes were not followed, allowing Verstappen to pass Lewis Hamilton for the win.

**All-time NBA three-point leader:** Steph Curry has shot his way to the top of the NBA record book for three-pointers. Curry hit his 2974th three-pointer in the first quarter of the Golden State Warriors' game against the New York Knicks on Tuesday night, breaking the record set by Ray Allen.

## HOT FISHING TIPS

with Greg James [www.gregjamesfishing.com.au](http://www.gregjamesfishing.com.au)

Welcome to the column with all the hot tips for fishing around Yorke Peninsula; contact Greg by email at [greg@gregjamesfishing.com.au](mailto:greg@gregjamesfishing.com.au).

**Wallaroo:** A grain ship was again at the deep end of the jetty for much of the week as local anglers picked up some blue swimmer crabs and tommy ruff (Australian herring) in the late afternoons. Several boats were out fishing the Magazine and Bird Reef grounds for King George whiting, blueys, gar and squid last Thursday. Point Riley has gar, tommyies and squid.

**Moonta Bay/Port Hughes:** KG whiting and gar have been the fish species of choice as crews enjoyed weather allowing them to fish far and wide at Cape Elizabeth, Barker Rocks and West Light. Blueys and squid have also been in reasonable numbers. Both jetties are worth a try for squid and blue crabs. Big snook are off Weetulla beach.

**Port Victoria/Balgowan:** Boat crews fishing off Wardang Island and Balgowan caught bag limits of KG whiting last week, along with squid, garfish and flathead. The jetty has blueys, tommy ruffs and squid.

**Point Turton:** I checked out Point Turton on

Tuesday last week as the south-easterlies blew at a persistent 15 knots with gusts even stronger. Boat anglers chased gar and small squid off Point Souttar and Hardwicke Bay, while jetty-based fishers reported tommyies and squid.

**Marion Bay/Stenhouse Bay:** For the third week in a row big tommyies have been a welcome catch for jetty fishing. Tuna to 10kg, although not huge, are at last starting to appear off Kangaroo Island and Pondalowie Bay. Gym and Richards Beaches have salmon trout.

**Edithburgh/Stansbury:** Sultana Point and Marion Reef hold medium-sized KG whiting, snook and small leather jackets. Whiting to 39cm are out at Tapley Shoals and the jetty has ruff and the occasional larger salmon trout. A few gar are out from The Hut and snook are at the Orontes Bank.

**Pine Point/Ardrossan:** Yellowfin whiting and blue crabs are the go-to species for shore-based anglers from the wharf at Pine Point to the beach at Tiddy Widdy. Boat crews fished Long Spit for whiting and Billy Goat Flat for blueys and garfish. Windara Reef on the drift is a good try for squid at the moment.

# No jab, no play, no bowls today

**Patrick Goldsmith**

REPORT BY

Bowls SA is the first state sporting body to implement a COVID vaccination policy for community sport.

The No Jab, No Play policy requires

anyone who wishes to facilitate or play in Bowls SA managed events or representative teams and association pennants to be fully vaccinated by January 10.

Local clubs can choose to adopt a similar policy for social bowls or any independently run events.

However, for any official pennant competitions clubs can only select players who have either been double-dose vaccinated or have a medical exemption.

Northern Yorke Peninsula Bowling Association chairperson Brian Smith said

the health of all patrons was paramount.

"We support the decision 100 per cent," he said.

"Bowls SA has been very good in helping us make sure all data is collated so we know who's had their vaccinations already.

"We expect maybe a few people will not continue (playing) but Bowls SA did a survey before they made the decision and the vast majority agreed which is the main thing."
